OAK RIDGES - LAKE WILCOX NEWS

CORRESPONDENT: MRS. E. DAVISON

The Turkey Shoot put on by the Lions Club at Glen Lonely last Saturday was a bit dampened by the wet weather. Those that turned out enjoyed the event and ten turkeys were carried home by the lucky winners.

The Oak Ridges United Ratepayers Association will hold its first fall meeting in the Oak Ridges school on Tuesday, October 20 at eight o'clock.

The Boy Scout Group Committee whose new chairman is Mr. Douglas Nash meets on Wednesday night, October 14.

Mrs. Connie Franklin presented her husband with a new daughter on Wednesday, October 7. Adri Neesween, 4-year-old boy whose parents have been in Canada two years and live on the CFRB sideroad just east of No. 11 highway, went to the neighborhood store on Friday shortly after 5 p.m. with a small friend.

The store is on the east side of the highway and no one knows why Adri wandered to the west side of the road. Constable Hutchinson of the Thornhill detachment patrolling the highway could not avoid hitting him. Skid marks were 40 ft. long. Dr. Crawford Rose had the boy removed to York County Hospital at Newmarket where it was found that his injuries were not serious — bruises and brush burns on his face. He was detained in the hospital for observation, but the hospital stated on Saturday morning that he would probably go home that day.

Ladies' Auxiliary
 The October meeting of the Ladies' Auxiliary of the Scout Movement was held Tuesday, October 6, at Oak Ridges School. The evening was concluded with a birthday cake marking the first anniversary of this group. At the November meeting which will be held the first Tuesday of the month, the election of officers will be held. All mothers of Cubs, Brownies, Scouts or Guides are urged to attend.

The First Oak Ridges Brownies started their season's activities on October 10, at the Oak Ridges school. At present the Guides are without a leader but it is hoped to have one shortly so that they may be ready to start their activities in January.

Saturday, October 17, is Scout Apple Day. As this is the only time the Scouts make a public appeal, be generous when a Scout or Cub knocks at your door.

Richmond Hill Women's Institute

Citizenship was the theme of the November meeting of the Women's Institute.

Mrs. G. Yerex, convener of the Citizenship committee said that citizenship is defined as the rights and privileges of a citizen. She took the word "citizen" and broke it up into its component letters, commenting briefly on each.

C stands for the country or community you have chosen as your home. I is for Institute member, as such you should be a leader in the community. T is for time. Take time to study and know more of Canada. Teach the children what a wonderful country they live in. I is for interest. What interest do we take in improving community conditions? Z stands for zeal. Zeal means enthusiasm put into our work. E is for each one of us. We have our own duty. N Never knock your own community.

Mrs. H. H. McKay in introducing Mrs. Bob Keith, the guest speaker, said she was pleased to have the opportunity since Mrs. Keith and she had been fellow students at Macdonald Hall, Guelph.

Mrs. Keith is a co-worker with Mrs. Marjorie Elwood, editor of the food pages in the Star Weekly, the wife of Bob Keith, the Ontario and Quebec Gardener, mother of three children and a worker in the church.

Mrs. Keith thought Citizenship is a theme with a very broad meaning. She would deal with one phase of it, home-making, or its more popular name, home economics.

Mrs. Keith touched on her work with Mrs. Elwood, saying they worked six weeks in advance of publication. They were pleased to be of service any time to local organizations but would appreciate if the request for help was written down and sent by mail. Recipes are tested at least two days a week, and the number tested is increasing rapidly. New techniques are being developed with the tremendous advancement in the use of new equipment and materials such as edible oils and mixes of all kinds. Many new food ideas were spoken of — instant puddings, cut-up chicken, a boon to small families, chopped nuts, cake mixes, instant coffee, instant icing, instant potato, chicken bouillon cubes, powdered cream, meat tenderizer, concentrated soups, fruit juices, fudge, were just a few.

All these new products and equipment have been brought out so that you will have time to make life easier, that the homemaker may have time to take a more active interest in being a good citizen.

The Institute will sponsor a cooking school to be held Thursday, November 26. Members were urged by Mrs. Jackson, convener of the W.I.'s part in the Community Fair to enter into the competitions.

Mrs. G. Yerex and Mrs. Zuefelt with Mrs. J. Dewsbury as alternate, were appointed delegates to the area convention to be held at the Royal York Hotel in November.

Thanksgiving was remembered with an appropriate message and the singing of a Harvest Hymn. The hostesses, Mrs. L. Clement, Miss M. Lewis, Mrs. G. Topper, Mrs. J. Stevenson and Miss A. Stong served those present with a refreshing cup of tea.

Fred forgot one thing...

HE FORGOT that a bit of wood preservative*, applied at little cost when the fence was put in, would have saved him the cost of new posts now.

In the telephone business, as around your own home, we find it's better to do the job right in the first place and then look after it. It's the best way we know to avoid heavy repair and replacement costs, to save expense and give you most service for your money.

That's why we treat telephone poles against rot; why we keep our trucks clean and in good repair; why we put up exchanges and offices to last.

It's common sense if we are to keep our costs down—and the price of your telephone service low.

*If you would like to get useful information on the preservative treatment of wood we suggest you write Forest Products Laboratories, Department of Resources and Development, Ottawa.
