Richvale Pupils Present Outstanding Variety Night

The pupils and teachers at Richvale School are to be highly commended for a most outstanding evening of entertainment presented Wednesday June 8.

From the tiniest participants in the Rhythm band, to the older group of girls and boys, the performances were excellent. Mr. Hugh Martin was in charge of the singing and must also have been very proud of the results of his teaching.

Levels 1, 2, 3, 4, and 5 took part in the Rhythm band. They were dressed in blue and gold costumes and were led in selections by Wayne King. Their attentiveness added to the enjoyment of their timing and music.

Levels 6, 9, 12 and Grade 4 presented a delightful singing sketch entitled the Lemonade Stand. The girls and boys performed like seasoned actors, with clear speech, expression, tuneful songs and two well executed dances.

In between numbers, Gary Skippon entertained the audience with two examples of his elocution.

Grades 5, 6, 7 and 8 put on a minstrel show called The Spooky Minstrels. The chorus entered as ghosts, and later shed their shrouds to appear in colourful costumes. The end men were fine black-faced comedians, the

solists also black-faced and the interlocutor in evening dress.

The story was well carried through and interspersed with songs. The jokes were perfectly timed and the spirit of great fun and enjoyment of the performers was passed on to the audience. Congratulations were extended by all present to the interlocutor, Pauline Paul, Barry played by Bobby Blackburn, the end men Linda Baker and Doug Sykes and the solists Helen Burns and Gail Lewis.

Donna Wainwright accompanied the chorus at the piano during one of their numbers and the older girls and boys helped a great deal with stage and scenery. Mr. W. Downing did a splendid job of sound and lighting effects.

Many proud parents, relatives, former teachers and friends think it was the finest concert ever put on by the pupils and hope they will repeat it next year.

LANGSTAFF NEWS

CORRESPONDENT: MRS. M. J. ROY

The regular monthly meeting of the Junior Institute was held at the home of Mrs. C. Jones, Boyle Drive. The president, Mrs. B. Pattison, called the meeting to order with the usual opening ceremonies. Roll call was "Bring a Spring Flower" and ten members answered. Final plans were made for the Tea to be held shortly. The first prize for the June Tea will be a quilt, hand made by the members. Other valuable prizes will be given. There will be no meetings during July and August.

The baseball finals were played off last Wednesday and Thursday, and Henderson Avenue School were the victors, winning over Langstaff-two games to one.

The house league games have been played also and the winners in the boys were the Wolves, captained by John Kerr, and in the girls—the Canaries, captained by Glynis Mackean.

The date for the Open Air Concert has been set for June 22nd. It is expected that all the children will be taking part and all the parents are invited to attend.

Grades 6, 7 and 8 are planning a trip to the Department of Lands and Forest, Maple, and other points of interest close by and we will be reporting on this next week.

The children will be bringing home notices re the swimming lessons given every summer at the Thornhill Pool for the school children. When we read of all the drownings that occur every summer, we realize it is a wonderful thing for the boys and girls to be given an opportunity to learn to swim.

Birthday greetings to Mrs. A. Watt, Sussex Avenue, who celebrated her birthday, on Monday of this week.

The sympathy of the community is extended to Mrs. R. McArthur, Yongeview Avenue, on the death of her mother, Mrs. Lillian Jane Muir, of Toronto.

Mrs. K. Palmer has returned home from the hospital and is recovering from her recent illness.

Mrs. G. Clayton, No. 7 Highway, is leaving Langstaff to take up residence with her son, P.C. George Clayton, Richmond Hill. Best wishes of her friends and

neighbours go with her.

Mr. and Mrs. J. Honor, Morgan Drive, attended the 50th wedding anniversary of Mr. and Mrs. S. J. Roy, Toronto, on June 4th, with Mr. and Mrs. M. Roy and family. Mrs. Honor is a sister of Mrs. Roy Sr.

Still Fishing Champion

A group of Sussex Avenue neighbours, Ken Stiver, Bruce Mountjoy, and Stan Lockhart, have been making an annual fishing trip to Haliburton for the past few years, accompanied by Gord and Walter Manning brothers-in-law of Mr. Mountjoy. This year's outing took place on the weekend of June 4th. There is keen competition among the group as they give their all in friendly rivalry to reel in the largest fish. This year, again, Bruce Mountjoy, hooked the winner and maintains his status of champion and holder of the cup.

Cub Rally

The Keego Pack of Langstaff Cubs attended their first rally last Saturday with Cubmaster Mrs. Perry at Thornhill Park and were awarded an "A" pennant for their work. There were only two A pennants in the northern section so Keego Pack may well be proud of their efforts. Keneu Pack were just a few points behind and won a "B" pennant which made them and their Cubmaster Mrs. Goodwin very happy. This was the annual York Central rally for cubs.
