TEMPERANCEVILLE NEWS

CORRESPONDENT: MRS. ED. PAXTON, R. R. 3, KING
Phone TU. 4-3059

The May meeting of the Temperanceville W.I. was held at the home of Mrs. Nelson Thompson on May 12. The roll call "A basic difference in people" was replied to by both institutes and noticeable characteristic differences in people's personalities. During the business period it was decided that the W.I. would have a display of hobbies at the Aurora Horse Show. A trip to Hamilton is being planned on June 2. Anyone wishing to take this trip contact Mrs. Everett Phillips or Mrs. Nelson Thompson. Those canvassing for the Red Shield campaign collected \$100.00 for this fund.

Mrs. Howard Clark was nominated honorary president and was the only great grandmother present at this grandmother's meeting.

Mrs. Fish of Aurora spoke of her very great respect for the W.I. The speaker spoke of comic books and the influence they have on children, the speaker suggested that this might be a project for future action. The Council of Women is already protesting the covers of these and other literature and with the great influence of a group of women much would be accomplished in this regard. Mrs. Fish spoke of a housewife whose interest in another, a Russian who was to be returned to Russia against her will, said "If it isn't our business whose business is it?" She felt she must do something about injustice and started a train of events which led to the release of the Russian woman.

Emily Murphy who lives at Churchhill, was the instigator of court proceedings which passed the legislation enabling Canadian women to become members of the Senate. We now have four women in the Senate.
Mrs. Charles Henshaw thanked Mrs. Fish for her inspiring words.
The very lovely solo, "Mother Machree" was sung by Mrs. Fred Boys. Mrs. Fred Hare was her accompanist.
With Mrs. Fred Hare conducting the auction sale, a number of articles chiefly aprons, brought proceeds amounting to \$20.00. The sale was fun and proved to be a very easy way in which to boost our funds. Our appreciation to all who donated and purchased articles.
A very delicious lunch was served by Mrs. Charles Henshaw, Mrs. Norman Rumble and Mrs. W. Jennings.
