Gough-Hooper Nuptials

The wedding party is seen on the steps of Brown's Corners United Church after the ceremony on July 3 when Ellen Florence Elizabeth, daughter of Mr. and Mrs. Charles Hooper of Buttonville was united in marriage to Mr. Arthur Edward Gough, son of Mr. and Mrs. John Gough of Milliken. The church was decorated with blue and white delphiniums and pink pansies and the service was conducted by the Reverend Austin Houston. The wedding music was played by Mrs. H. English and Miss Joyce Cambridge, soloist was Mrs. Mary Rumney.

Given in accordance with her father, the bride chose a traditional floor length white satin gown with an overskirt of nylon net and lace. Her fingertip veil was caught to a matching headdress and she carried a bouquet of white carnations and red roses. Maid of honour, Miss Dorothy Hooper was gowned in white taffeta with pink overskirt of net while the bridesmaids, Miss Mary Gough and Miss Mary Hooper wore similar gowns of yellow net over taffeta. Miss Patricia Gough, the flower girl, wore white taffeta with a pink net overskirt. The ring bearer was Charles Hooper Jr.

On Sunday of last week the Brodie family entertained friends from Erin.

S.S. No. 3 Markham wound up its school year with its Annual Picnic in the school grounds. There were races and the usual fun, and the retiring teacher, Miss Pat Hardy, was presented with a tray on behalf of the Home and School Association. Mr. and Mrs. Kal Vizely, who were both active workers in school affairs when they resided in our community, were back for the occasion. The new teacher is Miss Morgan, who already has a brief acquaintance with the pupils, having been a student teacher here.

Mrs. Spenceley had a brief visit with Mrs. Wm. Wellman one day last week.

Lorraine and Murray Acreman and Mr. and Mrs. Hal Acreman visited at the home of Mr. and Mrs. Bill Acreman (Ruby Hyslop) near Omeme on the holiday.

Miss Janet Foster and Russelline Gray were visitors with Lorraine Acreman on Friday and Saturday last week and on Sunday the Murray Acreman's drove Janet and her mother back to their home in Hamilton.

Sunday was Summer Communion Service in Headford Church, and in addition there was a reception service for Mr. Merrill Johnson, Anne Curtis, Elisabeth Barker and Elizabeth Coulter, who joined the church on profession of faith.

It was Canada Day in Sunday School also, with the national theme and the missionary spirit skilfully blended by Mrs. Freeman Barker, our Missionary Convener. There were some very interesting film strips on the West, with the Scripture reading prayers and poems all tying in with the subject.

Sharon Comisky has been spending a few days with her cousin, Mrs. Merrill Johnson, coming with them to Headford picnic on Monday afternoon at Woodland Park. A bus load left the church at two o'clock, and they were a happy crowd. Although the afternoon was a bit cool, the youngsters enjoyed the water. A ball game preceded supper at 5:30, when a few others, unable to come earlier, joined the crowd. Races and games followed, with some novelties in this line. We found out which lady has the best lungs for calling her husband for supper.

The sports committee is to be congratulated. At 8:30 the bus brought home a tired but happy crowd, and in the opinion of your correspondent it was the nicest picnic for quite a few years. There were 65 present, including Barbara Currie of Richmond Hill, guest of Margaret Brodie.

Sunday School Picnic
 Reports coming in from the Sunday School picnic were excellent. Good day! Good swimming! Good food! Good fun and games! Mr. Ross Hord and Mr. McTavish did a very good job on the races, we hear.

Piano Recital
 Prior to the beginning of the annual recital of the pupils of Mrs. S. English, Mrs. English,

wearing a corsage which was the gift of two of her pupils, extended a welcome to the parents and guests present.

Almost 30 children performed and there were piano solos, duets, vocal solos, duets and recitations to delight everyone. The participants were David Barker, Marjorie Barber, Margaret Champion, Jacqueline Johnston, Judy Hord, Janice Farquharson, Cynthia Easton, Sheila Wilcox, Harry Barber, Eleanor McKinney, John Rodick, Lynn Arnott, John Gee, Sandra Burr, Jimmie Hood, Betty Patterson, Janet Oakes, Judy Wilcox, Margaret Patterson, Joy Fuller, Diane Nelson, Patsy Walters, Betty Huston, Gail Steffler, Irene Walters and Nancy Brown.

At the end of the programme tea was served in the church parlors. Assistants were Miss M. Rodick, Mrs. Wm. Rodick, Mrs. Norman Reid, Mrs. Ross Hord, Miss Dorothy Hood, Mrs. Fred Leaf and Mrs. Edgar Fuller.

Shower For Ellen Hooper
 Misses Mary Gough and Margaret Hord were hostesses at a miscellaneous shower for Ellen Hooper prior to her marriage to Ted Gough which took place last Saturday.

Almost 100 guests assembled on the lawn. When Ellen arrived, she and her sister Dorothy, were seated under a tall evergreen, around which the gifts had been piled.

When the last parcel had been unwrapped and admired, the bride to be thanked her well wishers and the hostesses invited everyone to the house where coffee and refreshments were served.

A.O.T.S. Garden Party
 A severe thunder storm accompanied by torrential rains and high winds greeted Garden Party attendees on their arrival at M-H Farms triangle where a fine programme was planned for the evening of Friday, June 25. Combined with the storm was a power failure which rendered the entertainers' tasks almost impossible.

As this was the first of what is hoped will be an annual event, they trust that the old adage "A bad beginning augurs a good ending" will prove true.

91st Birthday
 The guest of honour wore an orchid at the party the Rodick family held to honour Mrs. Robert Rodick on Sunday of last week, when she celebrated her 91st birthday. It was a quiet party at which only the immediate members of the family were present. On Monday as well, Mrs. Rodick received several callers who came to bring best wishes.

NO 6 IN A SERIES... YOUR HYDRO AT WORK FOR YOU AND YOURS
YOUR HYDRO ...key service in a new community
 From 1947 to December, 1953, the number of new dwelling units built in Ontario was 183,515. Each required an average of 1 1/4 kilowatts of electricity, a total of 229,000 kilowatts, or, 307,000 horse-power.
 These homes didn't have to wait for Hydro service. Crews were stringing lines before the homes were completed... Hydro was there, before the door key.
 To meet this demand Ontario Hydro and your local municipal system must plan far into the future. Power projects must be started years before their immediate need arises, so that new homes, new schools, new shopping centres, new municipal services and new industries, all have power when and where required... low-cost power that is the keynote of modern living.
