On November 11 at 2.30 p.m. the W.I. will meet at the home of Mrs. Frank Burnett. The topic will consist of the convention reports. The roll call will be answered by "How I met my husband?" This will probably prove to be a very interesting roll call and it is hoped all members will be ready with their answers. Mrs. Frank Bell is responsible for the current events. The hostesses are Mrs. T. Dibb, Mrs. H. Clark and Mrs. D. Clark.

**Wedding**  
**Kirby-Beynon**  
 The United Church, Temperanceville decorated with white chrysanthemums, was the setting for an early fall wedding on Saturday, October 24, when Rev. E. C. Moddle united in marriage Margaret Anne, eldest daughter of Mr. and Mrs. Clayton Beynon and Ross Kirby, son of Mrs. Kirby and the late Mr. Ernest Kirby of Maple.

The bride, given in marriage by her father chose a gown of lovely white satin with a circular skirt and short train; a scalloped bertha and net yoke. The long sleeves and the back of the gown were fastened with tiny ball buttons. Her full length veil was embroidered silk net and fell from a halo of pearls. The bride carried a sheaf of cerise coloured roses and white chrysanthemums tied with white satin streamers.

The bride's attendants were gowned in full length satin gowns, made with a soft pleated bodice and three-quarter length sleeved boleros. The skirts of their formal gowns were very full and crinolined. Miss Florrie Beynon, maid of honour wore emerald green; Miss Mary Burnett chose copper brown and Miss Ruth Beynon a gown in gold. All wore headresses of braided satin with net cap effects. They carried bouquets of bronze and yellow mums.

Wee Susan Beynon, flower girl wore Nile green taffeta and carried a nosegay of gold mums. Her head band was of matching braided taffeta, dotted with gold mums.

The best man was Beverley Neill, the ushers Robert Beynon, brother of the bride and Donald Hawkesworth, nephew of the groom.

Miss Dorothy Armstrong of King, acted as organist with Mrs. Carl Beynon of Woodbridge as soloist, singing "The Lord's Prayer" and "Because".

For the reception in the Church Hall, the bride's mother chose a dress of purple crepe with matching velvet hat and black accessories. She wore a corsage of yellow roses.

The groom's mother chose a dusty blue dress with black accessories and wore a corsage of cerise coloured roses.

For travelling the bride chose a brown two-piece dress, small beige hat and sage green coat. She had brown accessories and wore a corsage of bronze mums.

The happy couple left for a trip to North Bay and Ottawa. Mr. and Mrs. Kirby will reside at the groom's farm, Maple.

**Betty Travels to New York**  
 Betty travelled to New York to attend the American Adult Education Association conference. At this meeting were representatives of most of the Folk Schools in the States plus three from Canadian Schools. The three Canadians were from the east, Nova Scotia, west, Alberta, and central our own Betty. In addition there was a leader from the Danish Folk Schools.

Betty is now loaded with new ideas, all of which will improve our School and some of them will go into effect almost immediately. Although we think our School is very near perfect, nothing is so good that it cannot be improved.

It is a signal honour that Betty was invited to this Conference and Markham Township should be proud of an establishment whose reputation is good enough to be known so far and wide. And proud too of the leader who represented this School.

**Folk School Hour**  
 In Betty's absence Arn Coumans acted as M.C. and a very creditable job he did. In continuation of the Arts and Crafts night, since we didn't have time for everything last week, one of our members gave an interesting talk about his previous hobbies of which was a model of a light-house and the other a piece of intricate fret-saw work.

Audrey Meredith, weaving instructor talked about how she happened to be so proficient on the loom. "Little Audrey" says she started her hobby with rabbits. Very odd. Perhaps sheep were too big and didn't regenerate quickly enough. Seriously she did start out in a big way on a 45" LeClair, which proved to be quite literally, out of reach. Back-tracking to a smaller loom, she started in and hasn't stopped since. Audrey claims any type of material can be woven, maybe that's where the rabbits came in.

Due to business pressure, Owen Fonger will not be instructing the dramatics class, but Larry McCance, Larry, who is Mr. Fonger's partner is extremely interested in our School and so we have a new instructor. I thought we couldn't do better but we have. Larry's class couldn't have been happier if they had Will Shakespeare instructing them. Larry spoke for a few minutes and outlined some of his ideas. He has boundless enthusiasm, so let's get behind him.

**Speaks On U.N.**  
 Our main speaker for the evening was Mrs. R. J. Marshall of Agincourt who spoke of her experiences as a delegate to the United Nations. All of us, from reading our newspapers or from listening to the radio know something of the work being done by this organization. How little I actually did know was brought home quite forcibly by her talk.

Mrs. Marshall was impressed by the U.N. in three ways; the vastness of the organization — the very obvious sincere members — the will of the committees to look for an
