Margaret Logue United In Marriage To D. Brumwell

Brown Corners United Church was the scene of the marriage of Margaret Logue, daughter of Mr. and Mrs. Alex Logue, Listowel, to Dean Brumwell, eldest son of Mr. and Mrs. Walter Brumwell on Saturday, January 15. Rev. A. C. Huston officiated at the ceremony.

Given in marriage by her father, the bride wore a floor-length gown of white lace and net over satin, with finger-tip veil. She carried a white Bible and an orchid.

The attendants, Miss Anna Logue, sister of the bride, Miss Carol Lawrence, and Miss Darlene Brumwell, the groom's sister, as junior bridesmaid, wore floor-length gowns in shades of pink, blue and daffodil yellow. They carried nosegays of roses and baby mums in corresponding shades.

Neal Brumwell was groomsmen and Misses James and David Logue, the bride's twin brothers were ushers. Mrs. S. J. English played the wedding music and Miss Mary Gough was soloist.

For the reception at Buttonville Hall, Mrs. Logue received wearing a blue crepe gown, pink hat, matching accessories and a corsage of red roses. Mrs. Brumwell assisted her wearing a gown of intermission brown crepe with white hat and brown accessories. Her corsage was of Joanna Hill roses.

The "Baby Booth Committee" of the Harmony Club catered at the reception when the guests were served a turkey dinner.

For a motor trip to Florida, the bride chose a blue suit with fur jacket and wore matching accessories. Mr. and Mrs. Brumwell will live at Milliken.

HIGHLAND PARK NEWS

Powell Rd. Home and School
Monday, January 24th saw a most interesting and different form of meeting held at Powell Rd. when a panel and parents and pupils of grades 7 and 8 held a session on children's beefs against home rules. The youngsters had prepared several interesting complaints and a great number of these were discussed. The panel of Mrs. L. Hill, teacher, Mrs. G. Jackson, mother and Parent Education convener at council level, Dr. Smith and Mr. D. McTavish, chaired by E. Higgs brought many good points out for the consideration of both pupils and parents. It was generally agreed that youngsters of this age should be in bed on school nights close to 9 p.m. Later on Friday and Saturday if they stay in later in the morning or with some youngsters who can stay up later and still arise fresh and prepared to do their job are exceptions to the rule. However children should realize that even though they feel alright signs of fatigue are noticeable to parents and teachers and they should be guided by them. Dr. Smith also pointed out, that even though they don't always sleep, to be in bed, relaxed and resting has benefits to them.

Matters of earning pocket money and allowances were discussed. Most agreed that they expected to do a share around the house without remuneration, but for special big jobs, pay was nice as something of their very own. They also thought they should do some extras though, just for the joy of doing and appreciations shown. The question of big sister or brother having to take

little ones along in their spare time was threshed out, and most parents and panel agreed that it is not fair to expect it continually, but in some instances the older one will be glad to help out if asked properly. Several other points were touched but with time limited, more thorough discussion can come at a future time.

Mrs. D. Pollock, entertainment convener, again had delightful numbers arranged for us. Piano selections were given by David Fisher and Billy McCallum and enjoyed by all. A real treat was a puppet show conducted by Don Calvert, most talented with them and very original. Everyone was thrilled with his efforts. It was also announced that Jerry Pollock, would be interested in starting a junior orchestra in the area and would be pleased to hear from youngsters who play instruments. Plans have been finalized for the St. John first aid and home nursing courses sponsored by Powell Rd. Home and School and they will commence Thursday Feb. 3rd, 8-10 p.m. Several have indicated their desire to take the course and any others interested should contact the president, E. Higgs, AV. 5-1778 immediately. Refreshments brought the evening to a pleasant close.

Henderson Avenue Public School now has a school crest of mason and gold. It bears a scroll with the letters H. A. P. S. and also a lamp as the symbol of learning. Pins are being made and will be presented to the graduates of last year's Grade VIII class.

February's meeting will be a Father's Night. The program is being prepared and presented entirely by the male members of the association and promises to be interesting and unique.

An Tuesday of this week W. M.S. ladies from Brown's Corners United Church attended the annual meeting of Centre Presbytery at Deer Park United Church. Among those attending were delegates Miss Nancy Speers and Mrs. John Black, and Mrs. Wm. Rodick, Mrs. Roberts, Mrs. Douglas Hood, Mrs. C. J. Russell.

Mrs. Arthur Nightingale
The community was saddened last week by the passing of Mrs. Arthur Nightingale. Mrs. Nightingale had moved with her husband to this district from Thornhill, only four or five years ago, but in that time she had made many friends.

Mrs. Nightingale was a member of Buttonville W.I. and tireless in her efforts for the Cancer Society. Although she had been in poor health it was only recently that a heart attack confined her to bed. When complications arose she was removed to Toronto East General Hospital where she passed away on Friday evening of last week.

Besides her husband, Mrs. Nightingale is survived by one son, Allan, of Los Angeles, Cal. and a daughter, Freida (Mrs. C. E. Scarlett, Newtonbrook).

The funeral service was held Monday afternoon at the chapel of Jarrett Bennett and cremation at the Toronto Crematorium.

W. I. Meets
Mrs. Alvin Robinson entertained W. I. members Thursday of last week. Mrs. John Wilkins conducted the meeting at which Mrs. Gordon Purves gave an interesting talk on "Epitaphs."

Redecorate Church
There is much activity around Brown's Corners Church at the present. After considerable discussion, a complete redecoration job has been undertaken. We understand Mr. Harvey Collard is in charge.

Dial Phones Installed
Residents in this area who are the Agincourt Telephone Exchange have been happy to see crews working to install dial

telephones throughout the neighbourhood. While the dial cannot yet be used, at least this is a step in the right direction and should some day lead to long distance-free calls to Toronto and nearby points.

Bride Entertained
Prior to her marriage to Dean Brumwell January 5, Miss Margaret Logue was much entertained. On leaving the T. Eaton Co. her fellow workers presented her with many beautiful gifts. At the home of Mrs. John Donaldson, Mrs. Donaldson and Mrs. Reid Brumwell received a group of relatives and close friends who honoured the couple, showering them with gifts for their home.

Mr. and Mrs. Reid Brumwell, Miss Jean Brumwell, Mary Gough, Gordon Brumwell and Richard Tribbling visited friends at Brighton on Sunday.

Young Women's Association
The Young Women's Association of Brown's Corners Church met for a 'get-acquainted' meeting at the home of Mrs. Jacksie, Don Mills Rd., Thursday evening of last week. The group was happy to welcome four new members. There was discussion regarding a St. Patrick's Tea on March 19, and the possibility of working in aid of the Victor Home.

The next meeting will be February 3 at the home of Mrs. Roy Marson.

She saved three lives

It was early in the morning. Seeping coal gas fumes had all but overcome a little girl and two women in a suburban Toronto home. One of the women, Mrs. Mary Hague, struggled to the telephone and barely managed to dial "Operator" before collapsing.

Unable to get any response, the night operator, Mrs. Elizabeth Brown, immediately notified the police. Within minutes the victims were reached and revived. Through her prompt action three lives were spared. Quick thinking in an emergency has made a heroine of many a Bell operator, for most people turn to the telephone for help in all kinds of trouble—often rely on the operator for assistance.

There may never come a time when you need the fire department, police, or a doctor in a frantic hurry—but isn't it a comfort to know that behind your telephone are people on wide-awake duty 24 hours a day?
