## Manager Ontario Federation Addresses Vaughan Group

V. S. Milburn, secretary-manager of the Ontario Federation of Agriculture, addressed the March 16 meeting of the Vaughan Federation at Vellore Hall where 130 attended the dinner meeting.

Mr. Milburn told of the work and accomplishments of the Federation and its future plans. He pointed out that there are 32 different crops being marketed through 25 organizations, and mentioned particularly the success of the Peach Marketing Board and the way in which it benefited the growers. If all producers, he said, would wholeheartedly support their organizations, it would be to their benefit.

Mr. Milburn was introduced to the audience by W. J. Buchanan, secretary of York County Federation of Agriculture and Paul Snider thanked him for his address.

Entertaining during the program were Gary Skippin, of Yongehurst, elocutionist, Pauline Hudson, clairvoyant, piano accordionist, and the Foster sisters of Nashville, who sang several vocal selections.

The dinner was prepared and served by the Vellore W.I.

## Dept. Of Health Annual Report

In a recent report of the work of the Department of Health for the township of North York prepared by Dr. Carl E. Hill, M.O. H. for the Township, a record of continued growth and progress is shown. Throughout the report comparisons with the activities of 1952 and 1953 show an increase in the amount of work being done by the health department and indicate an increasing participation in the health programme by the residents of the area.

During the past year, there have been 3538 permits issued for new homes valued at \$37,326,340. Total building for this period amounted to \$83,866,977. These building figures combined with a population increase of 149,435 provide a tremendous area of work for the Public Health Nurses, Sanitary Inspectors, etc. The Health Department Staff now totals 58 compared with 49 last year.

An example of the work handled by the Department's various divisions is contained in the following statistics from the report: In the course of the past year there were 339 deaths, 3811 births, 611 T.B. patients registered, 146 child health clinics held, 1400 inspections for food control, 152 restaurants licensed, 659 restaurant inspections made, 1800 septic tank installation permits issued, 3013 septic tanks inspected, 54 public, 5 separate, 2 secondary schools visited, 22,908 elementary school children examined.

It is interesting to note that the most predominating causes of death were as follows: Heart disease 55, Cancer 49, coronary thrombosis 67, pneumonia 17.

## Public Contributions Aid Deserving Cases

Public contributions to the Easter Seal campaign in past years have helped greatly in aiding deserving cases in the Maple area.

Ontario Society for Crippled Children now provides a nursing service throughout Ontario, and as of December 1954, consisted of two supervisions and 20 district nurses.

Variety Village sponsored through the co-operation of the Society and other worthy influences, has turned out its 77th graduate at the end of 1954 — the combined earning power of Variety Village graduates will be in excess of \$140,000.

The Ontario Society officially opened two new summer camps last year bringing the total to five, which are: Northwood, Lake-wood, Woodeden, Merrywood, Blue Mountain. Maple Lions Club has sent boys and girls to these camps the past three years, made possible by voluntary contributions.

The Society's objective is \$550,000 for the current year. By contributing to the local organization, the people of Maple district may be helping someone locally. All money raised through Easter Seals is earmarked and must be used for crippled children's work, only.

## C.G.I.T Pledges Interest In Missionary Projects

Pledging themselves to always be interested in and concerned about the great missionary projects of the church, members of Maple Canadian Girls in Training re-affiliated themselves with the Women's Missionary Society in an inspiring service Monday night.

The pledges of the girls — to be true to the high ideals of the W. M. S. — were made by Marion Donald, Superintendent and Nancy Gudat, Nora Lund, Patricia Lund, Isabella Leece and Janet McCowan, representing the group. A welcome into the W. M. S. fellowship was extended by Mrs. Harry Jackson, president of the Maple Auxiliary and Mrs. Laura Wiltshire, vice-president for Youth Groups. A number of the mothers and members of the Auxiliary were witnesses to the ceremony.

Carol Reid and Ellen Coe were in charge of the worship service, with Isabella Leece as pianist. Nancy Gudat, president, presided. Guests were welcomed as they entered the hall by Rena McDonald and Annabelle Kowicki, dressed in Indian saris. Colored garlands made by the girls were placed upon the shoulders of each visitor, as tokens of esteem. Patricia Lund conducted a game period and the girls served refreshments.

Marion Donald, with the assistance of Betty Jackson, associate leader, showed slides depicting missionary work in India.

The appreciation of the guests for a pleasant evening was expressed by Mrs. Geo. Bailey.

## April 16th To Be Next Meeting Busy Bees

Maple Busy Bees Mission Band's regular meeting was held at the Presbyterian manse on Saturday afternoon.

The scripture, "The Story of the Good Samaritan," was read by Marguerite Metcalfe of Newmarket, who was a visitor at the meeting.

Thirteen members answered the Roll Call by naming a wild animal. Mrs. Bowman read a story of India, "The Tiger Hunt" while the children sat on the floor on cushions, in Indian fashion. Rena McDonald was winner of the contest on the story. A song was learned when one verse of "Jesus Bids Us Shun" was sung in the Indian language. Rena closed the meeting with prayer.

A game was played called "Shooting the Tiger." Linda Johnson's team was the winner. The next meeting will be held on April 16.
