Richmond Hill Will Call Tenders For Office Bldg. To Meet Expansion Needs

Richmond Hill council will prepare specifications and call for tenders for the construction of an addition to the Municipal Building and it is hoped to carry out the work in the very near future. At a special meeting of Council Monday night council approved tentative plans submitted by councillor Wesley Middleton and agreed to proceed with the work of construction as soon as possible.

The new office buliding will be 38 feet wide, and will extend 35 feet from the present building to within seven feet of the sidewalk. It will be of brick construction, one storey and will provide a spacious entrance, general office space and separate offices for the clerk-treasurer and the building inspector.

Councillor Middleton suggested | village for posting bills. Hencethat the building be erected by forth it will be illegal to post any day labour using town workmen bills on any poles in Richmond for part of the work and he claim- Hill. > Councillor Middleton suggested a ban on sound trucks advertising. He said he could see no merit in continuing to allow sound trucks which were a public nuisance blaring around the town. Council took no immediate action but will look into the matter as members were inclined to agree with councillor Middle-

> The contract for the construction of a water main to connect with the Bailey sub-division was let to Marino Construction Co-

mpany at a price of \$5,929. On motion of councillor Jones and Perkins the Planning Board was granted up to \$250 for secretarial help. Deputy-reeve Ken W. Tomlin who represents council on the Planning Board pointed out that the increased work of the Board made the extra help necessary. He said that Planning Board secretary Ross Scrimger had carried on up to the present and had contributed very materially to the very necessary work of town planning. Reeve W. J. Taylor and all members of council joined in paying tribute to the splendid service which is given freely by Mr. Scrimger and other members of the Planning Board.

Following council session Deputy-reeve Tomlin chairman of the Police Commission presided at a AURORA: A new floor costing meeting when council members 11367 as alternate number.

# 60th Anniversary
