**ELGIN MILLS - JEFFERSON NEWS**

CORRESPONDENT: MRS. H. G. ROBERTSON  
 Brookside Road, Telephone Turner 4-2334

**New Look**  
 The old red school-house at Jefferson has had a new paint job lately in preparation for the start of the new fall term. Quite a bit of work has been done to the interior of this old landmark on Yonge Street in order to accommodate the ever-growing populace with its resulting rise in school attendance.

This Fall Grade Four pupils who went to school "across the road" last year, will join with Grades Four and Five from Lake Wilcox school. This will be the second year Lake Wilcox has sent its overflow of pupils to Jefferson. Seven or eight of the Jefferson pupils have had the distinction of attending three schools, all within a mile of each other and bearing the name of Jefferson Public School, during their school life.

The first year and a half was spent at the temporary school in the Parish Hall of St. John's Church; the next period was spent at the new school, opened officially in March 1952, and this Fall these students will study their three R's beneath the roof of the 38 year-old school which has had such a great part in molding the older members of this community. We hope these children will absorb some of the hallowed atmosphere which we cannot help but feel surrounds such time-honoured structures.

**Travallogue**  
 Mr. and Mrs. J. E. Flood, Jefferson, have received word that their eldest daughter, Mary, has arrived safely at her destination in Switzerland, where she will be working as a physio-therapist in one of the large hospitals there.

However, Miss Flood and the girl-friend she travelled with from Canada, had quite an experience during part of their trip. Arriving at Le Havre in the midst of the strike, they found all the business offices closed, including the banks and the two girls were short just thirty cents in ready cash for their train tickets.

Being unable to cash their traveller's cheques, and unable to convince the railway authorities that they could not get the balance of the fare, they decided to turn their misfortune into an adventure instead and they hitch-hiked to Berne, Switzerland.

While en route, on their hike, they were fortunate enough to get a message through to their friends in Berne and when they arrived at a pre-arranged place they were met by one of Mary Flood's friends and driven to their final destination.

Miss Flood told her family, by letter, how interesting the customs are in France. She said that most farm homes have large squares in front of their homes piled high with manure. Underneath these, there are big tanks to receive the moisture which drifts down from the fertilizer on top. Pipes leading from the tanks to the farm land carry the liquid fertilizer just where it is needed with little or no trouble to the farmer.

Another interesting item in France, is a law which forbids housewives to shake their run-off dusters outside, between the hours of 8 and 10 a.m. on Sundays. As for the motorists, they are not allowed to wash their cars at all on Sundays.

**Orange Home Entertains Ladies of J.S.C.C.**  
 Thirty-eight ladies were guests of Mrs. G. Freethy, matron of the Orange Home and her staff, on Wednesday evening, August 26, when the Bazaar Committee of the Jefferson School Community Club met at the home for its regular monthly meeting.

For most of these ladies it was the first time they had had the pleasure of seeing the interior of this large establishment from "cellar to attic" and one and all felt it was a most interesting and entertaining experience indeed.

Every nook and corner was open for inspection and the ladies marvelled at how well things are organized and how smoothly everything is run. We have often commented on the lay-out of the dormitories, classrooms and play-areas, but we, ourselves, had not seen the storage and housekeeping rooms before. In these rooms the children's clothes hang ready and waiting on covered racks for every occasion, whether it's Church, a parade, a party or school. Shoes are all cleaned and polished and placed away in orderly fashion.

The linen and bedding cupboards, especially those containing the multi-coloured patch-work quilts, all brought favourable comment. Following the tour the ladies gathered in the board-room for their usual exchange of ideas and the gathering in and giving out of bazaar articles and new patterns and materials.

The business of the evening over, the ladies retired to the library for refreshments which were served from long tables decorated with bouquets of white and crimson gladioli. Mrs. R. R. Threlfall and Mrs. H. G. Robertson poured tea. Among those attending the group meeting for the first time were the following ladies: Mrs. Charles Ratchford, Mrs. Ernest Ford, Mrs. Grace McNamara, Mrs. L. F. Elliott, Mrs. A. Love, Mrs. R. Delaney, Mrs. May Readhead, Mrs. Wm. Anderson, all of Elgin Mills or Jefferson and Mrs. D. D. Eppes and Miss E. E. Meleney, Toronto.

It was requested at this meeting that donations of plant slips be brought to the September meeting, along with any partly used cans of paint you may have put away, particularly silver or gilt paint, but all colours are needed for a project that is being planned.

Contributors are also asked to mark the cost of each article donated and to bring it along to the next meeting or take or send it to the convener in charge. The next meeting will be held on Wednesday, September 30, at the home of Mrs. Darrell Goulding, Jefferson.

**Second Time Winner — World's Champion Swimmer**  
 Mr. and Mrs. Oscar Wrigglesworth, Jefferson, attended the reception held in honour of their niece, Shirley Campbell, at Ferguson a week last Saturday.

Shirley, who is just 17 years old, was hailed as World's Champion in the three-mile swim on opening day at the Canadian National Exhibition. Shirley was also the winner of this event last year. She has been slowly surging forward to this coveted and well-earned position ever since she began training at the early age of six.

**St. John's Sunday School**  
 St. John's Sunday School reopens this Sunday, September 13, at 11:15 a.m.  
**All's Well Again**  
 Mrs. G. Freethy and her staff at the Orange Home had a bad time of it for a few days last week when 13 of the children came down with summer flu.

which position he held for the next thirty years. In 1903 George married Mabel Ferguson of Frankford, Ontario and they had the honour of being the first couple to be married in the newly built United Church at Haliburton.

Mr. Cluff became an active member of the Masons and the L.O.L. Haliburton. Leaving the lumber business Mr. Cluff opened up the well-known Red Umbrella Inn near Minden in 1933. At that time there were no paved highways but the old county road ran past the door of the inn and wild life roamed unmolested nearby. However, shortly afterwards the new Dorset highway came into being and the northern section of the province opened up in a big way.

Several years later Mr. Cluff sold the inn and moved on to Aurora, further south, where he made history again as the first Building Inspector to hold a permanent license in that district. His wife, who is also 73 years young, has always been an active and energetic worker and is proud of the family connection, on her mother's side, with the late Sir Isaac Brock.

While living in Haliburton, Mrs. Cluff was a leading figure in the Women's Institute; she was also the first lady to hold the office of Most Worshipful Grand Mistress of the L.O.B.A. in Haliburton County, and the first honorary member in that part of the province.

Mr. Cluff finally retired from active business in 1952 and he and his wife moved to their present home at Fenelon Falls. Mr. and Mrs. Cluff have three daughters, Orma, Mrs. W. Alvin Perry, Port Hope; Lila, Mrs. Cessil Johnston, Toronto; Maizie, Mrs. Arthur Gibson, Jefferson, one son, John of Lindsay and Toronto and eight grandchildren.

**Home Again**  
 Mabel Louise Robertson spent a happy week visiting her cousins Suzanne and Elizabeth Eppes in Highland Creek and her grandmothers, Mrs. J. E. Robertson and Mrs. D. D. Eppes in Toronto.

Mrs. J. E. Flood and daughters Joan and Linda with little Sandra Dick spent several pleasant days last week at the Flood's cottage at Port Bolster.

Mr. and Mrs. John Passmore and John, Nancy and Margie had a wonderful two week's holiday at Cape Cod.

**V.L.A. Fair**  
 Mr. and Mrs. H. G. Robertson and children were among those who attended the annual children's fair sponsored by the V.L.A. representative for Markham and Vaughan, Mr. V. J. O'Malley. Held in the Memorial centre at Unionville last Saturday afternoon, this fair, primarily to encourage the "junior farmers" from toddling age to sixteen years, was well attended by parents and children alike.

We thoroughly enjoyed the talk on "flow arrangement" by Miss J. Little of Richmond Hill and picked up a few pointers that were most interesting.

Mr. Jack Smith, M.P. for York North and Mr. McKechnin of the T. Eaton Co. presented the Grand Aggregate winner, little Miss Donna Sproule of Thornhill, with a silver cup at the close of the judging ceremonies but there were also 15 or 20 other children who won at least one or more prizes for their entries of fruits, vegetables or hobby-crafts.

Mr. O'Malley commended the children and their parents for their fine co-operation in this annual event which is becoming more popular from year to year.

**Cubbing**  
 The 1st Jefferson Cub Pack resumes its activities every Tuesday night at Jefferson School.

**Personals**  
 Mrs. Irene Stemple, house mother for the boys at the Orange Home is vacationing at Sauba Beach, Lake Erie.

Mrs. G. Freethy spent a pleasant visit last month at Nanapanee with her daughter Mrs. John Sproule of Deep River, Ontario.

Mrs. Hazel Franklyn, nurse at the Orange Home, has gone to Vancouver, B.C., for her holidays. Mrs. Franklyn is visiting the L.T.B. Grand Lodge in the city.

Susan and Mary Phelan of Toronto were visitors at the home of their aunt and uncle Mr. and Mrs. C. Ratchford recently.

The Rev. D. C. H. Mitchell, rector of St. John's Anglican Church, Oakridges (Yonge St. at Jefferson) would like to see a branch of the British & Foreign Bible Society formed in this district in the near future.

"Happy Birthday" to Tommy Ratchford who will be four years old next Monday, September 16.

On Wednesday, September 16, Mr. and Mrs. George E. Cluff, former residents of Aurora now living at Fenelon Falls, will be celebrating their 50th wedding anniversary. They will celebrate this happy occasion quietly with their children and grandchildren.

Well-known throughout the northern section of Ontario, Mr. Cluff where he was born on a farm near Winnipeg 73 years ago. Around the turn of the century George Cluff struck out for Ontario and decided to settle in Haliburton County as a lumberman. He proved so capable in this line of work he was soon manager of the Haliburton Lumber Co., (a branch of the John Carew Co.)

**RICHVALE**  
 CORRESPONDENT:  
 MRS. J. J. TAYLOR  
 Telephone TU. 4-2269

About a hundred and eighty pupils were enrolled on the opening day of school at Richvale School on Spruce Avenue, and a hundred and sixty-five at the Charles Howitt school on Pearson Avenue. Commencing at seven o'clock on Friday evening a Happy Hour for children will begin for children at Richvale Chapel, on Oak Avenue, and continue throughout the coming months. It will be under the leadership of Mrs. M. Chriskos of Toronto.

The Akela of Richvale "B" Pack wishes to announce that Cub meetings will open at the Charles Howitt school at a quarter to seven on Monday evening. Miss Beveridge, a First Class Guide, will assist.

Members of the Richvale Anglican W.A. were among the guests of the Carville United Church W.A. on the occasion of the opening of their new hall last Wednesday afternoon.

**CHALLENGES COMPARISON!**

compare ANY fuel with 'blue coal'

**THE FINEST FUEL MONEY CAN BUY**  
 The Finest Product of the Mines  
 'blue coal' is produced from the richest veins in the finest hard coal areas. Its BLUE color is your assurance of quality and performance.

**Authorized Dealer Service**  
 Accept no substitute for 'blue coal.' Deal only with an authorized 'blue coal' dealer and benefit from his experience, integrity and service.

**Every Ton is its own Guarantee**  
 Every ton of 'blue coal' is rigidly inspected and controlled before leaving the mines.

**SPECIAL OFFER FOR A LIMITED TIME ONLY**  
 the 'blue coal'  
**TEMPMASTER**  
 AUTOMATIC HEAT REGULATOR  
 ONLY \$5.00 DOWN

Never before has there been such an opportunity as this! For only \$5.00 down, and such easy terms that you'll never miss the payments, YOU CAN ENJOY AUTOMATIC HEAT CONTROL DAY AND NIGHT. Save Work... Save Coal... Save Money — enjoy uniform temperature night and day. Act now. This is a strictly limited offer.

Yes, compare any fuel with 'blue coal,' the world's finest anthracite. Compare it with a coal so famous for quality that it is trade-marked with a blue color for the absolute protection of every user.

Compare it with a coal so definitely superior that for years it has outsold all other hard coal in Canada.

Think of any outstanding benefits in any fuel you know and you'll find that 'blue coal' gives you all these AND MORE.

**COMFORT**

Unlike some fuels, 'blue coal' gives you a cosy "livable" heat... even, healthful comfort day and night.

**CONVENIENCE**

'blue coal' burns steadily all day — with a minimum of attention.

**ECONOMY**

Because of its deep-mined richness and slow-burning efficiency, 'blue coal' gives you more heating value in every ton — actually costs you less over a season.

NO ONE CAN DENY THESE 'blue coal' FACTS! So why take a chance on inefficient fuels? Now is the time to prove — with every pound you use — THAT 'blue coal' IS BEYOND COMPARE — THE SOUNDEST FUEL INVESTMENT IN CANADA TODAY!

Order your 'blue coal' today
