

# Thornhill And District News

The Liberal is always pleased to publish items of interest contributed by its readers in the Thornhill area. Our representative in Thornhill is Mrs. R. E. Fitzgerald, 20 Colborne St., Thornhill. TELEPHONE AV. 5-1571.

### Trustee's Meeting

The regular monthly meeting of Thornhill Village Trustees will be held on Wednesday evening, May 27, in Thornhill Public Library, at 8.15.

### Landmark Disappears

To make way for the new shopping centre, the old green clapboard farmhouse on the west side of Yonge St., below Steele's Ave. was demolished last week. This property had belonged to Jacob Munshaw and his descendants since 1815 though it had not been occupied by members of the family for some time prior to being sold to J. Franceschini a few years ago. It is said that when the Indians made annual trips down Yonge St. to collect their bounty Jacob Munshaw's farm was one of their favorite stopping places.

### Good News For Swimmers

The Thornhill Swimming Pool will re-open on May 22. Hours until the middle of June will be from 4 to 6 p.m.

### Mr. F. J. May will be in charge as manager, and Mrs. S. S. Warren as chief swimming instructor.

### Guests At Refinery Opening

Mr. and Mrs. C. Grant Gibson, Thornbank Rd., were among the guests on the special train to the opening of the new Sun Oil refinery at Sarnia last Saturday.

### Living In Toronto

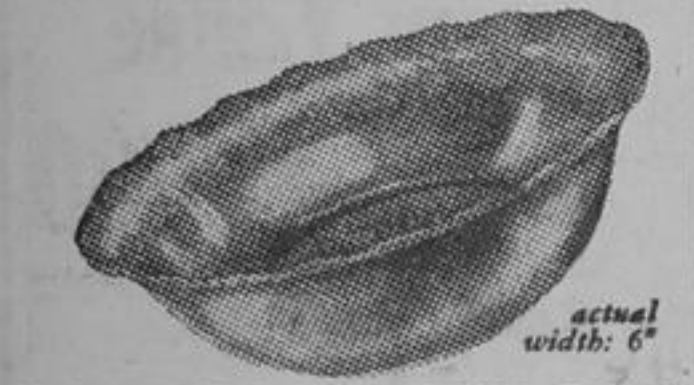

Mr. and Mrs. Thomas Perry, who were married by the Rev. Dr. E. E. Kent at a pretty ceremony in Thornhill United Church on April 3, have returned from their honeymoon in New York, and are now settled in their house in Toronto.

### Mrs. Perry was formerly Maxine Jamieson, daughter of Mr. and Mrs. A. C. Jamieson, Centre St.

### Position For Summer

Miss Jean Lak, daughter of Mr. and Mrs. Harry Lak, John St., has left for Fort Frances, Ont., where she has taken a position with the Ontario Travel and Information Bureau. She will be a receptionist in the Government booth on the border between Fort Frances and International Falls, Minn. In the autumn Jean will return to take her fourth year

### FREE PYREX BOWL

### Prize Winner

Mr. Earl Richards has been winning more prizes with his Dutch rabbits. At the recent National Dutch Rabbit Show in Detroit, his steel doe was best in her class, and his steel buck also took top honors in the senior class. There were over 450 exhibitors from across the United States and Canada.

Mr. Richards has had experience in looking after rabbits and pigeons since 1936, and has made breeding, and exhibiting for himself, a hobby since 1946. He first bred Angoras, changing to Dutch rabbits in 1949. New secretary of the Dutch Rabbit Fanciers of Canada, he is also a member of the American Dutch Rabbit Club, the American Rabbit Breeders Ass'n and the Dominion Rabbit and Cavy Breeders Ass'n.

The latter club are holding a show in Woodbridge on Saturday May 22. Incidentally Mr. Richards' roots go back to the very earliest days of Thornhill. He is a descendant of Jeremiah Atkinson, builder of the first mills in the hollow, and of John Lyons the first owner of the mills. Jeremiah Atkinson is buried in the little cemetery, and Methodist Church was given by John Lyons' widow. The Church was later moved down the hill to Centre St.

Earl Richards' grandfather Henry Richards taught at the Langstaff School for some years, and also operated the Langstaff toll gate. Both his father and grandfather were, for long terms, sextons at Trinity Anglican Garden Tours.

The Thornhill and District Horticultural Society hopes to begin Garden Tours this summer. There are some delightful gardens in, and around the village. It would be nice to have an opportunity to enjoy their beauty, and stimulation to see what neighbours have accomplished.

One of these pleasant evenings, it is also well worth while strolling, or driving past some of the new houses. Their gardens may not have reached the exhibition stage yet, but it is amazing to see what strides the owners have made in landscaping lots, which were formerly farmland, with lawns, hedges, trees and flowers. Most of them are young people who could not have had a great deal of previous experience in gardening, and the pride which they are showing in the appearance of their homes augurs well for the future of the village.

Very Successful Dance Recitals Trinity Church hall was tightly packed on both Wednesday and Friday evenings of last week for the second annual Recitals of the Thornhill School of Dancing.

"Once Around the Calendar" was the title of the program, which opened with a sprightly tap dance by Helen Fraser, representing the departing year, and continued on through a number of lively, and colorful dances depicting seasonal events, to a Christmas scene, in which Catherine Wood, and Penny Anne Stride performed an amusing Mr.

and Mrs. Santa Claus duo. Excellent solos were given by tiny Gall McCrea, a fairy-like new year in a white ballet costume, by Jane Simpson, as "The Rose", by Carol Evans, as "The Teacher", and by Nora Wood as "The First Snowflake".

Others taking special parts were Marion Davis, Betty Vautier, and Penny Anne Stride in "Rustle of Spring", Shaaron Lewis, and Margaret Lemon as "The Winds"; Susan Ball, and Dianne Hall as "The Two Children"; and Joan Gibson and Beverley Byford in "Jack in the Box". We regret that space does not permit mention of all 88 young participants whose taps, tigs, and ballet dancing helped to make the evening a very enjoyable one. The wonderful costumes designed by Lilly Austin, Kay Biggs, and Helen Higgs, were worthy of a professional production, and also added greatly to the general pleasure.

Linda L'Aventure was the pianist, and others contributing to the success of the recital were as musical director, Mrs. C. F. Sowden, Mrs. F. J. Maw and Eleanor Bissett who looked after the make-up, Frank Baxter who was in charge of the lighting and the Footlights Club who loaned stage properties.

Two Willowdale youths received a shaking up when they were in which they were driving on Centre St. last Friday night swerved in to a tree and came to a stop with its rear end in the air. The car was badly damaged and nearby residents expressed surprise that the boys escaped severe injuries.

Ballet Students to Dance May 28 The third annual recital by the pupils of Doris Pollock, teacher of Ballet, will be an interesting event of Friday evening, May 28 in Trinity Church hall. About thirty-five students from Thornhill and the surrounding district will be taking part in the program, which will include four new ballets with choreography by Doris Pollock, and several solos. The dancers will range in age from four to sixteen years.

During the evening the winner of the Scholarship - a year's free tuition by Doris Pollock - and the two winners of the Scrapbook competition will be announced. The scholarship is open to the Senior students who will be judged for basic work and technique by Boris Volkoff.

The scrapbooks, compiled by the Intermediate students, and covering their year's work in ballet, will be judged this year, as last, by Bernadette Carpenter of the Bernadette Carpenter Shoppe.

Doris Pollock who lives in Highland Park, studied with Boris Volkoff, Dimitri Valdimiroff, S. Richener Smith, Professor Downing, Luigi Albertini in New York, and Bettina Byers of the Royal Academy of Dancing. She and her husband E. W. Pollock used to dance professionally as partners, and later opened a Ballet school in Toronto. Her husband now plays her accompaniments.

Mr. and Mrs. Pollock have five children, Grandview Ave., for the past 4 years, and have two children, Diana and David.

Want To Preserve Historical Objects Miss Anna P. Lewis, Department of Agriculture, and Mrs. Agnew, president of the Edgeley Women's Institute, visited Mrs. R. F. Neil, in her charming log home on John St., last Saturday.

The three women discussed the possibility of establishing a central museum, and also local museums, in which to gather and exhibit historical early Canadian relics. There is sure to be some interesting outcome from this talk.

Luncheon on June 3 Mrs. E. Lean gave an excellent report on the meetings of the Diocesan W.A. which she had attended in Toronto, at the last meeting for the season, of Trinity Church W.A. on Thursday, May 13.

Mrs. R. Healey presided, and final plans for the luncheon on June 3 in Trinity Church hall, were made. The W.A. will cater for 140 feeling that good food, nicely served, plus entertainment, will attract many women and their friends. Tickets may be obtained from W. A. members.

The hostesses for the afternoon were Mrs. Post, Mrs. Herbinson and Mrs. Bruce Ross.

To Buy Double Sink During the business session which followed a cup and saucer party held at the United Church Ladies' Guild meeting May 13, the ladies voted to instal a new double sink in the church kitchen.

The devotional period was conducted by Mrs. Laura Giles and Mrs. Gracey Buckler who took as their theme, "Our Lord The Good Shepherd."

Garbage Collection The Semi-Annual garbage collection for Thornhill will be on Tuesday, May 25. This collection is for tins, bottles and other refuse, not able to be burned.

Baptism William Peter Priestman, son of Mr. and Mrs. Robert E. Priestman, Highland Park, was baptized by the Rev. S. A. R. Wood in Trinity Anglican Church on Sunday afternoon, May 16.

Rev. E. E. Kent, minister of the United Church of Canada to meet at Sackville, New Brunswick, in the Fall. He was elected by Toronto Centre Presbytery at their meeting Tuesday morning at North Lea United Church, Toronto. Dr. Kent is Chairman of Toronto Centre Presbytery.

### \$30,000 Donation Started Ball Rolling

## History Of Thornhill Pool Reviewed District Lions Canvassed Each Home

by Dave Booth

In the last three years many new residents have come to the Thornhill Area, and a great many of these people have visited the swimming pool in Thornhill Park. Have they ever stopped to think how this pool was started, and by whom, and why? To refresh the memories of our older residents, and to bring our new residents up-to-date, here is the story of "Our Swimming Pool."

In May 1948 Gordon Leitch approached Rev. Shirley Wood, Minister of Trinity Anglican Church, Thornhill, with regard to building a pool in the Thornhill Area. Mr. Leitch was willing to contribute \$30,000 to start the ball rolling providing there was an active organization which would undertake to raise the additional money required. Rev. Wood approached Thornhill Lions Club, and they accepted the challenge with enthusiasm.

It was not until November 1948 that permission for a pool was granted by Vaughan Township Council. They stipulated that a committee be formed, known as the Vaughan Township Recreational Committee, and this committee was given permission to receive grants and donations for a swimming pool to be erected in Thornhill Park.

Form Community Centre. Committee In April 1949 the Community Centre Committee was formed (this committee operated under

an advertisement) and was given authority to let contracts, supervise the work of building the pool, and handle all money.

Thornhill District Lions Club canvassed every home in the district and raised \$73,000. They also approached certain people outside the district. They later held a car raffle at the Canadian National Exhibition, and the club realized approximately \$20,000 from this venture. In the year 1949 the Lions Club raised \$73,000 and this was made possible only through the very generous donations from Gordon Leitch, C. L. Burton and the late George McCullagh. Many hours of free time and materials were given by the business men of the village which helped keep down the cost of the pool.

The pool and building cost approximately \$100,000. The main pool is 100 by 50 feet and the wading pool is 50 by 30 feet. The water is continuously filtered, chlorinated and replenished. Heated showers are provided and are compulsory before entering the pool, which opens on or about May 20 and closes about September 15. During that period there is a competent staff in attendance at all times. During July and August, in the mornings, there is free swimming instruction for the school children in the area, and there are approximately 700 children who take advantage of this tuition. Another important use for the pool is to provide an adequate reservoir of water for fire fighting.

Opened by Lieut.-Governor The pool and building were completed in the Fall of 1942, and officially opened June 16, 1950 by the Lieutenant-Governor, the Hon. Ray Lawson who praised the community spirit of the residents of Thornhill, and of those who took a leading role in raising of the funds. Major Joe Cardy, Chaplain of the Forces, dedicated the pool to the memory of the fallen of the two world wars in a simple moving ceremony. Past President Tom Jackson formally presented the pool to the village of Thornhill on behalf of the Lions Club, and it was accepted by Bill Anstey, Chairman of the village trustees. The Women's Institute of Thornhill donated two stone war memorials (designed by a local artist) which were unveiled, and now stand in the portals of the main entrance to the building. Following the official ceremonies, members of

TV went through some pretty hectic, and amusing, stages on its way to the top. Some friends of mine have broken TV's history into four distinct eras — and maybe someday they'll be in the school books.

First of all there was the era of the "perplexed promotion man" the period of phenomenal growth, when one of them said: "The trouble with TV is we can't lie about it fast enough to keep up with the truth."

Then came the "Pitchman in the Parlor" period when advertisers through TV could sell anything and the commercials went on, and on, and on. The only entertainment was antique movie amateur plays, roller derbies and fourth-rate wrestling.

Then came a period of disillusionment, known in the trade as "the great water pressure hoax." A water commissioner said he could tell when the best TV programs were on because water pressure shot up. Nobody was using a tap.

And now, I think we're in the period of budget troubles. One advertiser recently signed a TV contract involving \$8,000,000. It's the viewer who is gaining, of course, as programs get better and the commercials that pay for the lavish productions get more tasteful and easier to take. PHILIPS receiving sets have been keeping pace, to make sure your reception matches the care that goes into the production of a TV program. The new, long-reach, clear-toned PHILIPS are at BLACKBURN'S APPLIANCE & SALES, Thornhill.

At York, gold medals were won by Sharon Kerrigan, Susan Keachie, Donna Graham, Judy Deltor, John Graham, Gordon Crutcher, Joyce Perkins, Harold Gribble and John Perkins. Silver medals went to Bruce Payne, Donna Graham, Sharon Kerrigan, Eileen Dykes, Gordon Crutcher and Joyce Perkins.

Those reaching third place were Ann Ward, Judy Deltor, John Perkins, Catherine Lees, Lois Perkins and June Ross. Also, two of Miss Boyle's pupils Joyce Perkins and Gordon Crutcher were awarded scholarships at York.

FRASERDALE FARMS Jack Fraser, Fraserdale Farms, Concord, received a Silver and Seal Certificate for the lifetime production of his Guernsey cow, Cairnpat Majesty's Emma, a "Good plus" cow who in seven lactations has produced 71,315 lbs. milk and 3,670 lbs. of fat, for an average production of 10,188 lbs. milk and 524 lbs. fat. Her best record is 14,600 lbs. milk and 729 lbs. fat made as a 7-year old on three times a day milking.

Want To Preserve Historical Objects Miss Anna P. Lewis, Department of Agriculture, and Mrs. Agnew, president of the Edgeley Women's Institute, visited Mrs. R. F. Neil, in her charming log home on John St., last Saturday.

The three women discussed the possibility of establishing a central museum, and also local museums, in which to gather and exhibit historical early Canadian relics. There is sure to be some interesting outcome from this talk.

Luncheon on June 3 Mrs. E. Lean gave an excellent report on the meetings of the Diocesan W.A. which she had attended in Toronto, at the last meeting for the season, of Trinity Church W.A. on Thursday, May 13.

### Jr. W.I. Hears Talk On Care Of Roses

The regular monthly meeting of the Langstaff Junior Women's Institute was held at the home of Mrs. R. Morris with 11 members and one guest answering the roll call "A Spring Song or Poem."

The president, Mrs. K. Morris, called the meeting to order with the singing of the Ode and repeating of the creed. An interesting talk on the care of roses was given by Miss K. McKinley and a quiz was won by Mrs. O. Boyce and Miss J. Cooke.

Refreshments were served by K. Morris, P. Morris and J. Suter.

The weather may be a little unseasonable, but it's always Spring with a "Springfield"

It plows and discs, and cuts the lawn. It mows the hay or cleans the corn. It sows the wood, and draws it too. It grades the lane and plows the snow.

We have mentioned but a few of the many things "Springfield" will do.

Why not come in to our store on Yonge Street, and see this versatile machine today.
