VICTORIA SQUARE NEWS

CORRESPONDENT: Mrs. W. Sandie, Victoria Square
Telephone Gormley 5421

The regular monthly meeting of the W.A. was held in the church on Wednesday evening of last week, and considering the condition of the roads there was a good attendance with several ladies from the Melville United Church. The Scripture Lesson was read by Mrs. Lloyd Beatty. The Lesson Thoughts were taken by Mrs. Gordon Mortson. Miss Betty Huston was guest soloist, with Miss Coral Perkins as her accompanist. Mrs. Pope introduced the guest speaker — Mrs. William Marjoribanks, Past President of the Women's Division of the United Nations, Toronto Branch. Mrs. Marjoribanks gave a wonderful description of the United Nations Assembly "Hall," and how problems of the different countries are dealt with and referred to it as the clearing house of the troubles of the world, and how the power of veto is applied. Mrs. Marjoribanks quoted that "All Nations use it, Russia abuses it." She explained that the press will always dramatize the Assembly meetings but give little space to the wonderful work done by specialized agencies such as W.H.O. which helps wherever there is need for assistance; F.A.O. with food for the hungry and Agriculture assistance; UNESCF, which helps the children of the world, whether their country is a member of the United Nations or not; Unesco which assists with education as two-thirds of the world's population is illiterate. Mrs. Marjoribanks said the United Nations' slogan is: "Help Them to Help Themselves," and asked that we should pray for the success of the United Nations and for peace, that more good had been done by prayer than the world will ever realize. Mrs. H. McCague thanked the speaker for her inspiring talk. A social half hour followed.

Brownie Enrollment

Commissioner Mrs. D. R. Gunn enrolled five more Brownies in the Jefferson Pack on Thursday of last week with Mrs. Dickson Miller and Mrs. M. Morrison present as visitors to witness the impressive ceremony.

Prior to the enrollment of

Beverly Lock, Jeannie Richards Patsy and Jo Anne Woodbury and Sandra Dick, the pack reviewed the program for the Brownie Rally being held at Aurora Park on May 14.

Peter Miller took a group photograph of the pack and leaders. Owing to the change in school bus schedule the Brownies now begin their meeting at 4:30 on Thursdays, finishing at 6 o'clock.

Polio Vaccine

All but six of the juniors in Grades 1 and 2 at Jefferson Public School received their first polio vaccine needles last week.

The six children who did not get the polio preventive vaccine were away from school owing to illness.

Miss Margaret Creasy, junior room teacher, and school trustee Mrs. E. A. Terry, accompanied the children on the school bus to and from Oak Ridges, where the vaccine was administered.

On Saturday evening, Mrs. Arnold Mortson, Mrs. F. Walker and Mrs. P. Bennett entertained about 40 young people of the community in honour of Neil Mortson, Freddie Walker and Ray Bennett whose birthdays were in April. Arnold Mortson took his tractor and two wagons and gave the young people a hay-ride over some of the township roads. Then they returned to the community hall where they enjoyed games and contests, and refreshments prepared by the above three ladies. During the refreshment period, three young girls lit the candles on the birthday cakes. While Neil, Freddie and Ray blew out the candles, everyone sang "Happy Birthday." An hour or so of dancing followed.
