**MAPLE NEWS**

CORRESPONDENT: MRS. D. ALLEN  
 Telephone Maple 19J

Maple Firemen enjoyed a social evening at the home of Charles Cooper on Tuesday, December 15. Seasons Greetings from Mrs. Norman McCullough, Nancy and Terry from Calgary, to all their friends in the East. Terry is improving slowly after being stricken with Polio. He is still in hospital, and would welcome letters from his friends, his address is Junior Red Cross Hospital, Calgary.

Mr. and Mrs. Edward Walker and Elizabeth, Mr. and Mrs. D. Allen and Brian, spent Sunday in Willowdale with Mr. and Mrs. Kenneth Walker.

**Bowling**  
 High scorers in Maple Ladies Bowling at Richmond Hill alleys for Monday, December 14, were without handicap: Single, Jessie Watson, 201; triple, Marilyn Bailey, 490. With handicap: Single, Betty Rumble, 219; triple, 587.

St. Stephen's Anglican Church, Maple, will hold its usual Candlelight service on Christmas Eve, December 24, at 10:30 p.m. There will be a celebration of the Holy Communion and a carol service as in former years. A cordial invitation to members of other churches and friends generally is extended.

**Christmas Concert**  
 St. Stephen's Sunday School, Maple held its family Christmas

Party on Thursday evening, December 17, in the Masonic Hall. A brief program was presented by the children, including a Christmas Story pageant. Santa Claus came down the chimney with a bound and distributed gifts and treats. Refreshments were served to bring the pleasant evening to a close.

Immunization against diphtheria, whooping cough, and tetanus (lockjaw) and vaccination against smallpox will be offered to infants and pre-school children at Maple Clinic on Thursday, January 7 from 1:30 to 4 p.m.

Sympathy is extended from the community to Mrs. Leo Gudat on the sudden passing of her mother, Mrs. Agnes Wilson, who died on Friday, December 18, at the Gudat home.

**Food Rebel**

A daily program of argument over foods the children dislike and refuse to eat develops feeding problems that are harmful both to mother and children. Often, a little camouflage works wonders and rejected meat or vegetable, if changed in appearance, will be accepted. Some vegetables can be served with a tasty sauce; grated and served raw, they may take on a new identity that will remove them from the children's black list.

**W.A.**

Headford W. A. held its annual meeting, Tuesday evening, December 8, at the home of Mrs. Stewart Rumble, with most of its members present. Reports of the recording secretary, treasurer, visiting committee, and the Victor Home were given and accepted. Mrs. Huston conducted the installation of the new officers, who were elected without exception on the recommendation of the nominating committee. The topic for the meeting was the recording of Dr. James Robinson's memorable address, "New frontiers in Missions," delivered earlier in the year at Emmanuel College, Toronto. Dr. Robinson is the founder and minister of the Church of the Master in New York City. As a coloured minister he had easy access to many places in the East, denied to white missionaries, and his address was filled with facts of and pleas for, those people of Asia, who, having seen in the Gospel tidings a ray of hope, are eager for enlightenment. Asia he says, is the land of tomorrow, and tomorrow is today if we are to combat Communism; although he thinks too many feel if we could get rid of it, we would solve all problems. But there will still be more basic problems — sin, disease, ignorance — even after Communism is dead. These things present the New Frontiers.

The hostess served lunch at the close of the meeting.

Several ladies of the community met at the home of Mrs. N. Brodie Thursday evening to pack treats for the children at the concert on the following evening.

**Christmas Concert**  
 Very mild weather prevailed on Friday evening for Headford Sunday school concert and Christmas tree. A fine program had been prepared, featuring group singing by the children, carols by each of the several classes. A splendid film-strip depicting Christmas in other lands brought the new projector into use, and of course the visit from Santa Claus was the highlight of the evening for the children.

**Choir News**  
 The members of the Headford Choir met at the home of the Brodies on Saturday evening to present their very hard working leader, Mrs. Stewart Rumble, with a Friendship quilt, in the Dresden Plate design, made by the choir members themselves. The party also celebrated the 30th anniversary of Mr. and Mrs. Norman Brodie.

The Simpson family paid a brief visit over the week-end to their former home near Peterboro leaving on Saturday morning and returning on Sunday afternoon.

**White Gift Sunday**  
 We hear many injunctions to put Christ back into Christmas, but no one attending the White Gift service at Headford on Sunday morning would have doubted His presence. The choir, composed entirely of the children rendered two anthems. Rev. Huston told how Christmas is celebrated in various European countries, being especially to our attention the part of the father of the family in conducting services of prayer. He also noted the fact that the Christmas bounty extended even to the animals in the barn, who received extra and more choice feed on that day.

The children brought up their gifts wrapped in white and laid them near the tree at the front of the Church. Then they sang together the dedication, "What shall I give Him, poor as I am? If I were a shepherd, I'd bring Him a lamb; If I were a wise man I'd do my part, Yet what can I give Him? I give my heart."

The gifts will go to brighten Christmas at the Fred Victor Mission.

Our church on Sunday was beautifully decorated with a basket of mums, snapdragons and roses. They had been presented by Don Brodie to his parents to mark their anniversary, and they were kind enough to share them with the community. Charlie Baker also had a replica of the stable and manger scene, made by himself in the Church.

**Your Turkey Cooked To Perfection**

This Christmas day use aluminum foilwrap and eliminate a lot of the work in cooking the turkey. While you enjoy yourself around the tree with the family, aluminum foilwrap will roast and baste the turkey to perfection and, at the same time, will prevent dryness and burned skin. Aluminum foilwrap seals in all the flavor and goodness of the turkey and reduces shrinkage.

Here are the directions for cooking the Christmas turkey in aluminum foilwrap:

Wash, stuff and truss the bird, rub with fat and season. Then wrap the turkey completely in the aluminum foilwrap. If necessary, join two or more sheets of the foilwrap together to make a sheet of sufficient size. Do not puncture the foil. Place turkey, breast up, on a rack in an open roaster and cook in oven preheated to 400 degrees. For best results use these cooking times:

- 7 to 9 lbs., allow 2 1/2 to 3 hours cooking time.
- 10 to 14 lbs., allow 3 to 3 1/2 hours cooking time.
- 15 to 18 lbs., allow 4 to 4 1/2 hours cooking time.

For the final 45 minutes of cooking time, fold back the aluminum foilwrap and allow the turkey to brown. Pour the accumulated juices into the roaster and make the gravy in your usual way.

**A PROSPEROUS NEW YEAR**

"Merry Christmas" comes easy to the tongue of all of us this time of the year. However, to say, and mean it must come from a feeling not born of the Season, but of one's associations throughout the years. It is in this spirit that we wish our friends a very joyous Yuletide and a successful New Year.
