Home and School

At their last meeting before the new year, the Charles Howitt Home and School Association, through the efforts of the convenor, Mrs. Ellis, presented a very enjoyable program on Children's Reading, Miss Helen Armstrong, who is head of the Children's Library at the George Locke Memorial Library in Toronto, spoke on books which interest children and read particular chapters from some of these. One of the lists of reading which Miss Armstrong has and recommends is: Fifty Books No Child Should Miss. At the close Miss Armstrong invited the parents' questions which she answered freely. Refreshments were served.

The next meeting of the Charles Howitt Home and School will be of particular interest to fathers. There will be further details at a later date.

Socials
Congratulations to Mr. and Mrs. Schroeder whose infant son was born at the Newmarket Hospital on November 28.

About a dozen friends held a surprise birthday party for Mrs. F. Birchall, on Friday evening. A very enjoyable evening was spent.

Mrs. Roy Fisher of Feversham, who until recently lived here, spent a week visiting friends in Richvale, and returned home on Sunday.

Mr. and Mrs. W. Baker and David of Toronto, and Mr. and Mrs. Robert Smith with Carol Ann and Robert Jr. from the Queensway, paid a visit to the Norman McDermott's on Sunday.

Congratulations to Mr. and Mrs. Kenneth Doyle whose little daughter was born on Monday in the Women's College Hospital. Happy birthday to Bobby Clarke, five years old on Monday.

Knobole Club
The Knobole Club visited the John Innes Community Centre on Wednesday night last and watched a display of fancy swimming and life-saving in the beautiful pool, lit with underwater lights. Afterwards the lads were invited to have a swim and Denny Mill and won a cup for coming first in the "pigeon" race.

Watch Your Diet
Just as there are some foods that are to be eaten in plenty, there are others that should be avoided because of their detrimental reaction on the body or lack of nutritional value. Such foods are: all fried foods, unless expertly fast-fried, most cakes and pies, fatty meats and thick, fatty soups and gravies. If the athlete has a special liking for sweet stuff and cakes and cookies, he should eat those made from whole wheat. White sugar should also be avoided and honey used in its place. This is one of the most important diet changes the athlete can make. Also be sure to eat enriched bread if you prefer white bread.

The Problem Of The RETAIL MERCHANT

THE ONE PROBLEM common to all businessmen is — how to keep sales volume at a satisfactory level. This can be overcome to a great extent by carefully planned advertising. As a control medium advertising can be of considerable value in keeping sales at an economic level. Retail merchants however, especially those in small communities are confronted with the need of a very flexible advertising medium, one that can be used regularly throughout the entire year, yet pliable enough to suit the needs of the moment. Also, it must be one that can be tailored to fit any budget and at the same time give maximum coverage. Due to fluctuating prices it must be advertising that can be planned to reach the buying public within two or three days.

Newspaper Advertising is the advertising vehicle that has proved beyond doubt to be of greatest value to retail merchants. It fills all their requirements and has been the most important, single factor, in the success of so many.

The Liberal is at your service. We publish a well printed weekly paper that will give your advertising very good coverage in this area. A phone call to TURNER 4-1261 will bring a representative to your door.
