CARS ARE MY LINE

By Bud Lauria

Hidden away on a ranch near Hollywood is one of America's most amazing, and valuable, used car lots. We're pretty proud of our used cars but this one, we'll have to admit, has us beaten all hollow.

No one except a few hand picked actors and directors and a few mechanics is ever permitted to look over the Warner Bros.' collection of 160 antique and foreign cars. There are rows and rows of them, a 1903 White, 1906 Franklin, 1904 Tourist (with a fringe on top and a door in the back), a 1914 Mercer and so on. The most modern of the collection is a 1938 model which is brought out for movies with scenes depicting pre-war days.

For that, of course, is the reason Warner Bros. maintains this unique collection, to give reality to pictures of other days. There are also, so a friend tells me, antique foreign cars in the collection. A 1903 Renault taxi, the French Peugeot coupe, an early British Austin and a German Open.

Every one of them is in perfect running order and gleams from careful attention. In fact, a man has to be assigned to throw mud on them so they'll look more realistic in the movies.

The star of the collection is a 1900 Stevens-Duryea, a two-passenger runabout with huge spoke wheels and a tiny engine. It, too, runs perfectly.

This is an outstanding example that with careful attention and regular servicing an automobile will last a mighty long time after the owner has passed it along to another. That's the basis of the used car business. Drop in and browse around anytime, let us show you cars that can fit any taste. We'll tailor terms to fit your individual budget too.

Child Health Centres

Volunteer local lady is seen assisting to weigh a baby at a "Baby" Clinic. These Child Health Centres which are sponsored by your Health Unit are located in various centres throughout York County.

A child health centre is organized in an area after the people have expressed a desire for its organization. It is sponsored by one of the women's groups such as the Women's Institute, Red Cross, or the Home and School Association.

Mothers with new infants and youngsters up to school age are invited by the visiting Public Health Nurse to attend. There is always a reminder announcement each month published in your local paper.

These centres are staffed by a Doctor, public health nurses, and volunteer workers from your sponsoring group. The doctor conducts an immunization program, beginning with the infant at three months of age, which include inoculations for Diphtheria, Whooping Cough, Lockjaw (Tetanus) and vaccination against Smallpox. The public health nurses conference the mothers with problems varying from the every day care of the infant, to training the development during the early years. The volunteer workers assist with records and with weighing the babies.

There are 11 centres operating within the York County Health Unit. Check this list for your centre and make a visit in conjunction with your visits to your Family Doctor.

York North Election Returns

Lex MacKenzie, Conservative, was re-elected to a fourth term to represent the riding of York North in the Ontario Legislature in last Thursday's voting. Mr. MacKenzie, a Woodbridge farmer, was first elected in 1945.

The successful candidate secured a plurality of 2682 over his nearest opponent Joe Dales, Liberal. The C.C.F. nominee Larry Scheffe ran a poor third.

A breakdown of the voting by municipalities is as follows:

	Dales	Mackenzie	Sheffe
Township of Georgina	409	414	58
Georgina Island	27	10	0
Village of Sutton	229	273	35
