Jr. W.I.
The regular monthly meeting
of the Langstaff Junior W.I. was
held at the home of Mrs. S. Patison
on November 11. The president,
Mrs. Kay Morris, presided. The
meeting opened with singing of
the "Ode" and the "Creed." The
roll call "A Household Hint," was
answered by 12 members and
one guest. Mrs. Adele Boyce
and Mrs. Kay Morris gave a report
on the Area Convention held in
the Royal York Hotel on
November 4, 5 and 6. At the close
of the meeting refreshments were
served by Miss Margaret McArthur.

Home and School
Langstaff Home and School
Association held its regular monthly
meeting in the school Tuesday,
November 10. Mrs. D. Morrison,
president, presided. Mrs. Kajola,
Mrs. Cramer, Mrs. Little, Mrs.
Woodcock and Mrs. Martin were
elected grade mothers. Mrs.
Turnpenny spoke briefly about
the dance to be held in Charles
Howitt school on Friday, November
20. H. E. LeMasurier spoke about
the new headquarters of the
National Home and School
Association to be built in Toronto
at a cost of approximately \$50,000.
This amount could be covered
by a contribution of 25c from
each member across Canada.
Ontario's share is approximately
one-half since Ontario has
half the membership of the
Home and School Association in
Canada.

A buzz session conducted by
Mrs. K. Vizey proved very interesting
to members. Subjects were
"What does the Home and School
do for you?" and "What
position has Home and School in
the community?"

Joan Blackburn, 11 year old
daughter of Mr. and Mrs. Ross
Blackburn, Essex Ave., delighted
the members with two piano solos,
Allegro in F by Haydn and
Hopak by John Thompson. At
the close of the meeting refreshments
were served by Mrs. Ball
and her committee.

A pink and blue shower given
in honour of Mrs. J. Corner was
held at the home of Mrs. F. Iris,
Fairview Ave., on Monday,
November 9. The following guests
were present: Mesdames Gladding,
Willard, Stringer, Manning,
Jordan, McEachern, Spencey, J.
Clark, Ament, Powell, Willett,
Lane, Lycett, Gooding, Drew,

Home & School
The November meeting of the
Concord Home and School Association
was held Monday, November
9. Mrs. McLean, president,
presided. Highlight of the evening
was a panel discussion in
which many of the important
aspects of High School were
discussed. A film pertaining to
the High School curriculum was
also shown. Refreshments were
served by Grade 1 mothers under
Mrs. Castonguay. Mr. Warren
Baillie has secured a film "A
Queen is Crowned" for December
10 and has offered it to be
shown to the Concord school
children on that date. This is
greatly appreciated by the staff
and students.

Scout & Cub News

At the recent annual meeting
of the Richmond Hill Boy Scout
Association Group Committee,
parents and others interested in
Scouting were highly pleased
with the various reports which
indicated an active and growing
group of Scouts and Cubs. The
year's results reflect credit on
those responsible, which includes
not only the Group Committee, a
voluntary group, but includes as
well the Scoutmasters, Cubmasters,
their Assistants, the Mothers'
Auxiliary, etc., all of whom devote
a lot of time and a good deal
of work in the interests of the
Scouting movement.

Re-elected Duncan Smith
At its opening meeting of the
1953-54 season held on November
15, the incoming Group Committee
elected its slate of officers and
set about making plans for
the future. Duncan Smith was
asked to continue as chairman
for another year and Jack Wharton
was again the unanimous
choice for Secretary. Both of
these men have a wealth of
experience and give very generously
of their time. Peter Wilson,
with past experience in practical
scouting takes on the responsibilities
of vice-chairman. Jack Brodick
was appointed Treasurer. All
others of the thirteen member
Committee have been delegated
certain duties. The Mothers'
Auxiliary is capably represented on
the Committee by Mrs. Morley
Williams.

Enrollment
Bill Bunker, Scoutmaster of
the 1st Troop, reports an enrollment
of 22 Scouts, while Alex
Reid, Scoutmaster of the 2nd
Troop reports 30 scouts with a
full program now underway. Alex
is a relative newcomer and takes
over Pal Johnson's Troop. If
the growing pains continue consideration
will have to be given to
forming a new Troop.

The Cubs are under the capable
supervision of Walter
Smith, who has charge of one
Pack and is ably assisted by (Mrs.)
Dot Turner; a second Pack is well
looked after by (Mrs.) Margaret
Styan, and the third also well
taken care of by (Mrs.) Betty

Smith. Altogether there are 104
Cubs and some others on the
waiting list.
Recent highlights in Scouting
include of course the successful
Apple Day and the paper salvage
collection. This latter undertaking
meant some real work for all
those connected with it including
the Scouts and Cubs. The
Committee would like everyone to
know that their contributions and
gracious co-operation were very
much appreciated.

In less serious vein, it may be
of interest to learn of "Operation
Honeypot". Fifteen Scouts
of the 2nd Troop left early Saturday
morning, November 7, on a
breakfast hike. "Departure" time
was about the only phase of the
operation that held to schedule.
"Arrival" time was somewhat
delayed due to the heavy snowfall
which affected locomotion. Breakfast
was not only unduly delayed
but the snow made it necessary
to make rather drastic revisions in
the menus. Returning parties
straggled into the Scout Hall
during the afternoon where
experiences were reviewed in much
more comfortable environment. At
last reports none reported ill-effects
due to exposure and perhaps
more important, all parties found
their way home. The operation
was reported a success.

Three New Scouts
Among those who recently
moved up to join the Scouts are
Allan Broderick, Douglas Ramer
and Bill Dubois. To take their
place the following Cubs were
invested: Paul Charles, Peter
Lacyer and Tom Willis. This
leaves Akela Betty Smith with
only two extras, John Flannigan
and Brad Stott.

A loan is like a bridge.
It carries you across a money problem.
Wisely used, it is a service built to help you
and the people you know.
Do you know that one out of every seven
families borrow at some time?
What is the best solution to their problem?
Where can they go?
Many types of lending institutions can help
the man who needs large sums of money.
But only an established consumer finance
company provides smaller, yet all-important
sums, to thousands without banking security.
