The complex mask is measuring this patient's breathing capacity. Physicians and other medical personnel from the U.N. World Health Organization are also taking an active part in the program, which has cut TB deaths by more than half.

The regular meeting of the Mark-Vaun W.I. Thursday at the home of Mrs. McArthur, Yongeview Ave. The vice-president Mrs. Thirgood presided and extended a welcome to Miss Weldon, who recently returned from a visit to Scotland. Mrs. McArthur reported on the euchre held October 23. A motion was carried to obtain pictures of the old Langstaff School for the Tweedsmuir History Book, and the cornerstone of the old school to be sent to the York Pioneer and Historical Society Museum at Sharon Temple. Mrs. H. Ellam was nominated as District Director for the balance of the year. After the business meeting a social half hour of games was held, the winners being Mrs. Thirgood, Miss Weldon, Mrs. Kirby and Miss Revall.

Refreshments were served by Mrs. McArthur, Mrs. Holt, Mrs. Holmes and Mrs. Morrison.

A speedy recovery is wished for the baby daughter of Mr. and Mrs. Ralph Curtis, No. 7 Highway, six-month old Judy, who is in the Sick Children's Hospital, where she underwent an operation on her foot last week.

While visiting her aunt, Mrs. R. Curtis, No. 7 Highway last Wednesday, four-year-old Belinda, daughter of Mr. and Mrs. W.
