**Fourteen Pass Test**  
The First Aid course held by Powell Road Home and School Association proved most successful. Results of exams held in March were recently received and of 14 trying exams, 13 successfully completed the course and were awarded certificates. The Home Nursing Course will be held in the early Fall season. This course will run for 12 weeks one night weekly and for the small sum of \$3.00 a wealth of useful information can be gained.

**Dental Graduate**  
Congratulations are extended to Neil Munro, 72 Grandview Avenue, who graduated from Dental College, on May 27. His parents, Mr. and Mrs. Ken Munro entertained in his honour, on May 28 at the Four Winds Country Club. Many out of town guests were present including his grandparents and aunt from Winnipeg and an aunt and uncle from Detroit.

**Prepare For Pageant**  
Great activity is going on at Powell Road School with the preparation of the Pageant to be held on June 14. Each classroom will take part and a treat is in store for all who attend. Children will have tickets available in the near future.

**Celebrates Birthday**  
Birthday wishes are extended to David Ariss, 19 Meadowview Rd., who will be two years old on June 4.

**Entertainment Night**  
On June 15 and 16 Henderson Avenue School will hold its entertainment in conjunction with the area-wide programs being carried out. Both evenings, a rhythm band, school choir, minstrel show and various other numbers including song and dance routines will be presented.

The Henderson Avenue Senior Boys' baseball team has been enjoying a steady series of wins. The girls team, however, has been less fortunate and is suffering the reverse.

**Annual Outing**  
Twenty-five Cubs and their leaders enjoyed a trip to Niagara Falls and district last Friday, as guests of the Group Committee and Mothers' Auxiliary. This was the result of the efforts of the groups to give the boys one special day with no expense involved.

They visited Queenston Heights, Fort George, Brock's Monument, the Welland locks Niagara-on-the-Lake, (where the big Scout Jamboree will take place this summer) and Niagara Falls. In this way they combined educational values with their pleasures, learning much of vital Canadian History pertaining to famous spots.

In Niagara Falls they were taken on a most comprehensive trip through the Nabisco Shredded Wheat factory, which was a highlight of the day. Each person was presented with three boxes of cereal.

**Cub Badges**  
At the last Cub meeting, Akela Mrs. Smith presented Kenneth McLaren with his first star, and Kenneth and Gary Macey, Dean Wainwright and Wayne Zubeck with their 1st Aiders badges.

**Guide Rally**  
Second Richvale Guides had a successful rally last week, demonstrating their skills in semaphore, compass, knots and games pertaining to Guide activities. The Bluebird Patrol, Marilyn Taylor, leader, were the winners with 33 points followed by the Orioles, Peggy Rae Gottschalk, leader, with 30 points and the Scarlet Tangers with 28 points. Mrs. M. Lawson, Mrs. M. Jarman, leaders of 1st Richvale Guide Co., were judges.

**Variety Night**  
The date for the Variety night at Richvale school has had to be changed to June 8 or the 9th in case of rain.

All the children attending the school will be participating in their first outside public performance. A special stage will be built, with a sound system, lighting effects and plenty of seats for the audience.

For the sake of the pupils and teachers, who have spent many hours preparing this evening's entertainment it is hoped there will be an extra large turnout. H. A. Martin, Music Supervisor for the Area is in charge of songs and Mrs. Ralph Wood, accompanist. Admission charge will be 36c to defray expenses of costumes and equipment, which can be used in future years.

**Personal**  
Mr. and Mrs. Tom Wood, Spruce Avenue, had a family reunion over the weekend, when their daughters and Mrs. Wood's mother visited them. Joan, and her husband, Mr. and Mrs. Tom Mercer, Woodbridge and Kathleen and her husband, Mr. and Mrs. Al Smith, who are now living in Brockville, joined Mrs. S. E. Hall in the weekend visit.

Mrs. Wm. Webb, Long Island, New York, is staying at the home of Mr. and Mrs. Harold Ince.

Mr. and Mrs. L. Burnett and family have driven to Vancouver for a month's holiday.

Mr. and Mrs. Robert Beatty and their three month old son, Robert Jr., visited friends in the neighbourhood over the weekend. They are now living in Royal Oak, Michigan. Their other son, Ronald, is with the U.S.A.A.F.

Many happy returns to Jimmy Gottschalk, who celebrated his 12th birthday last Saturday.

## key to LIBERAL plans for Ontario

| <p><b>WANT HONEST HIGHWAY CONSTRUCTION</b></p>  | <p><i>...the Liberal plans will make it easier for you</i></p>  |   |

**YOU AND YOUR FAMILY** benefit in many ways from this Liberal Program. Briefly, it offers you: More hospital beds — help in long-term illness — health insurance for the uninsured — lower taxes on your home by helping your municipality — increased grants for education — and other important aids to better living.

#### MUNICIPAL

- To help lower the taxes on your home
- A Liberal Government will:
  - Pay all costs of indigent patients in hospitals
  - Take over and pay all costs of suburban roads; pay for all costs of highway connecting links through municipalities within the county road system; take over 10% of county roads; increase grants for township and county roads; legislate to cut road taxation in towns and villages by at least 2 mills.
  - Assume the cost of all county and city jails, as the first step in reducing the cost to municipal taxpayers of the administration of justice.
  - In addition, hold a Provincial-municipal conference to correct the whole unfair distribution of costs between the Province and the municipalities.
  - Limit powers of the Ontario Municipal Board so as to give more freedom to municipalities.

#### EDUCATION

- As a first step in assisting the municipal taxpayer to bear the heavy cost of education, the Liberal Government will increase the grant for education by \$10.00 per pupil.
- Help to reduce the cost of construction of schools by paying grants on the actual cost and not on a lower assumed cost, and by paying all the Provincial share of school debentures at the time they are issued instead of annually.
- Improve teacher training and plan for increased school enrolment

#### HEALTH

- When the Federal Government is able to institute a nationwide health and hospital plan, a Liberal Government will fully co-operate. Until it is financially possible to institute a complete health and hospital plan, a Liberal Government will take the following definite steps to protect the citizens of this Province from the ravages of accident and sickness:
  - Provide hospital and surgical insurance at standard rates through existing agencies, including those not presently insurable because of health, age or non-membership in a group.
  - Provide for insurance against the disastrous cost of long-term hospital or medical care, in excess of normal coverage.
  - Pay all costs of maintaining indigent patients in hospitals, thus relieving hospitals and municipal taxpayers of this burden.

Will double the grants for hospital construction from the present \$1,000 per bed to \$2,000.

#### WELFARE

- Increase the amount of old age pensions to the needy without charge to the municipalities.
- Pay half the cost incurred by municipalities for all unemployment relief, including relief to employables.

#### HOUSING

- A Liberal Government will:
  - Enable citizens to purchase existing homes on the instalment plan by means of insured mortgage loans.
  - Promote low rental housing for low income families.
  - Pay all the municipal share (7½%) of land assembly cost for government housing schemes.

#### CONSERVATION

- Double grants to local conservation authorities and assist them to set up parks, playgrounds and other recreational facilities.
- Take active steps to prevent the erosion of lake shores and to control floods.
- Set up a water commission to ensure adequate water for all areas suffering, or likely to suffer, from a shortage.
