Victoria Square United
 Inclement weather, coupled with poor roads, kept the attendance at the Board Meeting of Victoria Square church, held in Brown's Corners Church, down pretty low on Wednesday evening last. An invitation to stay was extended to Mr. Huston and conditionally accepted.

World Day of Prayer
 Perfect weather and good roads were in order for the World Day of Prayer service held last Friday afternoon in Victoria Square Church. Mrs. Stewart Rumble was at the organ, and several Headford ladies took part in the service, at which Mrs. Fear of Unionville was the speaker. Mrs. Allan Orr was soloist.

Personals
 Mrs. Stan Defoe's place on her bowling team at Richmond Hill is being temporarily filled by Lorraine Acreman.

We are sorry to hear of the illness of Mr. Bert Leek of Gormley, but hear he is improving.

Mrs. Wm. Leuschner would like to thank those who remembered her 82nd birthday Sunday last.

Sunday guests with Mr. and Mrs. Melvin Wellman were Mr. and Mrs. Toronto.

Mr. and Mrs. Allan E. Wellman and the girls had dinner with Mr. and Mrs. Wm. H. Wellman on Sunday.

Visitors at the Acremans this past week have been Mr. & Mrs. Mel Jones of Toronto, and Mr. and Mrs. P. Brown and family of Stouffville.

Headford folk were shocked to hear of the serious accident which happened to Mark Stewart on Monday last, while carrying on his work with the hydro. We all wish him a speedy recovery.

Oratorical Contest
 Excitement is high in Headford School this week with both preliminaries and finals in the coming up. Eliminations will take place during school time, but the finals will be on Friday evening, March 11. Pupils will also be on display on this Achievement Night.

Achievement Day
 It will be Achievement Day on Saturday for some of the Headford girls and will be held in Newmarket. There they will present the work they have been doing in the past year for judging.

W.I.
 Mrs. Acreman joined a busload of Victoria Square Senior Women's Institute members last Wednesday when they made a tour through Christie's factory.

Missionary Work
 Sunday School pupils in Headford saw the film strip "Our Father's Business" showing how and where our missionary offerings are expended. God's family is a large one, and embraces all colors and social levels.

Sunday, March 20, the Sacrament of Baptism will take place in the church.

Miss Margaret Brodie spent the week-end in Newmarket, the guest of her friend Joan Curtis, who was camp counsellor along with Margaret this past summer.

On Saturday evening, to mark Murray's birthday, Lorraine Acreman arranged a surprise party, when she took her guests to the Richmond Bowl for an evening of bowling, bringing them back for refreshments and fun at home. The guests included Mr. and Mrs. Ford Butler, Mr. and Mrs. A. Marinoff, Mr. and Mrs. Lawrence Neil, and Mr. and Mrs. Bill Cox of Richmond Hill.

Mr. and Mrs. P. Brown of Stouffville, Mr. and Mrs. Howard Foliott of Willowdale, Fran Davis of Toronto and Ken Wallace of Hamilton.

Our very lovely Vacation School pictures arrived this week.

 Mrs. R. Webster, Roosevelt Drive, will be hostess for the March meeting of the auxiliary on Wednesday, March 16.

Home & School Association
 The March meeting of the Home and School was postponed from Tuesday, March 8 to Tuesday, March 15. This will be "Fathers' Night." Martin, Music Supervisor of the School Area will give a demonstration of a music class and will lead in a sing-song.

Mark-Vaun Women's Institute
 The March meeting was held on Thursday, March 3, at the home of Mrs. W. Kirby, Concord, and was well attended by members and guests. During the business period, Mrs. Kirby reported on the euchre held February 26. A nomination committee was appointed, and Mrs. A. Morrison gave a report on the Extension Course "Program Planning" held on March 2. After the business period, the meeting was turned over to Mrs. C. Ellison, Home Economics convener. She introduced four demonstrators from the Singer Sewing Machine Co. who gave a demonstration of the latest models of their machines which was very interesting to all present. A free sewing course was won by guest Mrs. Mary Jones who gave it to the hostess, Mrs. W. Kirby. After a short contest, refreshments were served by the hostesses of the evening.

Mrs. H. Ellam and Mrs. A. Morrison attended the Board Meeting of the York East District, Women's Institutes, Monday of this week at the Y.W.C.A., McGill Street, Toronto.

School News
 Mr. Everist reports that the Parents' Night held last Thursday was very well attended, and wishes to thank all parents for their co-operation.

Children of Grades 1 and 2 will be given forms this week to take home to their parents requesting permission to vaccinate the children for Polio. The vaccine is expected to become available from the Province about April 1. York County Health Unit reports that "While it is not definitely known that the vaccine will adequately prevent poliomyelitis, it is known that there are no harmful effects. The vaccine is intended to protect against three different strains of polio, and therefore, children who have previously had an attack of polio may still benefit from the vaccination by being possibly protected against the other two types of disease." 1955 is expected to be an "on" year for polio, and it is to be hoped that we will all take advantage of the opportunity afforded us by our Provincial legislation.

Word has been received of the death of Mrs. Agnes Barton, formerly of Church St. Mrs. Barton flew to England last April after the death of her husband, Frank. She passed away on Christmas Day at the home of her brother in Devon. Death was due to a cerebral hemorrhage.

Mrs. Greenfield, Garden Ave., is home from the Hospital.

A hearty welcome to Langstaff is extended to Mr. and Mrs. Geo. Wood who have taken up residence in "Stonehaven" formerly occupied by Mr. A. Mathews and the late Mrs. Mathews. Mr. and Mrs. Wood came to Canada from Muswell Hill, London, England, last December. They have been living in Toronto. A daughter, Jean, is working with them and is working with the CBC Television. Mr. Mathews is living with relatives in Toronto at present.

Birthday greetings to Bonnie Mountjoy, Sussex Avenue, who celebrated her tenth birthday on Wednesday, March 9.

Lillian Camp

The first of generations of Bell people who have shared one aim — to make good telephone service even better

LILLIAN CAMP was a young lady of 22 when she came to work for us in 1880, the year we started in the telephone business. She retired on pension in 1931 and can today, at 96, look back on three quarters of a century as a member of the Bell family.

Every time she drops in to our office in Montreal for a visit, she sees fresh evidence of growth and change. Yet she tells us there is one thing that has not changed through the years, and that is the pleasant, interested people who continue to enter and grow up in the telephone business; men and women who have shared one aim — to make good telephone service even better.

That's the way it was in Miss Camp's day. That's the way it is now, 75 years later.

A CANADIAN CITY HAS BEEN Wiped out...

During the past 20 years, automobile accidents have taken the lives of 37,000 Canadians — the entire population of a fair-sized city. A half-million more have been injured.

To meet the staggering cost of traffic accidents, the automobile insurance business this year will pay out more than \$80,000,000. Beyond this, insurance companies will do everything possible to stem the rising toll of automobile accidents — by offering the safe driving incentive of lower insurance premiums for accident-free car owners and through safety work and public education aimed at making drivers more aware of the perils of modern-day motoring.
