Speeding Balm for Sick Eyes

Filling tubes with antibiotic eye ointment, these three Arab refugees in Beirut, Lebanon, are helping to their fellow refugees who suffer from trachoma, a common eye disease in the Middle East. The ointment is being packed at a warehouse operated by the United Nations Relief and Works Agency for Palestine Refugees (UNRWA), which is cooperating with the World Health Organization in an anti-trachoma campaign in refugee camps. The WHO-UNRWA campaign is reported to be achieving a cured rate of eighty percent.

Township Councillor William Kehoe, Elmer Little and Warden Levens, Bolton, who is chairman of the Humber Valley Conservation Authority, left by bus on Friday, to travel with sixty members of the above Authority, on a trip to inspect reforestation and soil conservation in Michigan and south western Ontario. They visited the Highland Park area in Michigan, where forty thousand acres along Lake St. Clair have been restored, and set aside as a park and recreation ground for the people of Detroit. They were told that usually between forty and sixty thousand persons spent their Sundays in this park. They were also impressed with the new Fanshew Dam at London Ont. Mr. Kehoe's only regret was that the Bolton Fair fell on the same time. By going with the Humber Valley Conservation Authority, Mr. Kehoe broke a record of fifty-two years attendance at this annual country fair. He did not altogether neglect the fair however, for he attended to his duty of preparing the race track before he left for Detroit. This has been his job for the past forty-six years. He remembers how he began to grade the track with a team of horses, when he was fourteen years of age, and he has continued to look after this part of the Fair's attractions ever since. Mr. Kehoe is chairman of the track committee, and was President of the Bolton Fair in 1936-7.

Miss Dorothy Armstrong was in Toronto to see her baby niece, born on September 24 at the East General Hospital, Toronto, to Mr. and Mrs. George (Nip) Armstrong, Wexford. Mother and baby are well.
 The Misses Mary and Elizabeth Ramshaw, of Acton, Ont., visited on Saturday with Mrs. J. Trowell and family at their cottage, on the 5th concession of King.
 Mr. and Mrs. Harold Ratcliff are rejoicing in the birth of their first grandchild, a daughter, who will be named Susan Marie, was born to Mr. and Mrs. Philip Ratcliff at St. Michael's Hospital, on October 2. Mr. and Mrs. Philip Ratcliff live at 115 Laurier Rd., Wilson Heights.
 Mr. and Mrs. John Norris are attending the World Championship Ploughing Match which is

being held at Cobourg on Thursday and Friday. Mr. Norris, who is the district representative of the J. R. Watkins Company, has been advised that his firm is sponsoring Mr. Graeme Stewart of Plainsfield, Ill., the U.S. Champion of level-land plowing, and R. C. "Buz" Cummins of Lewistown, Ohio, winner of the U.S. contour ploughing event. Their tractors and equipment are being transported to the Cobourg site, and the U.S. Champions, along with their managers, will accompany the equipment to Canada.
Former Teacher Ordained
 On Sunday, Rev. John Neil Lothian was admitted to Priests Orders at the ordination service which was conducted by the Rev. E. H. Wilkinson, co-adjutor Bishop of Toronto, at the Church of St. Olive's, Swansea. Rev. John N. Lothian was the popular principal of Oakridge School, until Easter of last year when he retired from the teaching profession. He was ordained deacon at that time, and took over the parish at Washago, where he and his wife have continued to live. Mr. Lothian had helped with the Sunday School at All Saint's Anglican Church at King City, and his many friends in this district wish him happiness in his new work.

Presentation To McCallum
 More than one hundred friends and neighbours gathered on Friday evening to bid farewell to Rev. and Mrs. Mel McCallum and their son, Gordon, and to enjoy a social time with this popular family before they move to their new home near Schomberg. The party was held in Lasky Institute Hall, and a well planned program arranged for a very happy evening, with Norman MacMurdy as master of Ceremonies. Sixteen tables were arranged for euchre, and prizes for high score were awarded to Mrs. Charles Black and Norman Bryson.
 Mr. and Mrs. McCallum and Gordon, were called to the platform, and an address was read by Herbert E. Ross, expressing the kind thoughts and good wishes of their many friends. As a gift from the community, he presented them with a handsome dinette set of chromium table and chairs for the new home. Mr. and Mrs. McCallum replied and were greeted with applause. Rev. M. R. Jenkinson, their minister, in a brief speech, paid tribute to the McCallum family, and to the guests of honour in particular. As the Arbuckle Orchestra began to play, Mr. and Mrs. McCallum led the procession to head an old time dance, which continued merrily for several hours. On Saturday, Mr. and Mrs. McCallum and Gordon moved to their new home.
Car Burned
 There was excitement on Thursday morning on the 3rd concession of King when a car belonging to Mrs. Alice Donovan, Toronto, went on fire, due to a short circuit in the car radio. The fire released the brake, and the blazing car, which had been parked on the roadside opposite the home of Dr. and Mrs. Cecil Summerfeldt, rolled down the slope, coming to a stop in the gateway of Count Bieniewski. By the time that the Aurora Fire Dept. arrived, only the framework was left to be towed away. Besides the loss of the car, a '47 Monarch, Mrs. Donovan lost valuable upholstery materials which she had carried in the car. She had come to Mrs. Summerfeldt to make furniture slipcovers, a half hour before the fire was noted by Mrs. Summerfeldt, surprisingly there was no explosion.

Is attendance slipping? Then remind your members of that forthcoming meeting by listing it in the "Coming Events" column of The Liberal. It's low in cost. Telephone Turner 4-1261.
