R. Hill Public School Bd. Engages New Solicitor

In a move calculated to strengthen its legal position the Richmond Hill Public School Board last Thursday engaged a new firm of Solicitors to replace its former legal counsel of many years Mr. J. D. Lucas. On motion of Trustees W. Wilson, P. Henry and carried by the Board the members hired the Toronto firm of McMaster Montgomery & Co. as its Solicitor.

Previously the members had by a majority decision with Trustee C. Mabely casting the only dissenting vote decided to discontinue the services of Mr. Lucas on the grounds that he is also Solicitor for the village Council and future litigation over the proposed school might prove embarrassing for him.

The firm of McMaster & Montgomery who have had previous municipal experience in Etobicoke township were recommended to the school board by Trustee Wilson. In moving his resolution Trustee Wilson stated, "I feel we should have someone with no other ties in this area."

As requested the Board has picked out tentative school sites in two proposed new subdivisions planned for this district. The first one was Allencourt Acres a 62 acre subdivision to be located at the corner of Bayview and the Markham Road.

The second one was the 60 acre E. T. Stephens subdivision to be located between Hunt and Observatory Lane. Although offered in each case 3 acre school sites the Board felt they should have a minimum of 5 acres for any new school sites.

Both these subdivisions are awaiting final approval by the Council concerned, Richmond Hill and Markham townships. **Bus Contract** The Board has signed its 1953-54 bus contract with Mr. Gordon Morrison, Victoria Square who operates the school buses. At a cost of \$500.00 per month the board will engage 2 buses for the transportation of students.

Bible Class

On recommendation of Trustee S. Tinker the members have approved a request by a teenage non-denominational Bible Class under the leadership of Ed. and Eve Rutlin for permission to use a room in the school on any Sunday the class is unable to secure accommodation in the Anglican Church.

The Board has yet to arrange a meeting with a delegation representing the teachers in order to discuss their salary schedule. Chairman Pollard also announced the Board is considering a new salary schedule for its caretakers. Miss Henderson formerly of Guelph who was recently hired to teach Grade 1 has had her salary of \$2,400 confirmed by the Board.

Six People Escape Injuries In Crash

Don Cole, 17, Oxford St., Elgin Mills, escaped with only cuts and abrasions when his car was hit by a southbound car driven by Bruce Woolsey, 22, 745 Castelfield Ave., Toronto last Saturday night.

Don's car was struck on the right rear as he drove onto Highway No. 11 from Oxford St. and hurled into the ditch on the west side of the highway. Woolsey's car bounced off the car driven by Don Cole, skidded across the highway and hit a car travelling north driven by Reginald Gerrard, 36, of Belle Ewald, knocking Gerrard's car onto the east shoulder of the highway, spun around twice and came to a stop in the centre of the road, telescoped from each end.

Buster and Ruth Jack and their infant son of Belle Ewart, who were passengers in Gerrard's car were taken to Dr. J. Langstaff's office along with the three drivers but all were allowed to go home after treatment.

Only last Friday 30 m.p.h. signs were erected on this section of the highway, owing to the double fatality at the Elgin sidersoad last month.

P.C. J. B. Lee of the Thornhill division OPP investigated.

Toronto Lady Wins New York Trip

The annual Thanksgiving Carnival of St. Mary's Catholic Church was held last Wednesday evening in the Lions Hall. There was bingo and a variety of popular games to entertain the visitors who were present in goodly numbers.

A turkey roll provided a number of the lucky ones with Thanksgiving fare and the home baking booth did a thriving business. The draw for the prizes was conducted by Morley Beynon with the assistance of Reeve W. J. Taylor, Major A. A. McKenzie M.P.P. and J. E. Smith, M.P.

The grand prize of a trip to New York was won by Katherine Swenton, 39, Wallace St., Toronto, the second prize a suit of clothes by Mrs. Morley Beynon, Richmond Hill, and fourth a camera by Mrs. A. C. Clarke, Richmond Hill.

Home and School Richvale Home and School welcomes all parents to the October 19 meeting in Richvale School, Spruce Ave., at 8 o'clock sharp. Socials

Mr. and Mrs. H. Webb have just returned from a two-week vacation in Detroit, which they spent at the home of Mrs. Webb's sister, Mrs. J. Brown.

Mr. John Dawson from Windsor was a visitor at the home of his sister, Mrs. Harold Ince, last week.

Congratulations to Mr. and Mrs. Brian Bailey. Mrs. Bailey returned home last week her infant daughter, a little sister for Lynn, Diane, Heather, Susan and Brian Jr.

The sound of a fire engine's siren on Spruce Ave., Tuesday afternoon caused great excitement among the children of the street who raced toward the sound, hoping (?) it was the school.

It was at the home of Donald Graham where the heat from a blow-torch, had started burning paint off the house, had started fires under the clapboards. One fire was put out but the barkling of their dog led the searchers to discover another blaze at the back of the house and the arrival of the Richmond Hill Fire Brigade saved the home from destruction.

MILK FOR HEALTH Everyone, child or adult, should drink milk or take it in some form so that an adequate amount is consumed daily. Children under twelve require at least one pint daily; adolescent one-and-a-half pints and adults at least half a pint. For those who are reducing, skim milk is suitable, since it has the same food value as whole milk without butterfat.
