OAK RIDGES & LAKE WILCOX NEWS

CORRESPONDENT: MRS. C. L. STEPHENSON

The School Board of Oak Ridges School is having a bit of difficulty. The firm engaged to drill for water went down 475 feet and failed to secure enough water to serve the school. Another test hole will be put down this week. In the meantime all plans to proceed with the addition to the present building are held up. The location for the new test hole has been "witched" and it is hoped that enough water will be found this week.

The board of Lake Wilcox School has engaged four new teachers which makes a staff of seven. Staggered hours will be in effect. Mr. George Gourlay says that the suggested hours are from 8.30 a.m. till 12.30 noon and from 12.30 till 4.30 p.m. The final decision will be made by the principal when it is known how many pupils will be in attendance.

The Oak Ridges Boy Scout Group Committee will meet on September 9 to line up the work for the new season. Mr. Jack Blyth has asked to be relieved of his duties as chairman because of the pressure of other activities. Parents of boys desiring to join the Oak Ridges Troop are asked to contact the Scoutmaster Len Smart, box 4, Lake Wilcox Post Office. Mr. Warren Gerrard will be assistant Scoutmaster and Scouts John Appleton and Lawrence Comfort will be on hand to assist. The first meeting will be held on September 9 at 7.30 p.m. at the school.

We are glad to report that Mrs. Len Smart is recovering from her recent illness.

Friends of Mr. Frank Wilkins will be sorry to learn that he is confined to his bed at his home at Oak Ridges.

Mrs. Warren Gerrard and Mrs. A. J. Harland both of Elm Grove Ave., are receiving congratulations on the birth of a daughter for Mr. and Mrs. Gerrard and a son for Mr. and Mrs. Harland.

The meeting of the Scouts and Guides Mothers Auxiliary held last Tuesday at the home of Mrs. Robert Woolley was poorly attended due to the extreme heat. Plans for the fall work were put over till a meeting to be held later in the month. The date will be announced later.

Mr. and Mrs. John Topper spent a few days last week at the Ridge Inn, before taking up residence in their new home in Sarnia.

Another new store is going up on the lot immediately north of the residence of Mr. and Mrs. A. Ryman. An unconfirmed report has it that the Rymans are opening a shoe store.

Five members of the RCAF who are taking part in the air show at the CNE are staying at the Ridge Inn.

Mrs. E. Harrison was hostess on Tuesday evening when friends gathered to honor Miss Doreen Downs whose marriage to Mr. Geo. Weston takes place on September 19. Many beautiful and useful gifts were showered on the young couple.

Mr. A. McIntyre is home again after another three weeks in hospital in Toronto where he received further treatment for the injuries suffered last fall in an accident on Yonge Street.

Miss Edith Geary will attend Normal School this year in Toronto.

Oak Ridges Bantams

The Oak Ridges Bantams lost out in the final game but they played good ball all summer and made a fine showing in their first year. Manager Walter Geary and Coach Gorr-Walter are very proud of their team and the Lions Club, their sponsors, feel well repaid for the time and effort they put into the summer's work with the boys. Pitcher Dale Boyle and Norman Roberts, catcher, and team members Richard Margrum, John Galoway, Danny Geary, Glen Wright, Keith Barnsdale, Ernie Rule, Johnny Comfort and Paul Wright, with subs Roy Geary and Larry Wall, were worthy representatives of Oak Ridges at home and abroad. An umpire of the Ontario Baseball Association was heard to remark at Newcastle on Saturday that it was the best game he had umpired all summer. The score at Newcastle Saturday afternoon was 5-2 for Newcastle. Enough fans from Oak Ridges attended the game to make a chartered bus necessary, and all express satisfaction with the good showing the team made. To beat the Ontario Championship play-off in their first season was a remarkable achievement.

Ronald Gourlay spent last week with friends in Toronto. Lloyd Shafer returned with him for the week-end and accompanied Mr. and Mrs. George Gourlay and the family to Niagara Falls on Sunday. They arrived just in time to see the steel barrel come down the river after its trip over the falls.

KING CITY NEWS

CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.

There will be about 104 children at King City School S.S. 2 this year it is expected. The attendance last year numbered ninety-seven. Ten beginners were registered on Tuesday for Grade 1, and four new pupils were transferred from other schools. Besides Miss Eva Dennis, Principal, and teacher of the senior grades, and Miss Dorris Patton, teacher of the first grades, there is a new teacher, for the intermediate room. He is William Pulford, who comes from Weston, and was a graduate of the Toronto Normal School in June. He will have grades 3 and 4, to begin with, and there were 23 pupils present to greet him on opening day. The largest class in the school is grade 2 with the twenty beginners of last year. Miss Patton, the teacher of the little folk, attended a six weeks' summer course at Dalewood School, Hamilton, this summer. Miss Dennis spent two weeks taking an extra course at the Ontario College of Education.

A young couple who were married in Coventry, England, on August 14, are making their home with Mr. and Mrs. Louis Berenski, Eaton Hall Farm for a short time. They will move to their own home at the farm where Mr. Golding is the headman. Before her marriage, the bride was Miss Joan Snell, a teacher of physical education in Coventry schools.

Saturday was a very happy day for Mr. and Mrs. George Hatley, when almost two hundred of their friends called during the afternoon and evening, to express their good wishes to their hosts, who were celebrating their silver wedding.

Honoured guests were the bridal party of twenty-five years ago, which included Mr. Hatley's sister, Mrs. A. Crawford, who was the maid of honour; the bridesmaid, Mrs. Mary Nichol Kay, and the best man, Mr. Harold Moore, a brother of Mr. Hatley. Looking happy on this special occasion, Mrs. Hatley wore a becoming frock of blue sheer, with a pink corsage of pink flowers made by Mrs. A. McDonald. A large wedding cake was in the place of honour on the long tea table, and low bowls of gay zinnias, and white wedding bells, made a pretty picture. Punch was served from a sterling silver loving cup that had an interesting history. It belongs to the Crawford family, Guelph, and had been won many years ago by a grandfather, Andrew Crawford, a Scottish farmer, whose famous Clydesdale horses had won the cup for him three times successively, in England. During the afternoon Mrs. E. Palmer and Mrs. A. Kayes, Toronto, poured tea. Both these ladies are aunts of Mr. Hatley. During the evening, Mrs. Lewis Moore, a sister-in-law, and Mrs. Lloyd March, Mrs. Hatley's sister, presided at the tea table. Many gifts and flowers were received as remembrances of this happy occasion. Included among the many guests were Mr. and Mrs. James Frances and daughter Dorothy who are visiting in Canada from England. Mr. and Mrs. James March and Jack March, Detroit, Miss Norah Savoury, New York, Mr. and Mrs. A. Crawford, Guelph;

Mr. and Mrs. David Watt, Caledon; Mr. and Mrs. James Burns and Mr. E. Brown, Erindale, and many others from Edgeley, Newmarket and neighbourhood.

Mrs. Sherman Bower, Halifax, spent a few days last week in King City with her sister, Mrs. Gordon Wells.

Mr. and Mrs. Douglas Rennison, Lansing, have returned from their wedding trip to Washington and New York City. They spent Sunday with Mr. and Mrs. George Billings. Mrs. Rennison is a sister of Mr. Billings. Another Sunday visitor of Mr. and Mrs. Billings, was Mr. Billings' uncle, Mr. Hilbert Robinson, Beeton.

Anne Sclater Lewis is the baby girl, born to Dr. and Mrs. David Lewis, Baltimore, Maryland, on August 31. Dr. and Mrs. Lewis and their little son, Wilson, made their home with Mr. Walter Monkman, when they lived in King City for a year, while Dr. Lewis was an intern at Sunnybrook Hospital.

Mrs. James Semple, a sister of Mrs. James Patton, passed away at her home, 101 Bessford Avenue, Toronto, on Sunday, August 30, after an illness of a few days.

The funeral was held on Wednesday afternoon from Toronto, to Hillcrest Cemetery, Woodbridge. The late Mrs. Semple, who was before her marriage, Miss Viola Jarrett, is survived by her husband, a brother, Charles B. Jarrett, and four sisters, Mrs. Patton, Mrs. J. Mathewson, Mrs. G. F. Holley, and Mrs. A. R. Greene, Ithaca, N.Y.

According to those who went to the Exhibition on Thursday of last week, with the two buses that were rented by the Women's Institute, they chose the most pleasant way to spend a very hot day. They said that as it was Music Day at the Ex. it was very comfortable to sit in the park and listen to the music, and enjoy the breeze that was blowing from Lake Ontario. Fifty-two persons were at the Exhibition from King that day, and were comfortable travelling in two buses.
