**Horticultural Society Holds Outstanding Tulip Show**

The annual Tulip Show of the Richmond Hill Horticultural Society was held in the Lions Hall on May 20. All classes were well represented and the quality was good, despite the changeable weather. The highlight of the evening was the excellent commentary given by the judge, Mrs. W. C. Campbell. It would be difficult to find another person with such tireless energy and constructive criticism, so obviously appreciated by Mrs. Campbell's large audience.

The iris show will be held on Friday, May 3, at 8 p.m. in the Lions Community Hall. Exhibits must be entered between 6.30 and 8 p.m. Dr. H. MacKay and T. Lambert are convenors of this show. A varied program has been arranged. The judging will be done by Mr. and Mrs. C. W. Wilson, well-known experts from Willowdale. **NORTH YORK**: It took a police escort to aid Mr. and Mrs. G. Milner in rushing their baby to Toronto hospital. The baby was badly scalded in her parents' home in Kleinburg when he pulled a pot of boiling water on himself. The parents attempted to drive to Toronto but became caught in heavy traffic at Lawrence and Dufferin. It took the police half an hour to reach the Milner car through the traffic.

**Wins Trip To Chicago**  
 Saturday, May 28, was the day of the annual York County Junior Farmers' Livestock Judging competition, and congratulations are in order for Don Brodie, who obtained the most points, thereby winning for himself the coveted trip to Chicago. Don also won the Hon. George S. Henry shield for highest standing among contestants in the Senior competition. This is especially noteworthy, as this is Don's first year in the Senior division. His sister Cora won a trip to Chicago last year for her work in the girls' branch of the Junior Farmers.

Mr. and Mrs. Merrill Johnson entertained Mr. Johnson's sister from below the border over the week-end.

**Sunday School Anniversary**  
 Sunday was anniversary in Headford Sunday School, and a joint service was held in the church at ten in the morning. The pupils sang two selections, and Margaret Brodie, Ann Curtis, Millie Willis and 'Elizabeth Coulter sang "In The Garden." The address was given by Rev. Huston. There is something extra enjoyable about the occasions in Headford, when we hold joint services.

Among the visitors for the service were Mr. Ruttan and Donnie, Mrs. Isaac Reaman and Bobbie and Jean; Mr. and Mrs. John Simpson and Noreen; and Mr. and Mrs. Wes Comisky.  
 For the evening service, Rev. Horace Burkholder, B.A., B.D., was the speaker, choosing as his subject "Building a highway for God into your child's heart." Music was by Headford's own choir under the direction of Mrs. Stewart Rumble. A social half hour followed.

LESLIE M. FROST, Prime Minister of Ontario

**A Personal Message to You**  
 from  
**Premier Leslie M. Frost...**

**Dear Friends:**

Your community—along with a thousand others—forms the keystone of Ontario's progress and prosperity. As your population grows, Ontario grows. As your schools, hospitals, utilities and roads improve, Ontario improves. And as you and your community prosper, Ontario forges ahead as the greatest province in Canada.

To keep Ontario—and all its people—going forward to greater progress and prosperity, I ask you to re-elect your Progressive Conservative government in the Provincial Election being held on June 9th. Give the Progressive Conservative Candidate in your riding the opportunity to carry on your government's excellent record of making Ontario a better place for you and your family. As proof of that record, look at these facts:

1. This year, government grants to municipalities amount to \$165 million, or more than 44% of all provincial revenues. This large sum of money will help build new schools, hospitals, roads, bridges, community centres and other services. All this will be done at a saving of about one-third of all the local tax bills.
2. We believe that every child in Ontario has an equal right to free education—and that Ontario should have the finest schooling in the country. In 1955, your government will spend over \$102 million on education, including the greatest school building campaign in our history.
3. Your Progressive Conservative Government has helped bring the modern convenience and comfort of Hydro to over 85% of rural Ontario. Half the cost of bringing in rural Hydro lines has been paid for directly by the province.
4. Jobs for over 175,000 people will be provided by the \$700 million construction program of the province and its municipalities, which is now underway.
5. Your provincial government was the first in Canada to make discrimination illegal. Every citizen of Ontario—regardless of his race, colour or creed—has the opportunity to live where he likes, to work at any job he chooses, and to rise as high in life as his own ability can take him.
6. Ontario's government has provided grants for 74 new homes for the aged, 25 thousand new hospital beds. We have secured Old Age Pensions for all at 70 and for the needy at 65. Ontario is the first province in Canada to provide pensions for the totally disabled and the blind at 18.

The spectacular achievements of the past three and a half years have been accomplished with *no new taxes*—and with some tax reductions. Ontario's taxes are the lowest in Canada.

On June 9th, I ask for your support of my government. I urge you—in your own best interests—to elect the Progressive Conservative candidate in your riding... for the prosperity and progress of everyone in this great province. Forward ONTARIO!
