Rev. A. C. Huston Pres. Presbytery

Reverend A. C Huston, minister of the Victoria Square charge tof the United Church of Canada was recently accorded the honour of being elected president of the Toronto Centre Presbytery of the United Church at nominations held in Newmarket.

Other officers elected were Rev. H. J. McKay, Toronto, secretary; Rev. Harold Parr, Glebe Road United, Toronto, treasurer; and J. Gordon Coburn, Toronto, son of the late Dr. John Coburn. Toronto Centre Presbytery

extends from central Toronto to the Lake Simcoe area and it is interesting to note that it follows the railway line from Toronto to Lake Simcoe. At the time the Presbytery was laid out some years ago church officials felt that it should cover an area serviced by some means of transportation.

For Northern

In a riding meeting held last Friday, Liberal candidate Joe Dales avowed his intention if elected in the forthcoming Provincial election, to obtain maximum benefits for York County with particular regard to some form of relief from the "undue burden foisted upon the county by the Conservative government's controversial bill 80". Under the terms of Bill 80, the southern municipalities in the county were separated from the north and placed under Metropolitan Toronto.

Mr. Dales, who is Reeve of the Town of Newmarket, and one of that municipality's two representatives on York county council is the Liberal standard bearer for the riding of York North in the June 9th Ontario elec-

Mr. Dales stated he is convinced Metro Chairman Fred Gardiner, "doesn't intend to permit any recompense be made to York county for the loss sustained when 85% of its assessment was placed in the Metropolitan Area." "Why is the Municipal Board taking so long to rule on the undue burden?" queried the

"I feel quite sure that the Municipal Board has no intention of ruling on the matter until after the Provincial election."

Reviewing his six yearsservice on Municipal Council, Mr. Dales promised his listeners that, "if the people of York North see fit to send me to Queen's Park as their representative after June 9, I shall certainly do everything in my power to force a new deal for the northern municipalities."
