150 Boys On Teams

Wednesday Night Hockey Night At Crosby Memorial Arena

Wednesday night is hockey night in Unionville from 5.30 to 11 p.m., and the whole program which is operating so successfully, has an interesting background.

Community Idea
The idea of a community hockey night was conceived some time ago by a group of men, interested in boys of all ages. They decided to co-ordinate a group that would carry the boys right through the hockey years, beginning from the time they first skate and continuing with them right to the Junior age, which is under 20.

Lions Club Aid
Additional people were contacted and all through the summer and fall of 1954 careful plans were made and ice secured at considerable cost from the Crosby Community Centre Board. The co-operation, both active and financial of the Mark-

ham-Unionville Lions, who previously had operated their own hockey set-up, was secured, and gradually the program took shape and was under way by November.

Play Wednesdays
Each Wednesday night at 5.30 the Squirts, coached by W. Mason and Geo. Metcalfe and refereed by Maurice Procenko play. There are about 30 of these little fellows. Then the "Peewees" take over with Maurice Procenko and Dr. Glen Kennedy in charge and Neil Stiver as referee. Some of the Jets get on their skates and help with the very young. There is also a large membership in the Bantam and Midget groups.

Give Time and Energy
Arthur Toogood is everywhere at once, distributing equipment, looking after registrations, sorting everyone out, and collecting the small donations which every boy contributed with pride as his share in the undertaking. Herb and Peg Holdsworth, Kit and Ernie LeMasurier, Dr. Glen Kennedy, Charlie Cuthbertson, Dean Findlay, Bruce Pellett and many others also give unstintingly of their time and enthusiasm.

'Jets' Senior Team
At nine o'clock each Wednesday, the 'Jets' play their home games. The Jets team was formed from last year's Midget team which did so well in the ranks of the Ontario Minor Hockey Association. The Jets have been very fortunate in securing Ernie Lawrie to coach and Turk Nighswander to manage the team. The Jets players come from all over the district and are a great credit to the whole community. They are very smartly turned out in red trunks and the red and white sweaters presented to them by Mr. Conlin, the General Motors dealer in Markham. The team is captained by John Darbyson and the others, whom they hope all will soon come to see in action, are: Brian Allen, John Alstead, Don Anderson, Bob Atkinson, George Carey, Watson Cottrill, Laurence Gayman, Les Jarvis, Don McCurry, Bruce McDowell, Don Middleton, Roy Murphy, Mike Pett, James Stunden and Pete Zinkan.

Busy Executive
Organizing these 150 boys, arranging for schedules and competition, acquiring and distributing equipment, to say nothing of the magnificent job done on the official program, has added up to an extremely busy season for the Executive.

This whole affair is a tremendous effort and lacks only two fans, more finances and more fans.

Les Lyman In Top Condition For Match With Von Sieber

Baron Von Sieber, husky German wrestler will meet one of the toughest opponents of his career next Tuesday at Thornhill Market when he tackles big Les Lyman, current holder of the Canadian Heavyweight Championship.

Von Sieber has been boasting for weeks what he will do to Lyman and now the fans will see if he can carry through his promises. Les has been in constant training at his East End gym and is in top condition for this match and this writer along with most of the fans feel that Lyman can more than hold his own with the Bradford Hercules.

In the semi-final Ron Osborne, flashy middleweight will lock holds with tough Stoney Brooks, Campbellford star. This match will be a two out of three falls, 45 minute time limit affair, and two other good bouts will round out this outstanding mat program.

Last Tuesday's wrestling show was a real humdinger from start

to finish and one of the best crowds of the season enjoyed all the matches from start to finish.

In the first bout, Don George and Ernie Caruso wrestled for 15 minutes with George gaining the fall, the second match saw Stoney Brooks and Hassan Bey going 30 minutes to a draw and Bron Von Sieber threw Jean Val Jean two out of three falls in the semi-finals.

Tom Sullivan, Canadian Champion retained his title by dropping Red Garner after one of the most exciting bouts ever witnessed in the Thornhill Market.

Alliston Defeats Thornhill Club

The Thornhill Hockey Club playing Alliston on Friday night looked promising in the first period having the lead but second and last periods they again went down to defeat, fighting all the way.

All star selection, McKinley, Cobury and Cameron, Music and a P.A. system helped greatly and the ice being fenced off was a great advantage to the players.

FIRST ELECTRIC GENERATOR

Canada's first electric generator was installed at the corner of King and Yonge Sts. in Toronto by John Joseph Wright in 1881.

Among the satisfactions of a Bank Account...

It's reassuring to watch savings grow... to have your bank book record your progress.

You feel more secure with your money safe and readily available when you need it.

It's a comforting feeling to have cash on hand for opportunities, emergencies.

Multiply by 9,200,000 deposit accounts the satisfactions you enjoy from your bank account. The grand total of comfort, security and peace of mind shows, better than a dollar total, the essential value of a bank account. More deposit accounts than there are adult Canadians, with new accounts opening every day, reflects the confidence of the nation in the chartered banks.
