James Giles Weds Irene Clair In Church Of Our Lady Guelph

With Dr. J. A. O'Reilly officiating in the Church of Our Lady at Guelph, the marriage was solemnized recently of Miss Irene Clair, daughter of Mr. and Mrs. John Clair, Guelph, and Mr. James Mervyn Giles, son of Mr. and Mrs. Sydney Giles, of Richmond Hill. Gold and white chrysanthemums were arranged on the altar for the ceremony.

Given in marriage by her father, the bride wore a gown of frost white imported lace over Swiss tulle. The fitted bodice was fashioned with a deep V neckline accented with jewelled motifs, a sheer yoke and long sheath sleeves. Deep lace panels were appliqued on the sweeping tulle skirt. Her fingertip veil of tulle illusion was held by a Juliette cap of lace, rhinestones, in sequins and rhinestones. Her single strand of Tudor pearls was a gift from the groom. She carried a sunburst effect of white pinocchio poms and Stephanotis.

For a wedding trip the couple motored through the Northeastern States, Maritime provinces and Quebec. The bride donned a rosewood suit with box jacket and Persian lamb collar. Her hat was of winter white velour, complemented by navy shoes, handbag and white orchid corsage.

On their return, Mr. and Mrs. Giles will reside in Brantford.

Out-of-town guests attended from Detroit and Flint, Michigan, Hamilton, Toronto, Brantford, Kitchener, Ottawa and Montreal, Quebec.

Realize More Than \$100 From Rummage Sale Flood Clothing

Richmond Hill Women's Institute met on Thursday, November 11, in the school room of the Richmond Hill Church, to remember Day was fittingly observed by two minutes silence followed by an appropriate musical number, "Holy, Holy, Holy," sung by Mrs. C. Duncan and Mrs. Andrew.

Reports were received from the Tea and Apron sale committee and Mrs. J. Pollard reported on the sorting and packing of the clothes given by the people of Richmond Hill and District for those who were forced from their homes by Hurricane Hazel. The sorting and packing was done by members of Richmond Hill Women's Institute. Two truckloads were sent to Bradford and a Rummage sale was held of the surplus which none of the affected areas needed. \$116.50 was realized from this sale and turned over to the Fund.

Mrs. B. Smith and Mrs. G. Fraser are the volunteers for the Child Health Clinic in December. The Roll Call for the December meeting is to be a wrapped gift for a resident at the Home for the Aged at Newmarket.

Teacher Training Class Conducted By Markham Sunday Sch. Association

A very successful Teacher Training class was conducted last week by the Markham Township Sunday School Association in the Sunday School rooms of St. Andrew's United Church at Markham. There were 92 teachers and superintendents registered for the school with an average attendance for the three nights of about 60 pupils. The enrolment was a cross section of the 30 Sunday Schools of the Township with Victoria Square leading the list with 13 students. Other leaders were: Brown's Corners United with 10, Markham United Missionary 9, Stouffville Baptist 8, Headford United 9, Brethren-In-Christ 7, Lutheran 6, Unionville Anglican 6, Dixon Hill United Missionary 4, Ebenezer United 4 and other Township Sunday Schools with smaller numbers.

The teaching staff was, Dr. E. R. McLean taking the course for Superintendents, Rev. D. C. Harry the Adults and Young Peoples course, Miss Adams, B. Sc. the Juniors Teachers course, Miss Daly B.A., A.T.C.M. the Teen-age and Mrs. A. C. Huston the Primary. Dr. McLean, Miss Adams and Miss Daly are from the Ontario Religious Education Council, Rev. D. C. Harry is minister of Christie St. Baptist Church and Mrs. Huston is the wife of the Pastor of the United Missionary Church in Stouffville. E. J. Stiver acted as Principal of the School.

The courses were essentially those of methods to be used in today's Sunday Schools and gave the teachers and superintendents practical information regarding the best teaching practices for the Sunday School. Those attending the School were high in their praise of the splendid presentations of the instructors in the study sessions.

A brief worship service was taken each evening by Rev. A. C. Huston, Rev. Norman Rowan and Rev. Herbert Shantz, who along with E. J. Stiver formed the committee for organization of the School. The Markham Township Sunday School Association appreciates, very much, the use of the S. S. rooms of St. Andrew's United Church. The accommodation was ample for all five classes of the School.

Good Response To Appeal For Scarborough Hospital Canvassers

At a meeting held in Buttonville on Wednesday, November 10, last-minute arrangements were made for the canvassing of Markham Township for the Scarborough General Hospital Building Fund.

Mr. Wm. H. Champion, chairman of the Markham Campaign and Markham's representative on the Hospital Board of Directors, said "The response to our appeal for canvassers has been wonderful. People are conscious of the need for the hospital and enthusiasm is growing".

While it won't serve some parts of the Township," he said, "nevertheless, it will most certainly relieve the pressure on the hospital they do use".

Mr. L. S. Watkins, Manager, Bank of Commerce in Unionville, has been named Treasurer of the Markham Campaign and his bank will be the center of deposit of all funds collected in the drive for this worthy project.

Citizens attending the meeting were very enthusiastic and asked

Home And School Association To Assist At Parents' Night

At a recent Executive meeting of the Richmond Hill Home and School Association, Principal Walter Scott, Mr. Nighswander, Mrs. Unger and Mrs. McWhirter, as representatives of the teaching staff attended. The manner in which the Home and School Association could be of assistance at Parents' Night was discussed. It was decided to have a Grade Mother in every room to help the teacher wherever possible.

It is intended that the Membership Committee will set up tables in the main school and the Orange Home to receive new members and a display of Home and School publications is planned.

Hydro Provides Parking Lot

L. J. Roy, local Hydro Superintendent advised Richmond Hill council this week that Hydro plans to make the Yonge Street lot in front of its power station available for free parking. Council and police co-operation was asked in enforcing a one hour limit on such free parking so that the service might be enjoyed by as many people as possible, rather than abused by long time parkers. Mr. Roy said the lot would be gravelled and kept in good condition.

Reeve W. J. Taylor and members of council expressed their sincere appreciation of the public spirited action by Hydro. "Yonge St. parking is a real problem," said the Reeve, "and Hydro making this lot available will help a great deal and I am sure will be much appreciated by people who shop and do business in the village."

Comments On Armistice Day

At a meeting of the Richmond Hill District High School Board last Wednesday, a memorandum was received from the Department of Education regarding the observation of Armistice Day in the schools. Trustee Harry Sayers said that he felt the purpose of the armistice day holiday was being lost as the services of remembrance are held on the nearest Sunday and the actual date of November 11 becomes just another holiday or business day. He added that the schools might consider celebrating the holiday with students taking part in armistice exercises at the school on the 11th rather than making it just another free day. In this way they would be more aware of the significance of November 11," he concluded.

90th Birthday

The Liberal joins with the many friends of Mr. Walter F. McCall of Arnold Street in extending best wishes for continued health on the occasion of his ninetieth birthday on November 25.

Mr. McCall, who was born at St. William in Norfolk County has lived at the home of his daughter, Mrs. H. H. MacKay for the last seven years and enjoys good health.

PAINTS UNDER HANDICAP

Earl Bailey is a 49-year-old Canadian painter who has triumphed over seemingly insurmountable handicap, losing the full use of arms and legs at the age of two. Gripping the brush in his teeth, he paints the picturesque scenes of Lunenburg, Nova Scotia, with sure strokes and inspiring results.

Reproductions by Earl Bailey, Currier and Ives Prints, Franz Johnston, Norman Rockwell, Manly Macdonald, Grandma Moses and many other leading artists may be purchased in Christmas card form at The Liberal. Cards are available, with or without name, in orders from 25 up, the personalized cards starting in price from 25 to \$2.50. Christmas cards are now available for inspection at the office, 63 Yonge Street South.
