Miss Patsy Macklin was a guest of her aunt, Mrs. Murray Macklin and family of Agincourt over the week-end. As her cousin-in-law was taking part in the Unionville Skating Carnival on April 16, the girls enjoyed that event. Mrs. Rankin of Toronto and Miss Boys, Laskay, visited Mrs. Umehara on April 16.

Mr. and Mrs. Jack Macklin were dinner guests of Mrs. Macklin of Agincourt on Sunday. Birthdays were celebrated by Miss Beth Gellately who celebrated the event on April 13.

Mr. and Mrs. Charles Hewins of Toronto were week-end guests of Mr. and Mrs. Elgin Simpson.

Joan Hare celebrated her 12th birthday on Tuesday, April 12.

Little Ann Paxton suffered a broken collar bone last week. While playing with her sister Elaine, she tumbled from the wagon causing the break.

Garret Herrema has been a good neighbour indeed this past week as he was kept busy removing vehicles from the bog hole on the road in front of his home, with the tractor. The second concession, both north and south to the townlines, has been practically impossible. There has been no bread or milk deliveries possible north of Temperanceville this past week.

The April meeting of Temperanceville W.I. was held at the home of Mrs. Clayton Beynon on April 13. With the roads in very bad condition a number of the members were unable to get transportation. The roll call "Things money cannot buy," was answered by 13 members two visitors were present. As a number of persons in the community had been ill last month, several letters of appreciation were read. The District Annual of Centre York will be held on June 2 at Laskay. Miss Irene Mashinter, Mrs. Nelson Thompson, Mrs. Wilbert Jennings, Mrs. Everett Phillips, Mrs. Fred Hare and Mrs. Gordon Baldwin will canvass.

A discussion was held regarding an exhibit for the Women's

Section of the Aurora Horse Show on June 11. Two suggestions were made for every occasion. Further plans will be made at the May meeting.

Because the president and hostess for the May meeting will be leaving for Guelph on May 11, it was decided the meeting be held a week earlier on May 4 at 2:30 p.m. On Monday, April 25, a meeting will be held at the school at 8 p.m. to plan the W.I. year's program. Standing committees are asked to have their program lined up.

Splendid reports for 1954-5 were written by all standing committees and given at the April meeting. Beginning 1954-5 with a balance of \$55.14, receipts amounted to \$785.42. Expenses were \$725.85. Euchres brought in \$85.05 net. All donations of prizes etc. were greatly appreciated.

Mrs. Jack Macklin read the current events paper prepared by Mrs. E. Phillips for this meeting. While lunch was being prepared, Miss Florrie Beynon showed pictures in color which she had photographed locally.

## HEADFORD NEWS

CORRESPONDENT: MRS. H. ACREMAN  
R. R. 2 Gormley — Phone Turner 4-2236

(Too Late For Last Week)  
Belated birthday greetings to Harley Horner, whose birthday was last week, also to Sharon Johnson. Many happy returns also to Jim Curtis and son Elgin who each have birthdays this week.

The beautiful weather of Easter seems to have created an urge among Headford folk to go visiting. Mr. and Mrs. Elmer Leek visited in Cameron, as did also Mr. and Mrs. William Wellman, who called on Mr. and Mrs. Wes Wellman there; the Morris Acremans, with Mrs. Murray Acreman, Mrs. M. B. Currie, Hal and Mrs. Acreman were at Peterborough for a few days.

Mrs. Ralph James (Jane Stewart) and her children have been staying with her sister, Mrs. George Barker for a few days, but leave on Thursday for their home in Port Francis.

A deer was seen in the back lane quite near the barn on the farm of Mr. Charles Horner one day last week. It showed no fear as some of the folk approached quite near.

Headford W. A. held its April meeting on Tuesday at the home of Mrs. Elmer Leek, with about thirteen or fourteen members present. Mrs. Freeman Barker presented a film strip which had been shown in the Sunday School on Easter Day, and Miss Joyce Perkins entertained with a recitation. Vice-president, Mrs. Cummer Lee, conducted a Bible quiz and Mrs. Leek served a delightful lunch. Visitors were Joyce's mother, Mrs. Floyd Perkins and Mrs. Reaman, mother of Mrs. Perkins and Mrs. Leek.

Letters received this week from Mrs. Hugh Deverell, one of the members of Headford W. A., and who is at present visiting in Vancouver, B.C., tell of much rain out there. In contrast, some work on the land, and much work in gardens, is prevalent here.

On Thursday evening last, Mrs. Freeman Barker invited Mrs. William Wellman and Mrs. Acreman to accompany her to the Richmond Hill Horticultural Society's April meeting, to hear Professor J. A. Weall, of the O. A. C. Guelph. His talk was on landscaping the small lot, which he most ably demonstrated with chalk and blackboard, while keeping up a running commentary, freely interspersed with the Professor's own brand of whimsy. Road conditions at the time were certainly bad, but the lecture by Professor Weall made it all very much worth while.

It was very nice to see Mr. and Mrs. John Simpson and Noreen in church on Sunday morning.

The Brodies also had Cora's guest, Miss Margaret Rose of

# Chevrolet paves the way

Takes the jolt out of riding

New suspension systems, front and rear, are engineered to give the smoothest ride you've ever known.

Flattens the hills—hugs the road...

Brilliant new high compression, valve-in-head V8 or 6-cylinder engines combine with a new low weight-to-power ratio that means breathtaking response.

Takes the lean out of tight corners

The new low centre of gravity, wider spaced springs and tubeless tires give an amazing new grip of the road.

Takes the dip out of stopping

No more dipping and diving. The Chevrolet hood stays up level even during sudden stops—letting you maintain sure control with ease.

... And Looks So Lovely, Too!

It's not just the exciting ride that makes Chevrolet dramatically new. For when Chevrolet decided to combine the agility and safety of a sports car with the room and comfort of a family car, the designers were free to set the pace for things to come in functional, dashing styling. The result is a new kind of family car, as you will discover for yourself when you take a "Pleasure Drive" at your local dealer's. Why not call him today?
