McCallum Family Moves To Farm Near Schomberg-Natives of King

Another of the third generation of farm families is about to leave Strange district, King Township, Mr. and Mrs. Melville McCallum and son, Gordon, have sold their farm to Shirley Cragg, York Mills. They have purchased the farm of George Baro on Highway No. 9, near Schomberg, and are leaving the scenic hills of Strange, to live on this fine level farm.

The dairy barn is well equipped, to house the McCallum's fine Holstein herd, and Gordon intends to take over Mr. Parr's milk contract. Mr. and Mrs. McCallum are natives of King Township. Mr. McCallum was born in the stone house at the corner of the 6th concession, which was the first home of his parents, Mr. and Mrs. Archie McCallum, when they came to King 56 years ago. Mrs. McCallum's home was on the 2nd concession of King.

After their marriage, Mr. and Mrs. McCallum took the west 100 acres of the big McCallum farm, and they have lived there ever since. Their family was born there. They are Gordon, the eldest son, who is the farmer of the family, Betty, who is now Mrs. William Welt, of Thornhill, and Archie, a chartered accountant, Toronto. The McCallums will be greatly missed because of their splendid work in the community and their church.

Mr. and Mrs. McCallum and Gordon are being honoured by the community with a reception in Laskay Hall on Friday evening October 2. All their friends are being invited to come.

Mr. Cragg plans to make extensive alterations on the former McCallum farmhouse, and is planning to divide the property into ten acre lots for sale purposes.

It has been noted that in the early days of this community there were 13 McCallum families who attended St. Andrew's church at Strange. Now only Mr. and Mrs. Donald McCallum, King City, remain. Mr. and Mrs. Melville McCallum are members of Laskay United Church.

KING CITY NEWS

CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT. Phone King 55R14

Mr. and Mrs. Sams and son Richard have come to live in Laskay, and feel they will be very much at home in this community. They moved three weeks ago from North Park, Toronto to the former home of Mr. and Mrs. Norman Egan.

Miss Dorothy Armstrong will be organist at St. Mary's Anglican Church, Aurora. She played for the first time at the services on Sunday September 27.

Mrs. Donald McCallum goes to Maple every day to teach Grade 1 class at Maple School. The classes at Maple School are staggered, and Mrs. McCallum will be teaching the little children in the afternoons.

St. Andrew's Anniversary

The 116th Anniversary services will be held at St. Andrew's Presbyterian Church, Strange, on Sunday, October 4. At the morning service at 11 o'clock, the minister, Rev. D. C. Wotherspoon, will preach. The choir of Temperanceville United Church will be present at the morning service.

In the evening, at 7:30 o'clock, Rev. J. McLelland, Bolton, will be the guest speaker, and special music will be given by the choir of the Aurora Presbyterian Church. The Eversley and St. Paul's Presbyterian Churches will join in these special anniversary services.

Turkey Supper

Plans for a turkey supper which will be served in Laskay United Church on October 29 by the Women of congregation, were made when the executive of the W.M.S. of Laskay United Church met at the home of Mrs. W. Boys Thursday evening. This special turkey supper is the biggest money making project of this group, and everyone in the congregation takes part in the preparation and serving of the meal, which is really a banquet.

Held every second year, there were over 500 people who sat down at the last turkey supper, although the first snow and ice storm of the year was raging outside. The executive, whose president is Miss Winifred Boys, is arranging to have a musical program during the evening, for the entertainment of guests who may have to wait while tables are being cleared.

Garden Editor Speaks to Kingcraft

Miss Margaret Dove, Garden Editor of the Toronto Telegram, and a member of the Flower Committee of the Royal Winter Fair, was guest speaker at the third birthday meeting of the Kingcrafts, held on Wednesday afternoon,

September 25, at Kingswood, the home of the founder and president, Lady Flavell.

Miss Dove spoke on the value of the hardheaded evergreens as decoration for the outdoor garden at all times of the year, and as a decoration for the house in the winter. She mentioned such varieties as Baltic Ivy, Myrtle, Mountain Laurel, Oregon Grape, perennial Candy Tuft and Heather, which can all be grown in this locality.

"Canada Day"

Mrs. Alice L. Dinnick, who is living in Aurora, has been receiving interesting letters from her daughter, Mrs. (C. L.) Brown, who left Ottawa recently with her husband, Price Erichsen Brown, and their family, to spend the next three years in Belgium, where Mr. Brown is attached to the legal department of the Canadian Legation at Brussels.

In a letter written last week Mrs. Dinnick read that Mr. and Mrs. Brown had gone to Bruges to spend a day, and as they left a little restaurant where they had enjoyed dinner, a procession led by a band and torch bearers, passed. They joined the parade, to see where it was going. As they marched through the city, this procession was joined by other bands and torchbearers who seemed to come from all directions.

Eventually they came to a halt at the entrance to a bridge, where stood flagstaffs on which flew the flags of Belgium, Canada and the United Kingdom. This bridge was dedicated to Canada that night, and unwittingly the Erichsen Browns had become part of the celebration. As darkness fell, the huge crowd that filled the surrounding streets gathered to watch a wonderful display of fireworks, which was set off by the town of Bruges, to thank the Canadian soldiers who helped to liberate Bruges.

Harvest Thanksgiving Services

will be held at All Saints Church, King on Sunday next Oct. 4th with visiting preachers at both morning and evening services.

At 10 a.m. the Rev. Arthur Chote, Rector of St. Mary's, Richmond Hill will preach; and there will be a celebration of the Holy Communion.

At 7 p.m. the Rev. Trevor Jones will be the preacher. Mr. Jones is assistant secretary of the General Board of Religious Education of the Diocese of Toronto and was until recently Rector of St. Andrew's, Centre Island; before which he was for several years a missionary in the Arctic.

The church will be decorated for Harvest on Saturday afternoon and evening. Gifts of fruit and flowers and vegetables will be very welcome and may be left at the church at any time during the day.

A warm invitation to attend the service is extended to all.

Wedding

TERRY-BROWN

The parsonage, King City, was the scene of the wedding of Ellen Doreen, eldest daughter of Mr. and Mrs. George L. Brown to Douglas Keith Terry, elder son of Mr. and Mrs. Stanley Terry, 5th concession King Township, on Saturday afternoon, September 26. Rev. M. R. Jenkinson officiated at the ceremony.

The bride chose a tailored suit of navy blue gabardine with matching accessories and a corsage of red roses. Miss Audrey Brown was her sister's bridesmaid and wore a navy blue suit with matching accessories and corsage of pink roses. Groomsman was Albert Rowan-tree of Kleinburg.

For the reception at the Masonic Hall the bride's mother received in a dress of navy sheer with navy accessories and corsage of pink and white chrysanthemums. The groom's mother assisted her in a black and white corded taffeta dress with black accessories and corsage of yellow chrysanthemums.

For their wedding trip Mr. and Mrs. Terry motored to Huntsville. On their return they will live in a home on the Terry farm.

HEADFORD NEWS

CORRESPONDENT Mrs. H. Acreman R. R. 2 Gormley, Ont. Phone Turner 4-2236

W.M.S. Deverell, Mrs. N. Brodie and Mrs. Acreman, with other ladies of Victoria Square W.M.S. held their opening meeting of the season at the home of Mrs. Angus Valliere in Markham. The first two chapters of the new study book "Follow the Sun" were taken. Mrs. Joyce sang "My Task" very beautifully, adding a third verse which is particularly appropriate for a missionary gathering 22 ladies were present, and we received a warm welcome to come again next year. It has become almost legendary to hold one meeting a year with Mrs. Valliere, ever since she left Victoria Square to make her home in Markham. A card was signed by all members to be sent to Mrs. Brumwell, who is on the sick list.

Showers

A goodly gathering of people met in Headford Church on Wednesday evening last to do honor to Audrey Simpson and Harley Horner, who will be wed in October. Many useful and beautiful gifts were showered upon them, attesting to the esteem in which the young couple is held. An amusing and mysterious gift presented at the last, turned out to be a rather unique root of an apple tree, and Mr. Briggs, representing a parson, gave the young folks a pointed sermonette on the same. A sing-song and refreshments brought a happy evening to a close. A special gift from the choir was presented to the bride-to-be, who is a valuable and faithful member of Headford church.

Attend Luncheon

Mrs. Smith and Mrs. Acreman were among those from this district attending the luncheon given by the ladies of Newmarket United Church afternoon auxiliary of the W.M.S. The luncheon was in honor of Dr. Lotta Hiltzmanova, who was guest speaker, and who kept her audience spellbound with her vivid description of conditions as she found them on her recent trip to Korea. She made an earnest plea for all kinds of warm clothing and for quilts. These latter, she said, should be of heavy variety, and made without much fine quilting because the Korean women take their quilts apart for washing, making so much labor in the quilting of no purpose.

Social Notes

The Murray Acremans entertained a number of their friends at a corn and weiner roast at their home on Saturday evening. Mr. and Mrs. Mel Jones and Mrs. Jack Weldon and son Craig were visitors at the home of Mr. and Mrs. H. Acreman on Sunday. Visitors on Sunday with Mr. and Mrs. Norman Brodie were Mrs. Charles Lillie and her daughter Margaret (Mrs. Baker) and her two children.

Mr. and Mrs. Allan Wellman and their family spent Sunday with Mr. and Mrs. Wm. H. Wellman.

Anniversary Services

Headford Church was filled to capacity for both its services on Sunday, when it celebrated its 71st anniversary. The guest speaker in the morning was Rev. Harvey Howie of Aurora, and two anthems were rendered by the choir, with Mrs. S. Rumble at the piano. In the evening, the guest speaker was Dr. Archer Wallace, who spoke on selecting the vital things of life, and disregarding those things which are trivial. Teston choir took charge of the music and gave two splendid anthems. A ladies quartette was very much appreciated. The choir and a few of our own church members enjoyed a half hour of fellowship after the service.

Among the guests in the community for the anniversary were Mr. and Mrs. Bert Leek; Mr. and Mrs. Hardy Hill, Richmond Hill; Mr. and Mrs. Merrill Johnson of Victoria Square, Mr. and Mrs. Aubrey Stephenson of Buttonville and Mr. and Mrs. Grant Morley. Mr. and Mrs. Herb Smith entertained Mr. Howie at dinner.

(Held from last week)

Mrs. Herb Smith, Mrs. Norman Brodie and Mrs. Acreman attended the very beautiful Diamond Anniversary celebration of Richmond Hill United Church W.M.S. last Thursday afternoon. The three tiered birthday cake was made and iced by the president, Mrs. Hickson, and her daughter, Mrs. Hickson is a sister of Mrs. Herb Smith. Organist for the service and for the soloist was Mrs. Stewart Rumble.

We are all happy to hear reports from her family, who have visited her in the hospital, that Mrs. Jim Curtis is improving nicely. Hope is expressed that she will soon be home again.

Mrs. Walter Leuschner spent the week-end with friends in Toronto. A very pleasant surprise was in store for many Headford folk when they greeted the Leadlay family, former residents here, who returned to spend the day with Mr. and Mrs. Wes. Clark and their family.

Mrs. George Joyce entertained Mrs. Acreman at luncheon Monday. This was an occasion of note, other guests being Mrs. France, Mrs. Joyce's mother, who is 88, and Mrs. Joyce Sr. Later in the afternoon, Mrs. Heber McCague brought her father, Mr. Ash. The combined ages of these elderly folk reaches 250 years. They had a nice visit together.

Home and School

Headford Home and School Association will open its new season of activity with a meeting in the school at 8 p.m. Tuesday, October 6. An attractive program has been arranged, with Mrs. Joseph Rabinowich as guest speaker. All who have met and heard Mrs. Rabinowich on previous occasions know we are in for an interesting treat. We hope all the newcomers to the neighborhood who are able will be out to join us.

FOR THE BRAND NEW

Infant mortality is much too high in most countries, including Canada, despite our preoccupation with child health. In most towns and cities in this country there are prenatal clinics where, without charge, the mother-to-be may have medical check-ups and be given advice on keeping healthy, for the sake of herself and her unborn child.

Dew St. Residents Awaiting Hydro

King village trustees met on Monday evening, when a deputation was heard from the residents of Dew St. These people are hoping to have their street inspected, and approved, under the Local Improvement Plan, so that the Hydro can erect poles and get service to the east end of the street.

As nothing has been accomplished after several visits to the village trustees, who are working through the Township Council, the applicants were advised by Donald M. Findlay, chairman of the Board of Trustees, to take their plea to the next meeting of the Township Council. The village has to act in this matter via the Township Council, and because the township has never had to deal with any business under the Local Improvement Plan, being a rural community, they may be slower in such matters," he advised. Two families in this subdivision are using electricity from borrowed wires strung to their houses. These families are anxious to use their heavier household equipment, and cannot do so until the Hydro is satisfied poles can be erected on the street.
