Bus Trip
Wednesday, June 2, 33 members of Temperanceville W. I. enjoyed a bus trip to Hamilton. The first stop was at Stoney Creek Battlefield, 1812, and the Balch House, 1795. These historic sites were of great interest to the group.

The next stop was at the plaque bearing the inscription "Site of Squire's Hall, Stoney Creek, where was formed the First Women's Institute in the World 1897."

The group stopped in Hamilton for lunch and sight-seeing. The famous Hamilton Rock Gardens were next visited. Everyone thoroughly enjoyed leisurely wandering through the paths and becoming familiar with the names of many of the plants and shrubs used.

Copeland's Violet House was the next stop. This visit was of special interest to the African Violet raisers. These houses, filled with hundreds of beautiful flowering plants, are situated in a lovely woodland on Mills Rd.

Mission Band
In the absence of Mrs. Wm. Turner, Mrs. Stella Paxton assisted the Mission Band with their meeting on Saturday, June 5. It was decided if the weather is fine, the group will go on a short hike or picnic on June 19.

Miss Sheila Cunningham read a Bible story about Naaman being cured of leprosy. The group was in prayer by Mrs. Paxton. The program included: A story by Audrey Herrima; a poem by Roberta Morris, a solo by Evelyn Yocum, a story by Donna Jennings, a piano solo by Patsy Macklin, and a tongue twister by Evelyn Yocum. The children then played games after which they enjoyed the cookies supplied by Mrs. W. Faulkner.

Personals
Miss Marion Yocum took part in the Guide display at the entertainment night held June 8 at Oak Ridges school.

Little Marion Simpson took part in the dance "Soldiers" given as part of the entertainment on the same evening.

Mrs. Maurice Beynon had as her guest this week, Mrs. Bert Cullin of Toronto.

Mr. and Mrs. Nelson Thompson and Billy spent Sunday visiting Mr. and Mrs. Chas. Thompson of Weston.

York County Guernseys Bring High Prices In American Sale

The high standard of excellence of Guernsey cattle in York County was revealed recently at the McDonald Farm Sale held at Cortland, New York. The sale is considered to be one of the outstanding annual events in Guernsey cattle circles since only cattle of outstanding quality are accepted as consignments.

Ernest Crossland of Crossland Farms, Newmarket, received \$3800.00 each for two cows sired by his former herd sire, Foremost Royal Design. The two cows, Crossland Foremost Donna and Crossland Foremost Daffodil, both of which are graded Excellent in selective registration, are full sisters and established an outstanding record in the showing last fall.

Maplewood Farms owned by Mr. J. S. Glen, Maple, received \$2500.00 for a daughter of Way Acres Levity Sherry, a cow which is rated as one of the outstanding Guernsey cows in North America and who last year made a world's championship record for production as a four year old, of 17,980 lbs. of milk and 821 lbs. of fat in 305 days on twice a day milking.

Fraserdale Farms of Concord received \$1750.00 for a Senior Yearling daughter of Kenyer's Harp Ideal Sheila, Grand Champion at the 1952 Royal Winter Fair and producer of 14,276 lbs. of milk and 731 lbs. of butter fat as a two-year old.

Of the 44 trading countries in the world, 31 collect a higher percentage of tariff duties than does Canada.

NO. 5 IN A SERIES . . . YOUR HYDRO AT WORK FOR YOU AND YOURS

YOUR HYDRO Safeguards Ontario's Airlines

Today . . . tonight, airplanes wing their way along the air lanes of Ontario, guided surely on their course by beams of electrical waves. A dependable supply of low-cost electric power has been a major factor in making air transportation in Ontario, safe and economically sound. Electricity supplied by Ontario Hydro powers all major installations in the Province's airports.

It operates the transmitters that bring last-minute weather reports, the radar and direction finding equipment that enables the crew to "see in the dark", and the modern, airport signal and guide lighting that has helped to reduce hazards to a minimum. It is another example of . . .
