**STATEMENT**  
**To The Ratepayers of Richmond Hill**

In connection with the lawsuit of myself against Richmond Hill mentioned in a recent issue of The Liberal, I would like to state the following facts:

I own a valuable piece of property on the east side of Yonge Street, along a branch of the Don, into which the Richmond Hill Sewage Disposal Plant empties. I might say that I have paid the taxes on this property since 1922 and would now like to be able to get some return from it by subdividing it into lots.

In April 1953 I made application to the Township of Markham to subdivide this property, which application was finally refused. I, therefore, asked for a hearing before the Municipal Board, which was granted on the 13th day of April, 1954, and the following is a quotation from the decision of the Board:

"The Board is of the opinion that because of the effect of the creek running through the Plan of the Proposed Subdivision, which creek carries open effluent from the Sewage Disposal Plant of the Village of Richmond Hill, it would be improper for the Board to approve of the Plan at this time."

I might further add that during the years I have owned this property, before the disposal plant operated, I have had tests of the stream taken periodically and the water has always been satisfactory. However, since the Sewage Disposal Plant has been in operation, all tests have shown the water to be polluted.

 Temperanceville W. I. wishes to thank the members, friends and neighbours for their help and generosity in the recent hurricane flood drive when many articles were collected. In order to give the public some idea of the response, here is a brief listing—250 tins of food, large carton of soaps, detergents, etc.; large carton of flour, cereals, etc.; four stoves, 2 beds, mattresses, and pillows; 18 quilts and blankets 20 sheets, etc.; 35 overcoats, 15 large cartons of clothing and \$43 in cash. The above contributions as far as possible, were placed by personal contact.

A number of families in the stricken area were supplied direct and the balance was taken to the Fred Victor Mission in Toronto for later distribution. To all those who aided and for the most generous contributions we say a special "Thank you."

**Choir Party**  
 The Sunday School rooms of Temperanceville church were the meeting place of all the weird creatures on Wed., Oct. 27, when the choir held a costume party. Among those present was a magician Jack Blythe, who entertained the gathering with his many tricks during the first part of the evening. Later those in costume paraded while Mrs. Everett Phillips and Mr. Victor Bond chose the prize winners. Mr. Wood was chosen as the glamour girl of 1954 Temperanceville Halloween. The best disguise was that of Mrs. Fred Roberts, an elderly gentleman. Mrs. Roberta Morris captured the most attractive Halloween costume. For the young fry Susanne Levison, well disguised by a witch costume was chosen best Halloween costume. Little Nancy Jennings was a very attractive bride and Patsy Macklin captured the oddity costume recognition as a TV. After unmasking candy shuffles were held for the children and all little ones were given a balloon. The adults were led in games by Mrs. Victor Wood. Mr. Wood added a musical touch to the entertainment by favouring us with selections on his electric guitar and trombone, much enjoyed by all.

The evening concluded with refreshments of sandwiches and delicious pumpkin pie served by members of the choir. The proceeds amounted to about \$16.00.
