To him, money is of day-to-day concern. Security is his skill and his ability to earn. It is an important ability not only to him, but to our country-for the skilled daily wage earners of Canada are physically responsible for our national progress. His wages are not always enough to enable him to face the many emergencies that face everyone at one time or another. And when that happens, he must borrow.

The present day consumer finance company was developed to answer the needs of men like him. To give the money help he needs in raising his family and sending his children to school.

The Small Loans Act was supported by Household Finance to provide cash loans on a sound and intelligent basis. To supply him with extra money at reasonable rates. It allows him to face emergency and opportunity-without dependence on friends or relatives.

That is how Household Finance has helped millions of Canadians to continue building a stronger, sounder nation. Money When You Need It
