Whitchurch Council Commends New Provincial Law Re Desertion

Members of Whitchurch Council expressed satisfaction with the new Provincial regulations which went into effect September 1, permitting fathers or mothers who desert their families to be apprehended and brought before a magistrate in the place to which they have fled. In many cases the cost of bringing the deserter back to his former residence has been prohibitive. Clerk Jack Crawford was authorized to order 50 of the new forms to be in readiness for future cases.

Commended For Stand on Sunday Dances

The following letter was received from the Lord's Day Alliance, addressed to Whitchurch Council. "We would like to express our appreciation of the strong stand taken by your council against allowing public Sunday dances. Where a charge of any kind, direct or indirect is made for Sunday dancing privileges, there is of course a violation of the law, and it is council's duty to uphold the law. From the report of your action which came to us it also appears that council members hold commendable personal convictions on the proper use of Sunday. Your action is heartening, and will provide a fine example for others who may have similar responsibilities." signed A. S. McGrath, general secretary Lord's Day Alliance.

Educational problems in the township were discussed at length after the reading of a request from S. S. No. 5 (Vivian) School Board for an advance on debenture issue of \$1,000.00 to purchase a site and drill a well for their new school. Tentative approval for \$40,000 debenture issue has been received from the Department of Education. The assessment in this school section is less than \$100,000.

Two years ago the closing of the school in this section was considered because of the fact that only five pupils were enrolled. Now due to the influx of new residents a new school is needed.

S. S. No. 13 Lake Wilcox School, built two years ago to house 160 pupils, had 230 at the end of June and now has 297 pupils registered with 18 in the entrance class. They are using the old public school at Jefferson and staggered hours for classes. They are having a meeting on Monday night and requested that council send a representative. Reeve McLaughlin, Councillor McCarron and clerk Jack Crawford will attend.

All schools in the township are facing the same problems. Under the new set-up for York County it is expected that the grants for education will drop 14%. When the debenture issue gets past 20% the Municipal Board refuses to pass them. Reeve McLaughlin thinks it is time township councils should say what they will do. With the new \$400,000 high school issue for Stouffville added to what is al-

ready approved School debentures in Whitchurch township, the amount of debentures is approaching 18%. The finance committee will meet on September 21 to go into the subject and try to find some concrete suggestions to bring back to council for its next meeting on September 24.

Council requested the Planning Board to proceed with the setting up of the new zoning by-law.

Instructions were given to Road Superintendent E. Davis, to proceed with the improvements on Fergus Ave. Lake Wilcox under Local Improvement, the necessary signatures of property owners having been obtained. The cost, estimated at \$4000, will be spread over a five year period. Culverts will be installed at a cost of \$40,000 to be paid within 30 days by each property owner.

Return Cheque

A check for \$7.00 received from Mrs. L. Villemere for a building permit for a bowling alley, restaurant, and dwelling, has been returned. She has already been notified that the township of Whitchurch refuses to issue a permit for the building. Residents have objected to the traffic problem which the proposed bowling alley might create.

Chairman of the Finance Committee, Deputy-Reeve Timbers will meet with the Stouffville High School Board to discuss turning over to the Public School Board the building they are now using in Stouffville. It is expected the new high school building will be ready after the New Year holiday.

Sheep claims were paid as follows: one sheep killed September 1 by dogs to George Druey, and three sheep, owned by Charles Denne, killed on August 5, 6, 26, total claims \$90.00.

Objects To Criticism

A letter was read from Wm. J. Garfat of the Choice Cut-Up-Chicken Co. Ltd., protesting the recent bad publicity given his firm, when it was suggested that part of the bad odors in Aurora originate at their plant. Mr. Garfat explained that their own disposal plant and meticulous housekeeping methods made it impossible for any offensive odors to pollute the town of Aurora. "We are complimented frequently by government inspectors on the sanitary condition of our plant," said Mr. Garfat.

DONCASTER

Popular Centre For Doncaster

The gala opening of Bert Richardson's new General Store located on Morgan Ave., in Doncaster is scheduled for this Saturday, September 19. Commenced last April the store which is 30 feet by 31 feet and contains 1,800 feet of floor space was built by Mr. Harold Stevenson, successful North York contractor.

Displaying the latest features in the field of retailing in a spic and span atmosphere Mr. Richardson plans to offer a wide variety of merchandise including groceries, meats, fruits and vegetables, and drugs.

The enlarged Doncaster Post Office will continue to function in its new surroundings.

Ably assisted in the operation of the store by Mrs. Richardson, it is their intention to use the old store as a warehouse and living quarters. The new store is located directly west of the former premises.

Considered one of the originals of the Doncaster district the Richardsons first settled there in 1936. Mr. Richardson entered the retail business in 1948.

With an unbounded faith in the future growth of Doncaster, Mr. Richardson is hoping his latest undertaking will develop and prove to be of service to the community.
