**LANGSTAFF NEWS**

CORRESPONDENT: MRS. M. J. ROY  
Phone Avenue 5-2496

The Liberal is very pleased to announce the appointment of Mrs. Mel Roy as our new representative in Langstaff. In order that we may give your district complete news coverage kindly forward all news and items of local interest to Mrs. Roy.

Mrs. A. T. Mathews, Stonehaven is in Toronto Western Hospital recuperating from a recent operation.

Billy Townsend received a broken wrist when a truck covering with which he and his chums were playing toppled over on him. Before the break could be set, Billy came down with scarlet fever. He has recovered sufficiently to have the break set, and will have his arm in a cast for several weeks. Billy's sister, Dorothy has scarlet fever also.

George Clayton, No. 7 East, is confined to bed with pleurisy and lumbago.

**School News**  
Those who attended the recent Movie Night will be glad to hear the sum raised was \$23.00. This money is to be used to buy crests for baseball sweaters, and any balance for other sport equipment.

Principal Robert Everist wishes to thank all parents who brought their children to the Pre-School Round Up, May 21. The staff anticipated a registration of 25 but the final number was 40. This is an indication of the rapid growth of the community.

Friday morning Assembly for the entire school has become a regular occurrence during recent months. The programs are planned and conducted in turn by all grades. Students take part as announcers, by reading scripture lessons or Bible stories, and in special solo or group musical numbers. Grade One was in charge of Assembly last Friday and several selections were played by the Rhythm Band.

This year's graduates are to be the guests of the Home and School Association at a banquet to be held on June 11. Presentation of graduation pins and other awards will be made. This is a new venture and will take the place of the Commencement exercises held in the fall of previous years. A full report on the banquet and names of graduates will be in a later issue of the paper.

*"Did Mummy ask you to sweep the floor?"*

"No, Marie, she didn't. But I always sweep up whenever I've finished a job, just like you help your Mummy by keeping your room tidy and always putting away your toys when you're through with them..."

Making just that little extra effort is part of the telephone job. Bell people everywhere go out of their way to be orderly, courteous, obliging. You can see in the way they work they're glad to be of service!"

It all adds up to better telephone service—service that keeps on giving more and more value to the user.
