15 Cubs Receive Awards At Parents' Night Jefferson School

Ross Kerwin, Group Chairman, welcomed the capacity crowd of 85 persons attending parents' night at the school last Friday sponsored by 1st Jefferson Scouts, Cubs and Brownies.

Cubmaster Ernest Ensor, Brown Owl M. Ensor and Tawny Owl Dora Little assisted with the program as well as Scoutmaster D. Fettes from District Headquarters.

Present Awards
Highlight of the evening was the presentation by Cubmaster Ensor, to 15 of the 1st Jefferson Cubs with 1st and 2nd Stars and efficiency badges.

Senior Sixer, Larry Foliott, was the first boy in the pack to get the 2nd star. Larry is one of the original cubs in the pack, having joined on March 7, 1953. Larry was also presented with the Observer and Guiders' badge.

Peter Miller received the 2nd year and First Aider's; Bruce Miller, 1st year Star; Ross Alexander, 2nd year and Observer's

and Toymaker's badge. Ross made an excellent Indian canoe out of birch bark for this award.

Peter Redhead, 1st Star; Peter Terry, 2nd year Star and Artist's badge. Peter is the first boy in the pack to win the artist's badge for which he did a mural of an Indian Reservation.

Jimmy Reid, 1st Star; Bobby Reid, 1st Star; Jimmy Anderson 1st year; Paul Dobson, 1st Star; Vic Noble, Cub badge; Billy Richards, 1st Star, 1st year and Toymaker's badge. Billy made a carbine rifle out of wood to pass this test.

Dwight Powell, 1st Star and Darrell Richards, 1st year.

Following the presentations and encouraging remarks from Cubmaster Ensor, came the "magical" part of the evening when the Great Covell, assisted by his helper in magic, Rocky, performed a series of tricks. This part of the program was made possible through the kind generosity of Francis Powell.

Easter Services At St. John's: Missionary Communists Prisoner

There will be a service of prayer and worship at St. John's Anglican Church, Oak Ridges, at 11:15 a.m. Good Friday and Holy Communion will be celebrated at the 11:15 a.m. service on Easter Day.

The church is being decorated for the Easter service on Saturday and if you would like to lend potted plants or flowers for the occasion they will be greatly appreciated and will be returned after Easter Day.

Prisoner of Communists
The preacher at St. John's last Sunday morning was Rev. Leslie Millin, who spent some 20 years as a missionary and was a prisoner of the communists in China for two and one-half years. Even the Communists, he said, climbed over the wall where he was imprisoned in his mission home, to hear the good news of the gospel from the "foreigner", as Rev. Millin was called.

Rev. Millin also spoke at All Saints, King, and St. Stephen's Maple.

Personals
Margy Passmore was well enough to return home Monday evening, following a tonsillectomy that morning.

The Clarence Jones returned from Florida last week and Mr. and Mrs. Ernie Hall arrived in Florida on Monday for a vacation.

The executive meeting for the 1st Jefferson Mothers' Auxiliary was postponed from last Tuesday night until Tuesday, April 19.

J. S. C. Ladies' Meeting
Twenty ladies turned out at Mrs. Jack Hall's home on Wednesday evening of last week, for a meeting sponsored by the women of Jefferson School Community Club.

Instead of a business meeting, the ladies enjoyed a game of Court Whist, winners being Mrs. Ross Kerwin, Mrs. Ron Brown and Mrs. D. D. Eppes.

The next meeting will be held at the home of Mrs. Stanley Leno, the last Wednesday of April.

Final Dance of Season For Club
Four sets of dancers wound up the last dance of the season at Jefferson School last Friday night following the annual election of officers.

The new executive is as follows: President, Jack Hall; Vice-president, Ted Gamble; Treasurer, Allister Morrison; Secretary, Mrs. Ross Kerwin; Joint Social convenors, Mrs. Darrell Goulding and Mrs. Jack Hall and Assistant social convenor, Mrs. M. Readhead.

Carson Whalen, retiring president, but still the ever-popular "caller" for the dances which will resume next fall, thanked the retiring convenors, Mrs. Stanley Leno and Mrs. Ed Gamble, for the good job they had done during the year in raising money through the bazaar, card parties, and the refreshment booth at Summit Farms' sale. There is a balance of nearly \$675 on hand.

Plans are under way at the present time to use most of this amount on a projector for the use of the school children at Jefferson. Further details to be announced later.

Skating News
Harry Pridham announced in last week's Liberal that his IGA store is supplying tickets free of charge to customers who wish to skate at Richmond Hill Arena Friday nights.

Last Friday night we had the pleasure of accompanying our family, including two young skaters, to the arena and think it is only right that Pridham's IGA should get a big "thank-you" for making this treat possible.

The school board supplied bus service for those who had no other transportation, last Friday, but it was just a special treat and cannot be repeated every Friday. However, there's skating again this Friday. Just call into Pridham's for your tickets.

On Thursday, March 31, Mr. and Mrs. Wm. Burns of Oak Ridges held a Bridal Shower for their nephew, Stanley Burns of Maple, and his bride-to-be Elsie Nichols of Elgin Mills. About fifty guests attended and the young couple received many gifts.

Birthdays
Happy birthday to Karen Jean Harper who will have two cand-

This man with a mission, who has a serene and joyfilled smile, despite the horror he witnessed during those two and one-half years, told his listeners that one of his 64 "judges" in the people's court who passed sentence of liquidation upon him because he had given candy to the Chinese children (they could find no other wrong with which to indict him), has since become a Christian himself and will observe his first Easter Day as a church member this Sunday. This same judge was responsible for the Rev. Millin's banishment from the country, deemed a form of liquidation for foreigners, rather than execution.

Purchase Land For Church
Rev. D. C. H. Michell announced the purchase of 10 acres of land from Dr. D. R. Gunn, in the Schomberg Junction area for a potential mission church.

The children of St. John's Sunday school will present their Lenten boxes at the Easter service this Sunday morning.

Many happy returns to Rosemary Leek, whose birthday was on Wednesday. Birthday greetings also to Bob Clarkson.

Palm Sunday service in Headford United Church was a two-fold blessing, in that it was Communion Sunday, and also for the choir's rendition of the very beautiful Open the Gates of the Temple. There is to be an Easter film shown during the Sunday School session on Easter Day.

Headford W. A. will hold its Easter meeting on Tuesday evening, April 12, at the home of Mrs. Elmer Leek. Mrs. Huston will show pictures of her work among the Cree Indians at Nelson House.

Victoria Square W.M.S. will hold its Easter Thankoffering service at the Church there on April 13, at 8 p.m. There will be films and curios shown by Mr. Roy Hiron, a missionary on furlough from Africa. All the women of Headford are invited to attend.

NEVER TOUCH a fallen wire!

One reason why electricity serves us so well is that it can be delivered wherever wires will carry it.

Ontario Hydro exerts every effort to keep safe the wires that carry this important commodity, but in spite of all precautions, lines occasionally break. A fallen wire is dangerous... it may be a "live wire".

Never touch a fallen wire under any circumstances!

Warn children not to go near them. If you find an electric wire on the ground, or dangerously low, please notify the nearest Hydro office and endeavour to keep others away until service men arrive. Your co-operation may be instrumental in saving a life.

ONTARIO HYDRO
AT WORK FOR YOU AND YOURS

What would happen to your community without insurance?

Without the protection of fire, automobile and casualty insurance your community would be a very different place. Fire-riddled buildings seldom would be replaced. Families would be thrown into a lifetime of debt by the costs of automobile accidents and other liabilities arising from mishaps and errors. Few people would risk their money on investments. Industries would go bankrupt. Jobs would be lost.

Today in Canada, the insurance business provides protection against nearly every conceivable risk. Fire insurance alone safeguards property valued at \$32 billion. And claims totalling more than \$200,000,000 are paid each year to offset the costs of a variety of mishaps—from people slipping on stairs to tornados. In this way, the insurance business makes a substantial contribution towards Canada's continued security and prosperity.
