## Title Match November 23rd Mexican On Winning Streak

A title match has been set for Tuesday, November 23, at the Farmers' Market, Thornhill, between Red Garner, Canadian Middleweight Champion, of Langstaff, and Juan Lopez, fiery Mexican Canadian challenger. Lopez is the one man who has any chance of wresting the belt from Garner, and right now he is riding on a winning streak of over 35 wins.

Besides his appearances at the Farmers' Market, Lopez, only two weeks ago in Windsor, crushed Jack Diamond, former title holder in two straight falls and is a 3 to 2 favorite over the champion.

Garner has not wrestled since dropping a decision to Baron Von Sieber and in the opinion of many is on the down grade. However, we recall the same story heard about the champion many times before. He has always come through in the past and we feel he will do it again. At any rate the fans are sure to see a really fine mat artist against one of the roughest and most vicious wrestlers in the game.

There will be no increase in prices for this most important match and the first bout is scheduled for 8.45 p.m. Box office opens at 8 o'clock.

## Two Fined \$600. Had Fish Illegally

William Parker, 39, of Beaverton, and Calvin Harris, 28, of Pefferlaw, were fined \$600 and costs each or six months by Magistrate O. S. Hollinrake last week in Newmarket Court, for illegal possession of fish.

They were arrested Oct. 30 by conservation officer Harold Van Wyck of Keswick, who at the same time, seized about 800 pounds of lake trout. The fish were taken illegally from Lake Simcoe during the spawning season. Van Wyck said the potential loss would be close to 50,000 trout.

## Mills' Greenhouse League

Scores for November 12 at the ABC Bowling Academy were: Night Hawks, 7 points; Bearcats 5, Wrens 5, Hustlers 2, Lucky Strikes 2, Ramblers 0.

Ladies' High Triple was Doreen Horner 546; Men's High Triple, G. Nash 626.

High Single Scores: W. Hunt 224, F. Leech 215, 205, Irene Leech 219, Doreen Horner 203, 201, A. Peters 202, A. Leech 216, G. Nash 310, Jean Nash 209, E. Bennett 211, 226.

## Fur Production Shows Increase In The Lake Simcoe District

A summary of fur bearing animals taken in the Lake Simcoe District, prepared by Wildlife Management Officer J. S. Dorland, shows a steady increase in most cases during the past four years.

The number of mink pelts reported rose from 436 in the 1950-51 season to 744 in 1953-54. Beaver jumped from 95 to 581, raccoon from 742 to 1,508, and muskrat from 23,341 to 39,050 during the same period. Slight decreases were reported in fox, skunk and squirrel. The figures were obtained from annual trapper's returns.

Some 523 trapper's licenses were issued by Conservation Officers during the past season, up some from 1952-53. Increased production reflects the effect of more intensive management programmes.

Mr. and Mrs. M. Holt have moved from their home on No. 7 Highway and are now residing on Garden Avenue. We extend a welcome to Langstaff to Mr. and Mrs. Lyall Stewart and family who have moved into the house vacated by the Holts.

We are sorry to report that Mrs. J. Armstrong, Cedar Avenue, is sick in bed and wish her a speedy recovery.

Birthday greetings to Ronald Charles, Sussex Avenue, who celebrated his fifth birthday on Sunday, November 14th. Helping him to celebrate last Sunday were Dougie and Hughie Lenneville, Jimmy Roy and Judy and Gerald Charles.

**Langstaff Ratepayers Association**  
A special meeting of the Langstaff Ratepayers Association was held at the school on Wednesday November 10th, and your executive reports that they were pleased with the excellent turn-out. The main purpose of the meeting was the discussion of the Bell Telephone extension of direct dialing service to Thornhill Area, exchange and the increase of rates. There was a unanimous vote in favour of this move and this result will be forwarded to Ottawa.

Among those present was Mr. Coghill, Thornhill, who announced his intention of standing for the School Board in the forthcoming election. Mr. Turner representing the Markham Property Owners Association gave a short talk regarding the election. Reeve LeMasurier reviewed the activities of the council and gave a general survey on present and future expansion of water supply, residential and industrial building services, etc. which was very much appreciated.

**Being Shipped Christmas Trees**  
One of the chief activities in the County Forests at the present time is cutting and piling of Christmas trees ready for shipping.

Some 8,000 trees were sold by tender to highest bidders earlier in the season. Trees to be cut, mostly Scots pine, selected and marked by Department of Lands and Forests staff in Vivian, Uxbridge, Drury and Angus Forests. Purchasers in most cases will be starting to ship about November 15.

**PAINTS UNDER HANDICAP**  
Earl Bailly is a 49-year-old Canadian painter who has triumphed over seemingly insurmountable handicap, losing the full use of arms and legs at the age of two. Gripping the brush in his teeth, he paints the picturesque scenes of Lunenburg, Nova Scotia, with sure strokes and inspiring results.

Reproductions by Earl Bailly, Currier and Ives Prints, Franz Johnston, Norman Rockwell, Manly Macdonald, Grandma Moses and many other leading artists may be purchased in Christmas card form at The Liberal. Cards are available, with or without name, in orders from 25 up, the personalized cards starting in price from 25 for \$2.50. Christmas card books are now available for inspection at the office, 63 Yonge Street South.

## A. Cooper, Aurora, Elected President Boys' Work Board

At a meeting of The York County Boys' Work Board in Newmarket on Friday, October 29, Mr. Allan Cooper of Aurora was elected chairman of the board to succeed Mr. Elgin Evans who has rendered distinguished service for the past several years. Elected as vice-president is Mr. Francis Cook, also of Aurora. Both Mr. Cooper and Mr. Cooper have had considerable experience in the prime object of the board, namely Camp Ashbyvoong. Each has attended the camp in an official capacity in the past and are therefore the more able to give the leadership which is required.

Mr. Kenneth Peeters of Newmarket was appointed secretary for another term, along with Mr. A. MacKay appointed for another term as treasurer. Rev. J. C. McFarlane of First Baptist Church, Aurora was appointed as camp director for the 1955 season. Mr. McFarlane was the camp director of the boys camp in 1954. The board signed a contract with him bringing into effect a few minor changes which they felt would bring about certain improvements in camp procedure.

It was announced that camp dates for the boys will be from June 29 to July 15. The first period will be for senior boys from 11 to 14 and run from June 29 to July 7. The second period of camp will be for boys 8 to 11 and be from July 8 to July 15. A camp rally will be held on April 18, the place and hour to be announced later. The information concerning the camp and application for attendance at camp will be ready for distribution at the rally.

## Road Commission Will Forego Many Construction Projects

"The reduction of subsidies by the department of highways and the high standard of maintenance imposed by the heavy volume of traffic throughout the county has compelled the commission to forego most of the construction projects planned for this year, and to concentrate on maintenance work instead," read the report of the Toronto and York Roads Commission to the November session of York County Council, held last week.

"This curtailment has also resulted in the postponement of acquiring properties for the eventual widening of such roads as the Stouffville Road, east of Yonge Street and Dufferin St. north of the King Road."

**Hurricane Hazard**  
The estimated damage in the County of York to roads and bridges is now \$230,000. A copy of the report of damages and cost of repairs has been sent to the Ontario Dept. of Highways. We are not as yet able to report what financial assistance will be forthcoming from the government," the report states. Meanwhile all steps necessary to put the highways back into service have been taken and all roads are open to traffic. Answering a question from Reeve Alfred LeMasurier of Markham Town-
