KING CITY NEWS

CORRESPONDENT: MRS. M. JOHNSTON, KING, ONT.

Phone King 55R14

Fit. Cadet Terry Usher is expected home on tonight's leave, this weekend, and he will be with his parents, Col. and Mrs. J. F. H. Usher. Terry has been stationed at Denford, Alta., since July.

Last Tuesday afternoon several ladies from King attended a special tea that was given at the Toronto Art Gallery by the Women's Committee of the Canadian Handicraft Guild. The ladies were received by Mrs. Eugene Montgomery, president of the Women's Committee, and Mrs. H. Lundberg, and they included Lady Flavelle, Mrs. Geoffrey Beatty, Mrs. James Baxter, Mrs. B. C. Partridge, Mrs. J. L. Grew, Miss Blair Burrows, Mrs. N. Coe and Mrs. Eric Johnston, all of King.

Laskay Bazaar
A successful bazaar was held at Laskay Institute Hall on Saturday afternoon, in aid of the Building Fund. It is expected that as a result of this successful event about \$159 will be added to the fund.

Mrs. Laura Rolling, who was a teacher at Strange School, and who has a warm heart for the Laskay district, was invited to open the fair. Mrs. E. Bath, president of the Institute, read the W.I. opening ode, and then the booths were opened for sales. The Christmas tree decorated the doll and dolls clothes booth which was in charge of Mrs. N. Etheridge and Mrs. P. Smeltzer. Mrs. M. Hunter, Mrs. George Forester and Miss W. Boys, had charge of the Aprons booth. The fancy goods were attended by Mrs. Charles Black, Mrs. H. Savers and Mrs. M. McMurchy, and the home baking booth was a busy place with Miss Helen Hunter and Mrs. A. McDonald in charge. The tea room was well patronized during the afternoon, and the tables were waited upon by Mrs. Charles Hatley, Mrs. Leslie Glass and Miss Ellen Tidsebach.

At the close of the bazaar draws were made for articles, the tickets being under the supervision of Mrs. L. Boys, Mrs. E. Bath and Mrs. W. Monkman. The Dresden Plate quilt was won by Miss Cowan, Toronto. The juicer was won by Mrs. W. Boys, doll vanity, by Mr. E. Scott, and Westons Cookies by Mrs. N. Etheridge.

Euchre and Dance
Miss Marjorie McMurchy designed and made the eye-catching posters that are advertising the euchre and dance that will be given in Laskay Hall on Thursday, November 26. The posters are small, but the design of a hand of cards is very smart. This will be the first euchre and dance party of the winter season for the community of Laskay and Strange, and the members of the W.I. hope to continue a series of such popular entertainment during the next few months. The proceeds will be added to the Building Fund, which is the big objective of the W.I. The conveners of the first euchre will be Mrs. Marshall McMurchy and Miss Marjorie McMurchy. Two conveners will be appointed for each party.

Turkey Supper
There were about 135 persons present at the Annual Turkey Supper of the Ladies Auxiliary to the Canadian Legion, when it was held on Armistice night, November 11, in the school room of King City United Church. The ladies will clear about \$60 through serving a very delicious banquet. Among those who

Doctor From India To Address Guild

Dr. Lakshmi Rao will be speaking on "The Position of Women in India" to the Evening Guild of St. Mary's Anglican Church parish hall, Richmond Hill on Tuesday, November 24th, and showing coloured pictures (sent by the Indian High Commissioner at Ottawa for speaking engagements in the United States). She is a Ph.D. in Comparative Neurology, and at present is taking a post graduate course here in order to comply with the teaching regulations of the Medical College for Women in Northern India at Ludhiana, the Principal of which is a well known English woman, Dr. Snow.

Dr. Rao, who has been here 4 or 5 years and came at her own expense has received a Fellowship from the Dept. of Hygiene to complete her Masters Degree in Bacteriology and is studying the effect of some of the newer drugs on Bacillus. She feels it would be particularly helpful to her as an Indian because of the distressing problems of T.B. in India.

One of her summers has been spent at Banff at the School of Fine Arts, and she also took a course of playwriting there. During nearly all of her stay in Canada she has been a Don in one of the Women's Residences at the University of Toronto, and thereby enlarging the cultural horizon of many Canadian students. Two summers ago Dr. Rao was in charge of the Seminar on International affairs in the Gatineau, and this year she was invited to the Couchiching Conference.

Early in 1954 Dr. Rao will be leaving Toronto to spend 6 months on special Fellowship touring Canadian Universities.

The women of Dr. Rao's family are Christian but retain all Hindu customs except religious ones. Her mother, as a widow, had no place in Indian Society, and would have been forced to go into complete retirement, but through a Christian Aunt the mother and her two daughters were baptized into the Christian faith.

The Evening Guild will welcome any visitors who would be interested in hearing Dr. Rao, who will also answer any questions.

attended were Elton Armstrong, neeve of King Township, who took the opportunity of entertaining his Township Council and the members of King Planning Board at this special supper. Mr. Armstrong's guests included Messrs. Bruce Davis, Aubrey Doan and E. V. Marchand, of the Township Planning Board, William Hodgson, deputy reeve, and councillors Douglas Wellesley, Harold Rose, Township clerk and W. F. Aitchison and W. Kehoe; Charles Ross, Township building inspector.

Guest Speaker
Mrs. Norman L. Brown of Richmond Hill, will be the guest speaker who Kingcrafts regular monthly meeting is held at the home of Mrs. Geoffrey Beatty, Drynoch Farms, Yonge St., on Wednesday afternoon, November 25. Mrs. Brown gave the Kingcraft members a very interesting afternoon at the November meeting a year ago. She has prepared a special program for her second visit, and will show the flower pictures of Prof. Coventry which this University of Toronto naturalist calls his "Intimate View of Flowers". With these pictures Mrs. Brown will illustrate how a

be broken down to form unusual designs. During the afternoon there will be a sale of work amongst the members.

Cancer Society
The King City and Laskay Cancer Sewing Groups will meet together on the evening of November 27, at the home of Mrs. Ivan Specht, King Side Road. The group is asking for donations of soft cottons and flannels for dressings. Miss Kay Clark, who is responsible for the organization of this energetic group, was the official delegate of the Cancer Society, at the Trend Conference of the Ontario Division of the Womens' Service Committee, which was held at the Royal York Hotel on November 4-5. Mrs. T. L. Williams also attended the conference.

Husband and Wife Graduate
Mr. and Mrs. H. Ratcliff were proud to be present on Friday evening, at the annual convocation of the University of Toronto, held in Convocation Hall, when their son and his wife, Phillip Harold Ratcliff, and Jean Mary, of Toronto, received their Masters degrees in Commerce and Finance. Only four people took degrees in graduate studies, and altogether there were three hundred and eleven graduates in the academic procession, from the various faculties of the University.

President Sidney Smith welcomed the graduates, and Dr. Samuel Beatty presented them with their degrees, as his first official ceremony since becoming chancellor of the University. Mr. and Mrs. Phillip Ratcliff met while students at Victoria College. They graduated together, with the degree of B. Com., in 1947, and were married two years later. When Mr. Ratcliff decided to continue his post graduate studies, but was unable to attend the lectures regularly, his capable young wife enrolled in the course and took the lectures for her husband. Their graduation together with their M. Com. degree is a great achievement, especially as this has been an eventful year for the young couple. Their baby daughter, Susan Marie, was born six weeks ago, on October 2, and she should be very proud of her parents.

Following the graduation exercises a reception was held in the examination hall, and Mr. and Mrs. H. Ratcliff were present to congratulate their young people, and their friends, on this happy occasion.

Ask For Fixable Toys

After delays caused by the installation of a new heating system in the building, and by the necessity of moving to another part of the basement, the Youth Workshop, under the sponsorship of Richmond Hill Rotary Club is ready to re-open, at the Municipal Hall.

Beginning next Friday, November 20, it is planned to have the workshop for boys and girls from 8 to 14 years, Wednesday and Friday nights from 7.15 to 9.00 p.m. The initial project, as each year, will be the mending of broken toys to be given to needy children.

There is a shortage of fixable toys and the group would ask that each boy or girl bring as a membership fee three broken toys which are able to be mended. Contributions of fixable toys are invited from everyone and they can be left at the Municipal Hall.

After Christmas, a program of projects designed to meet the capabilities of different age groups will be undertaken. Parents are welcome to visit the workshop at any time during working hours.

NOW YOU CAN TREAT VAGINITIS

in Cattle
After extensive experimentation
Nixon Laboratories have developed an effective treatment for VAGINITIS IN CATTLE. This new Nixon product is easy to use and quite inexpensive. If you are having breeding troubles due to Vaginitis, drop in and let us explain this new proven treatment that is so simple to use.

NORTH RICHVALE NEWS

CORRESPONDENT: MRS. M. BLACKBURN

Phone TU. 4-2238

Mesdames A. Ryder, G. Frankland, W. Macarthur and R. Kelly enjoyed lunch with Mrs. M. Holmes and Mr. F. Sinclair on Wednesday last. Mrs. Holmes returned to Toronto with the ladies, and spent two days with her son and daughter-in-law.

Brownies
On Wednesday Nov. 25th, a Flying-up Ceremony for the Richvale Brownies will take place at the school. The following week the Brownies will be enrolled into the Girl Guides.

H & S
Richvale Home and School held their general meeting at the school on Monday, Nov. 16th, with Mrs. L. Wainwright in the chair. Mr. Kurita and his Fluto-

phone Band rendered several selections much to the audiences delight. Mrs. A. Jackson, from Thornhill was the guest speaker and gave a most interesting talk on "Our Children are Our Friends". Grade 6 won the attendance award of \$2.00, but the other grades had a splendid attendance.

Miss Donna Wainwright of Pemberton Rd. entertained the Home and School, Monday evening with two selections on the piano and also accompanied the Flutophone Band. Robin Wood played a solo on his Flutophone which was much appreciated.

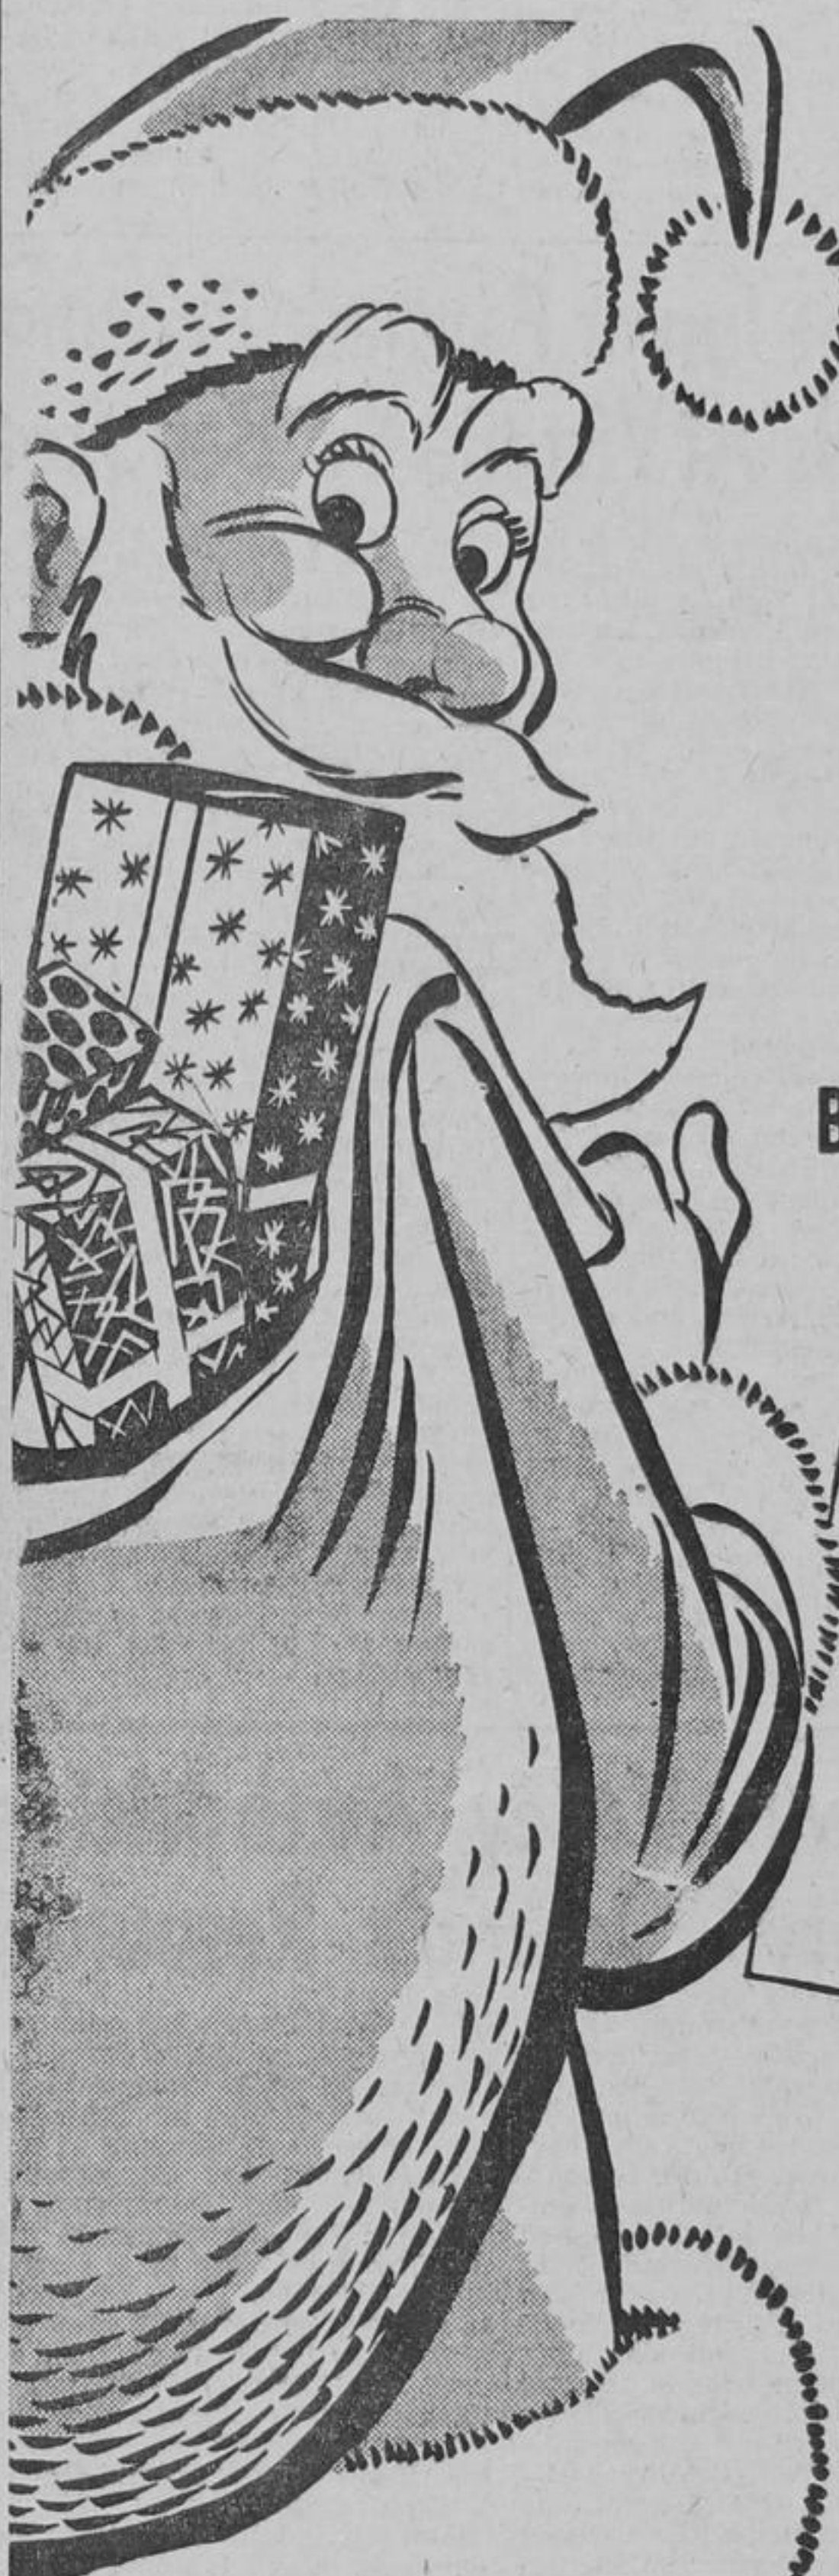

Miss M. Baker from Pickering, Ontario, spent Sunday with Mrs. David Burns and family.

BANISH CHRISTMAS BUDGET WORRIES!

BE SURE OF A "CHEQUE FROM SANTA" NEXT NOVEMBER!

Announcing a New Christmas Club

TO HELP YOU END YOUR FUTURE CHRISTMAS MONEY TROUBLES

WE TAKE PLEASURE IN INVITING YOU TO JOIN

What the Christmas Club is

You pay no entrance fees to join this Club. It is simply an easy, sure way to get the money you need whether for Christmas, for a winter holiday, or for any other purpose.

Our Christmas Club offers you a choice of plans to suit any budget and any need. (Check plan you like in box below). After choosing the plan you want, you simply make a small deposit once every second week through the year. At the end of 50 weeks (25 deposits) you'll get a nice "cheque from Santa" next November, in time for Christmas—or for whatever you wish.

Here's All You Do

Just drop in at your nearest branch of The Canadian Bank of Commerce. Visit the Savings Department. Ask for a Christmas Club Coupon Book for the plan you prefer, and start making your semi-monthly deposits right away. Don't delay! Join our Christmas Club right now, and be sure of your cheque for Christmas next year.
