The Richvale girls defeated Charles Howitt team last Friday afternoon at the final game in the northern series, held in the Thornhill Park. They are now the northern champions and are looking forward to their best bout of three series with Thornhill girls, the winners in the south, to see who gets the cup for the area.

Richvale boys lost to Langstaff, making Langstaff the victors in the north.

**Girls' Ball Team**  
The girls beat King last week and will be playing a home game on June 10 at Richvale school at 7 p.m. Their opponents will be Vellore and the coach and team hope supporters will be on hand to encourage the girls.

**Chas. Howitt Rec. Assoc.**  
The association is pleased to announce that Mrs. Parker, Oak Ridges, will be the supervisor for the summer program. Mrs. Parker has advanced some excellent new ideas for entertaining and teaching the children. She has hopes of a band, folk-dancing, puppet and net-making, basket-weaving and physical training. If plans continue developing opening day will be Monday, July 4. Further information will be available before then.

The Guides and their Captain Mrs. H. Gottschalk, Mrs. J. Kirk, Commissioner, Mrs. Taylor, Mrs. Morrison and Mrs. Gordon had a wonderful evening of bowling in Richmond Hill a week last Tuesday. After which they gathered at the home of Mrs. Gottschalk for refreshments and the Guides gave their captain a set of matching jewellery in commemoration of their happy and successful year together. They would like to thank all who supported their recent bake sale.

**118 Attend Richvale Troop Mother & Daughter Banquet**

One hundred and eighteen Brownies, Guides, their mothers and guests gathered at the Richmond Theatre Grill, Richmond Hill, on Thursday June 2 to hold their mother and daughter banquet.

At the head table, decorated with blue and gold trefoil place cards and backed by the Companies' flags were Mrs. J. Kirk, District Commissioner, Mrs. D. R. Gunn, Area Commissioner, the Brownie and Guide Leaders, Mrs. F. Bigley and Mrs. F. Nelson, man, Brown and Tawny Owls, Mrs. H. Gottschalk, Captain 2nd Richvale Guide Co., Mrs. M. Lawson, Capt and Mrs. M. Jarman Lt. of 1st Richvale Guide Co. The guests were Cubmaster Mrs. C. Smith and her assistant Mrs. M. Millard, Mrs. J. Allen, Mrs. Taylor Snr. and Mrs. Harold Taylor, President of the 2nd Guide Co. Mothers' Auxiliary, Mrs. W. Adams Snr., Mrs. H. Skippon and Mrs. F. Millman, Mrs. D. Sim was unable to attend.

After the Brownie grace, said by Mrs. Kirk dinner was served, and at the conclusion, the guests at the head table were introduced to the girls and their mothers.

Mrs. Smith proposed the toast to the Queen and Brown Owl made the toast to the Brownies and Guides. Mary Parker, Brownie answered, Guide Elaine Gordon toasted all the mothers and Mrs. R. Miller responded, with a few very fitting words, stressing the necessity of good health, spirits and fairness on the part of the girls in all phases of life.

Donna Wainwright was toastmaster for the Leaders, to which Mrs. H. Gottschalk replied, telling the girls what pride their leaders had in them, and the sense of accomplishment all felt at the end of a hard year.

The Guide Companies made presentations to the Commissioner, Mrs. J. Kirk, on behalf of the girls. Mrs. R. Paul presented Mrs. Kirk with a gift on behalf of all the mothers for her untiring efforts through the year and Mrs. H. Morningstar thanked the leaders on behalf of the mothers for all they had done and asked them to accept a small token in remembrance of their busy year. Mrs. H. Gottschalk was presented with a gift from the mothers at the last Auxiliary meeting.

The little Brownies had taken up their own private collection to try and show Brown and Tawny Owl how much they thanked them for the happy year they had all had together and at camp, and Mary Parker presented Brown Owl with a cup and saucer and Margot Martin gave Tawny Owl a cup and saucer on behalf of all the Brownies.

Mrs. Gunn told the girls and mothers how glad she was to attend their banquet and congratulated them on the progress they had made in the last five years, since their inauguration. Richvale Guides have won the North York Area Division shield for three consecutive years and the Brownies also won the shield two years ago. The groups have enlarged greatly from the original few who joined Brownies and Guides, some of the first Brownies are now Guides of high standing and the girls in general are a great credit to their leaders and community.

The program was brought to a close by an excellent display of magic demonstrated by Mr. Jim Nelson, a teacher of Forest Hill school, who was introduced by Mrs. D. Gilmore. The girls were fascinated by Mr. Nelson's tricks and assisted him in many of them.

After the banquet some of the mothers defeated the girls in a bowling competition.

It was a very happy and enjoyable evening for everyone who attended and many thanks are given to the Legion, Branch 375 who were kind enough to show their "Lend a Hand" spirit, by supplying the tables and benches for the banquet, without which, the mothers and daughters would not have been able to meet for this memorable occasion.

**Consider Street Numbers Richvale**

At the last meeting of the season, the Richvale Ratepayers Association discussed many points of interest to be followed up in the fall.

A motion was passed that Pearson Ave., be continued North to Carrville Rd. At the present time Council owns a lot between Oak and Edgar Ave., but as yet it has not been decided where to make the road, through from Oak to Spruce to Carrville, the motion will be presented to Council for consideration.

A house numbering committee was also formed, as there seems to be a great deal of confusion the way the houses are numbered by lots at the present time. Mr. A. Snowden and Mr. J. Taylor will make a survey from Carrville Rd. to Edgar Ave. and Avenue Rd. to Yonge St.

Mr. Bailey has no news on the water situation at the present time and the next meeting will be held in September.

The present condition of roads was mentioned and the unbearable dust problem which is a result of this situation, and it was suggested that there may be oil put on in the near future.

**Howitt Home-Sch. Stresses Importance Of TB X-Rays**

At the final meeting of the year, of Charles Howitt Home and School the guest speaker Mr. A. S. Patterson, Field Secretary for the National Sanitarium Association stressed the great need for cooperation of the general public in regards to the vast facilities offered by the Association. Free X-Rays are available to everybody and degrees of prevention and cure were demonstrated in the fine film "Inside Story", shown to the audience.

T.B. is definitely not hereditary, as proven by the maternity wards in the Sanitarium, mothers suffering from tuberculosis have their babies, which are immediately taken away from them and are born with no sign of the disease.

In the film, which is narrated by a Doctor, it is shown how the bacillus is carried by the air, through coughing, etc., and the germs may be picked up by many people. Healthy people may throw off these germs or they may lie dormant, but a weakened condition may make the germs active. Therefore it cannot be stressed too strongly that regular X-Rays be taken, and good general health habits carried out. Mr. Patterson advised everyone to take advantage of the travelling medical unit when they visit their communities.

Mr. Patterson was introduced by the Health Convener, Mrs. R. Swindle, and thanked by Mr. Sheridan for the interesting and important talk and film.

The election of officers took place next and the following are the executive for next year: Mr. Gilmore, president; vice-presidents, Mr. Hansen and Mr. A. Peck; Recording secretary, Mrs. Le Roux; corresponding secretary, Mrs. J. Coghill; treasurer, Mrs. Brash and the executive consisting of 5 members, Mr. J. Coghill, Mrs. E. Hall, Mrs. Oliver Mrs. Webster and Mrs. Sheridan. Mrs. Toogood, president of the York Simcoe Home and School Council installed the officers and presented Mr. Gilmore with the gavel of office. The next meeting will be held in Sept.
