An Open Statement

TO PROSPECTIVE NEW CAR PURCHASERS CONCERNING 1954 FORD-MONARCH CARS
Believe It or Not
 WE ARE ALMOST OUT OF CARS!

The Reason
 It is even harder for us to believe, because at one time recently we had over 50 Used Cars — and we didn't know what to do with them! When we decided to hold a "Used Car Clearance" (cutting our regular low prices to give even greater values) we didn't anticipate the wonderful public reception we received. However, it further confirms our faith in our belief that "the best way to do business is to give a full dollar's worth of value for a dollar.

The Problem
 Now, WE NEED USED CARS! We have four salesmen we don't want to lose, and they need some Used Cars to sell. Then too, we have our regular Used Car Customers, who look to Little's to furnish them dependable transportation values.

Our Choice
 Yes, we could buy Used Cars. Cars obtained from this source, however, are very difficult to get a "history" on, and we've always been willing to furnish our Used Car prospects with the previous owners.

The Benefit To You
 If you have a clean car to trade in, and are going to be in the market for a New Car in 1954, NOW is the time to trade with us! We need your used car this month. We're ready to give you the biggest dollar's worth of value in Little's long history of values. Right now you are probably driving the Down Payment on a Brand New Ford or Monarch.
