New Business
Buchanan Appliances' a new business in Oak Ridges, owned and operated by Bob Buchanan. Bob Buchanan's extensive experience in all lines of electrical appliances is a big boon to all Oak Ridges. Television in particular has been Bob's line for seven years from the first TV's with their 7 1/2 inch screen. In Toronto Bob has worked in the manufacturing of TV for two years, been with Robert Simpson Company in the television department and managed two different appliance businesses.

In his present situation Buchanan's Appliances carries a complete line of stoves, refrigerators, radios, television, etc., and now is installing a camera department including such things as supplies for movie cameras. Mr. Buchanan will also be installing a record department soon. He has now a small line of records.

Lions
Members of the Lions Club entertained wives and guests on Monday evening, February 22, at Ladies Night at the Ridge Inn.

A toast to the ladies was given by Jack Blyth. The evening started with a lovely roast beef dinner followed by games and dancing. The first game started while everyone was in the dining room. There was a clock wrapped in a box and was passed around. Anyone caught holding the box was fined. However the person who was holding the clock when the alarm went off won a prize. The winner was Mrs. Walter Geary. The second game was guessing the identity of persons in a group of baby pictures. The pictures were all of Lions members and their wives. There were 34 pictures in all. Terry Farquharson and Jack Blyth won this contest.

Another game which was lots of fun was Tell a Tale. In this game everyone added a line to the story started by Helen Woolley on a large piece of paper. After each line was added, the paper was folded over so that no one knows how the story will read. After the paper went all round the room, Betty Farquharson read to everyone the very humorous story.

Winners of the Spot Dance were Mrs. Wm. Tucker dancing with Lion E. C. Hawman. Lion Jim Farquharson proposed a toast to the committee that had planned the evening, Betty and Ken Farquharson, Helen and Tim Woolley, Helen and Ernie Clark.
