**Suffer Loss**  
We were sorry to hear that the Hutchinson Baby, 12 Highland Park Blvd., passed away on Thursday evening, April 29th after a long and hard fight in the hospital for Sick Children. We offer our sincere sympathy to her parents and brothers.

**Clothing for Koreans**  
Mrs. Meuser, 34 Woodward Ave., sends this message to the ladies of our community. Those gifts of used clothing for the needy Koreans are still coming in. - clothing that's clean, mended, wearable and sometimes even dainty and beautiful; - and all as welcome as the sunshine. How those "wonderful folk" (as Anne Davison, who works among them, calls them,) are going to enjoy those garments, baby blankets, etc. Eight goodly-sized cartons have already gone down to the Overseas Relief Depot 100 Simcoe St. and three parcels are being mailed for quicker delivery to three missionaries on the spot in Korea.

If and when you have more to send in, be assured your gifts will be forwarded without delay. The giving of what we can spare to those whose need is so desperate, a giving shared by the boys and girls who sometimes carry the bundles to me, is truly a significant source of joy and satisfaction.

**Square Dance**  
Hope everyone is all set to go Square Dancing at Henderson Ave., on Monday, May 10th when the ladies of Highland Park Ass'n are taking over after a brief business meeting to see that all have a night of fun.

**Happy Birthday**  
Richard Butler, 22 Grandview Ave., celebrated his third birthday on Tuesday April 27th, when several of the toddlers joined him in a grand party. Everyone had fun and plenty of goodies, and no one cared about supper that night. We were sorry to hear that Richard was sick the next day and that it turned out to be more than such after effects of party. How ever after the wonderful miracle drug penicillin he is up and around again and can enjoy his birthday presents.

**Scouts**  
On Thursday, April 29, an impressive ceremony took place at the Scout meeting when scouter Dean Reynolds invested five new scouts into the pack, on completion of their many tests to become tenderfoot scouts. Scouter and the various members of the group committee conducted the investment and the proud boys who received their neckerchiefs, badges, and hats were, Sam Mc-

Kinley, Jim McKinley, Jimmy Prole, Richard Moddershaw Harold Sanders. Several parents were present to see the investment and after, Mrs. Hodgins had all the boys and parents back home for refreshments which were thoroughly enjoyed and appreciated.

**Powell Rd. Home and School**  
On Monday, April 26th Powell Rd., Home and School held its regular monthly meeting at the school with W. L. Sanders in the chair. The attendance was rather poor, owing to sickness, and other engagements, but those present enjoyed a very good film entitled "The Fourth R" which dealt with Religious instruction in schools to-day. Two very lovely solos were sung by Mrs. Betty Gordon, accompanied at the piano by Mrs. Pirie, organist for Newtonbrook United Church. Mrs. Gordon lives on Woodward Ave., and is a member of Newtonbrook choir and sang "I Heard the Forest Chiming and I Was the Cross, both very suitable to the meeting. The grade prize was divided between Mrs. McIntosh and Mrs. Hill who both had equal points for attendance. Refreshments were provided by the grade 7 and 8 mothers and prepared by Mrs. A. Stagg and enjoyed by all. Anyone who hasn't provided this term and would care to for the May meeting could contact the correspondent.

The Henderson Ave., Home and School held its regular April meeting on Wednesday 28th at the school with the president C. Armstrong in the chair. Two very interesting films on swimming were shown and enjoyed by the forty odd parents attending. The grade prize, went to Mrs. Lemons class who had the greatest percentage of parents present. Several names were presented for officers for the coming season and they will be installed at the May meeting. Refreshments were served by Mrs. Weir and committee and provided by grade 2 parents.

**EAT ALONE AND LIKE IT**  
Anyone who lives alone and has to prepare his or her own meals often comes to regard the meal as an unimportant matter to be skipped or hurried over. However, making one's own meals can be a very interesting experience, a prelude to enjoy ment. It can be fun planning a meal, shopping economically for the items and then preparing, cooking and serving them attractively, as if for very special "company". It really pays dividends in health to eat balanced meals that are well chosen and carefully cooked.
