his is a good time to buy a used car from us!

It happens that we have sold a quantity of new cars lately and taken some particularly good used cars in trade. Rather than carry all these cars through the winter months we are offering them at exceptionally good prices this week. Each one has been carefully reconditioned and put in excellent shape for winter driving.

Here at Drinkwater Motors we know how important it is to have a dependable used car for country driving, and we think you will be greatly impressed by the values we are offering at this time of the year.

If you have no means of transportation at present, just give us a call and you will be picked up without obligation. Listed here are 12 typical bargains this week. Come and see them while they last.
