Greenfield-Wood

A very pretty spring wedding took place in Carrville United Church on Friday evening, May 20 at 7 p.m. when Inez Anita, youngest daughter of Mr. and Mrs. Stanley H. Wood, became the bride of Richard E. Greenfield, son of Mr. and Mrs. John Greenfield, Langstaff.

The church was tastefully decorated with mauve and white lilies. The officiating minister was Rev. E. E. Kent. Mrs. Heath was at the organ and Mr. Jack Oliver soloist.

Given in marriage by her father, the bride looked lovely in a gown of white chantilly lace, cocktail length. Her shoulder length veil was topped by a seed pearl crown and she carried a white Bible with streamers of lily-of-the-valley.

Her only attendant was Mrs. Faith Mason of Markham, as matron of honour, in a cocktail length gown of cornflower blue net, with a lace overskirt and

jacket and carried a cascade of red roses.

Best man was Mr. Ed. Mason of Markham, brother of the bride and Clarence Greenfield of Langstaff, brother of the groom. The reception was held at the Community Hall, Richvale, with Mrs. E. Perring catering, assisted by the Vaughan Women Workers.

Receiving the guests were the bride's mother wearing dusty rose crepe with lace trim and navy accessories and a corsage of white carnations and pink roses; and the groom's mother in a dress of blue and white flowered nylon with white accessories and a corsage of white carnations and pink roses.

Following the reception a dance was held at the hall which over 100 guests of both families enjoyed.

For the honeymoon trip to Detroit, Michigan, the bride chose a light blue suit with white accessories and corsage of red roses.

Mr. and Mrs. Greenfield will reside in Richvale.

Out-of-town guests were from Toronto, Markham, Stouffville, Kettleby and Unionville.

May Arbitrate York-Metro Dispute

The Ontario Municipal Board may have to rule on three important issues between York county and Metropolitan Toronto.

Last week Metro executive decided the county would be given until June 30 to come to an agreement on division of costs in 1954 and 1955 for administration of justice, including operation of the juvenile and family court on Adelaide St. E.

York county is also asking compensation from Metro for certain roads costs in the county, which through the separation of the 12 Toronto suburbs from the county, have resulted in which it claims is an undue financial burden.

The OMB will likely have to decide ownership of the York County park near Jackson's Point on Lake Simcoe. Metro would like to buy the 500-acre site but the continuing county of York wants ownership.
