District Children Assist Minister At White Gift Services

White Gift Sunday was observed in all the churches of the Maple Charge of The United Church and large congregations assembled at each appointment to share with the boys and girls, teachers and officers of the Sunday Schools, in a special order of service. Feature of the service was the bringing of Christmas gifts for the less fortunate people of the community, and those who are under the care of church institutions. Rev. A. G. Donald was in charge of the services, and he was assisted throughout the day by Miss Marion Donald, who told the story, "Love Shared."

At Hope Church, Marlene Lloyd, Sheila Orr, Verna Orr, Helen Thomas and Ethel Thomas made fine contributions, as they read the scriptures, led in prayer and brought messages in scripture meditation or story.

At Maple, M. J. Kinnee, Superintendent of the Sunday School read the scripture, and Dorothy Robson, Margaret Wiltshire and Bruce Payne were the minister's assistants. June Neufeld sang a solo "O Master of the

loving heart." At Edgeley, Dianne Fierheller, recited the verse: The Spirit of Christmas; Marjorie Young brought a scripture meditation, and Gordon Mitchell told the story, The Children's City. At all appointments special music was rendered by the church choirs.

Baptisms
At Maple, the following children were received into the church through the rite of baptism: Gayle Irene Ingram, daughter of Mr. and Mrs. Kenneth Ingram, Toronto; Sandra Lynn Linkister, daughter of Mr. and Mrs. Harry J. Edgeley Farm Forum Divided Re National Health Insurance

Edgeley Farm Forum was divided in its opinion as to the need for a National Health Insurance Plan when the subject was the topic for discussion at the December meeting held at the home of Mr. and Mrs. Percy Usher.

Governments — Dominion, Provincial and Municipal are active in the health field. Should there be a national insurance plan by which the needs of all citizens would be provided for through government action was the question for discussion, as well as, "What are the medical, hospital and other health services in your community? Are they satisfactory? If not, what are the main problems? And can voluntary programs be properly developed and expanded to meet these problems? Would these problems be met by a national insurance plan?"

In this area there are the York Co-operative Medical Services and the York County Health Unit. The York Co-op Surgical plan is well under way. The forum felt that these services are reasonably satisfactory, but thought that the people in the lower income brackets do not use them to the best advantage.
