

RICHMOND HILL

The Liberal is always glad to receive social and personal items for this page and a call to Turner 4-1261 will receive courteous attention. This newspaper will also welcome news reports about church organizations, women's and men's societies, lodges and other groups. While copy will be accepted up to Wednesday of each week, it is desirable to have it in earlier if possible to ensure its publication.

The March meeting of the United Church was held last Tuesday afternoon. Guest speaker was Mrs. Hardstone of the T. Eaton Company, who spoke on "The History of Chinaware".

Announcement has been made that the Official Board of the Richmond Hill United Church has set up a Church Building and Extension Fund. Fund chairman is Mr. J. Koning and secretary-treasurer is Mr. A. Hill.

Mrs. D. McGuire of Toronto, one of the Diocesan leaders in Christian Education, is to be the special speaker at the monthly meeting of the Teacher Training Course being held this Sunday evening at 8.30 p.m. at the home of Mr. and Mrs. Don Fettes. On Saturday, March 5, the Richmond Hill Scout Mothers Auxiliary held its annual Tea and Bake Sale in the Masonic Hall with a record crowd. A vote of thanks is extended to Mrs. Osmond, who convoked the Tea and did an outstanding job with decorations, and Mrs. M. Cunningham who convoked the Bake Sale.

Turn Sod For Addition To County Hospital

Dr. W. B. Phair, deputy minister of Health for Ontario and York County Warden Ralph Corner, turned the first sods for the new 52-bed wing for York County Hospital at Newmarket recently. Mr. Ken Sliver, chairman of the board and Dr. C. R. Williams, Aurora, president of the staff association, spoke briefly and Rev. M. J. Aiken of Newmarket led in prayer. York County Council and municipal representatives and members of the medical profession and Women's Auxiliary of the hospital were among those present.

It is just a year ago that the campaign to raise money for the new wing got underway. Funds available now amount to \$661,703. Dominion and Provincial grants make up \$165,000, York County will give \$300,000 over a five-year period, Ontario County \$15,000, Simcoe County \$10,000 and Bradford \$5,000. \$130,000 has been raised by public subscription. The addition will bring the hospital up to 11 beds and will put the hospital in a class "B" category.

The Piggott Construction Co. of Hamilton are the contractors for the addition to cost without equipment \$509,000.

Expect Big Entry At Seed Fair

The prize lists for the York County Seed Fair and Bacon Demonstration were mailed to over one thousand farmers in the county some time ago and suggests there should again be a large exhibit at the Newmarket Town Hall on Wednesday, March 16.

A new feature this year will be an educational programme from 11 to 12 in the Agricultural Board Room across the street from the Town Hall, especially for those who have arrived in the morning with their exhibits. This will replace the seed judging competition previously held at that time.

Exhibitors of seeds, hay, corn, potatoes, etc., will be open to the public at 1 p.m. and the speaking programme will commence sharp at 2 o'clock. Prof. N. J. Thomas of the Soils Department and an authority on cropping programs will be the first speaker. This will be followed by a Carcass Cutting Demonstration under the direction of Mr. A. L. Currie of the Canada Live Stock Marketing Service. This is always most interesting when a desirable carcass and a grade C are cut up and the values of the corresponding cuts are listed on a blackboard.

Exhibitors are requested by Secretary W. M. Cockburn, Newmarket, to get their entries in to him by the end of this week.

HOLSTEIN CLUB BANQUET
The York County Holstein Club is holding its annual banquet in the United Church hall at Markham on Thursday, March 24. Guest speaker will be Mr. Bruce Smith, popular radio personality on CJBC. Tickets are available through the directors of the Club.

At the regular business meeting of Richmond Hill Lions Club held last Thursday, it was revealed that since last September the Lions have spent over \$800.00 on Health and Welfare. This included special drugs, food, fuel and the rental of the hall for the Well Baby Clinic. Approximately \$650.00 has been provided for Boys and Girls' Work which includes free use of the hall for the Girl Guides, Brownies and the Teen-Age Square Dance Group.

The annual scholarship at the local high school is being continued and \$50.00 was voted to the Canadian National Institute for the Blind. The club is also

paying cost of renovating one of the dressing rooms at the local rink for the Arena Association. Richmond Hill Lions Club is again sponsoring the Crippled Childrens' Easter Seal Campaign and citizens will receive their Easter Seals in the mail shortly.

It is expected the weekly bingo will be concluded May 30 with a monster bingo and car draw in the arena. The annual carnival is planned for later in the summer.

Service Club Night will be held March 17 with representatives present from the other clubs of the village. The speaker will be Canon McCollom, rector of St. John's Church, York Mills. Education Night is planned for April 7 when Prof. Geo. Brown of the University of Toronto will be guest speaker.

Drab Victorian Parlour Scene For Curtain Club Melodrama

"Gaslight" is a thriller! So says the author Patrick Hamilton, of the new Curtain Club production to be shown in the Lions' Hall, Richmond Hill March 25th and 26th.

"Gaslight" is the second full-length play that the Curtain Club is undertaking within a year of the inauguration of the club. With all production work on a voluntary basis and with many donations of materials the club is so far able to keep the admission charge extremely low, and is fully aware of the generosity of their members, subscribers, members and friends.

Those who saw "Rebecca" in February by this same group, will remember the sensitive approach of the director John P. Grosvenor and will be pleased to hear that he is also directing the popular melodrama "Gaslight". He himself is taking the role of the sinister Mr. Manningham, with Joyce Fearnside playing opposite him as the persecu-

tor wife. That John Grosvenor was a Gold Medalist in Acting at the Royal Academy of Dramatic Art will ensure a treat for "Gaslight" audiences.

Joyce Fearnside is a newcomer to the stage and is in fact making her debut in the extremely difficult role of Mrs. Manningham, a role encompassing as it does such a range of emotion and conflict.

Into the drab Victorian parlour comes John B. Anderson as Inspector Rough on the trail of a long lost criminal. Muriel Bathurst plays Nancy the too attractive parlourmaid and Margaret Burgin takes the role of the housekeeper.

"Learn To Do By Doing" Is York County 4H Club Motto

Farm boys and girls in York County are eagerly looking forward to the beginning of the 1955 4-H Club season. It is anticipated that all former clubs will be organized and new clubs will be formed where necessary to serve any area, provided there are a minimum of ten members.

4-H Clubs have as their emblem, a 4-leaf clover with the letter H in each leaf, signifying the development of Head, Heart, Hands and Health, while the motto of the 4-H Clubs is "Learn to Do by Doing". This principle is applied throughout the Club season whether the project involves raising a calf or a plot of grain and final awards are made on the basis of the work of the member through the season to a greater extent than on the stock or produce exhibited at the fair.

Other special features of the club year are the summer bus trip, the Kiwanis luncheon in the fall and the regular summer monthly meetings.

4-H Clubs in York have been largely 4-H Clubs and many boys and girls are carefully looking over the eligible calves in the barn or hoping that their favorite cow may yet present them with a heifer calf for use in the Club. For those wishing to purchase calves, usually good calves may be bought at reasonable prices for club work.

Other types of clubs may be formed in any area where there are ten members. These include swine clubs, grain, poultry and potato clubs and many other types of clubs.

Calf Clubs to be organized this year include the Sutton Club a. Woodbridge, Markham and Sharon Clubs. A Baby Beef will also be organized on a county basis.

Tractor Club
A Tractor Club will be organized in the east central area of the county and open to boys in East Gwillimbury, Whitechurch and east King. Only one Tractor Club can be organized in the county each year and because of this, boys in the above area should take advantage of the club this year. Tractor Club members must be 14 years old by May 1. A few of the rules for joining are as follows: Members must be farm boys and girls 12 years old by May 1 and not over 21 by November 1. Calves must be grade or purebreds (not cross bred) but must be sired by a purebred bull. Calf Club calves must be heifers born between January 1 and May 1. Baby Beef calves may be steers or heifers born between May 1, 1954 and Feb. 1, 1955. Calves must be owned on the farm where the boy resides.

Organize In April
Organizational meetings will be held early in April and boys and girls interested in joining a 4-H Club are invited to get in touch with W. M. Cockburn or Ed. Pearson at the Dept. of Agricultural, Newmarket.
