Frances L. Beatty Weds Albert Orr

A very pretty wedding took place July 2 at the home of the Rev. J. O. Totton of Richmond Hill when Frances Louise Beatty, eldest daughter of Mr. and Mrs. George Beatty, Richmond Hill, became the bride of Albert Elmer Orr, only son of Mr. and Mrs. Elmer Orr of Maple, R. R. 2. The Rev. Totton performed the ceremony.

Given in marriage by her father, the bride wore a waltz-length gown of white lace and tulle over taffeta. Her veil was held by a coronet of pearls and she carried white carnations and rose buds and pink gladioli. Her bridesmaid was Miss Alice Mihorean who wore a light blue tulle over taffeta gown and carried pink and white carnations and blue corn flowers.

Mr. Peter Jones, cousin of the groom was best man. The reception was held at the home of the bride's parents. The happy couple left for points north. On their return they will reside in Maple.

Lions Plan T.B. Survey Richmond Hill July 18

All persons, 12 years of age and over in Richmond Hill will be given the opportunity of safeguarding their health by having a free chest X-ray when a community X-ray survey begins on July 18. The survey will be promoted by the Richmond Hill Lions Club and conducted by the National Sanitarium Association.

The announcement was made by Lion President Howard Jackman, who expressed the hope that every resident of Richmond Hill would take advantage of this special opportunity. The Unit will be located at the Municipal Hall and will be in operation from 2 p.m. to 9 p.m.

The Richmond Hill survey is part of the war on tuberculosis begun in 1945 by the National Sanitarium Association to find this disease in its early stages. An X-ray will take only a few moments of each person's time, Mr. Jackman pointed out. It is free, the cost is borne by the proceeds from T.B. Christmas Seals. Clothing removal will not be necessary. The most up-to-date equipment, which uses 70 mm. film and can handle 100 persons an hour will be used.

These miniature plates, when read by experts compare favourably with the full size x-rays. Tuberculosis of the lungs, if found in the early stage and treated, is almost always completely curable. Nevertheless, nearly as many Canadians died from this disease during the war as were killed by enemy action. More persons die from tuberculosis in Ontario than from all other infectious diseases combined. Many of these were needless deaths Mr. Jackman stated. Tuberculosis is a disease that can be controlled, but it is highly communicable, and too often it is not discovered until it has reached advance stages. Only the X-ray plate can discover the disease at the early stage.

Further plans regarding the Richmond Hill survey will be announced as they are completed. In the meantime, public health officials are most anxious that everyone give the project their whole-hearted co-operation. With this co-operation they are convinced that Richmond Hill will be well in the forefront of Ontario communities in the prevention of Tuberculosis.

Chartered Accountant Opens Office In New Northern Bldg.

Another new business for expanding Richmond Hill Village comes with the opening of the professional offices of Mr. Philip Swan, Chartered Accountant, who will be on July 15, moving into his new modern premises in the new Northern building, on the ground floor at the rear of the Royal Bank of Canada. The establishing of Mr. Swan's practice will be, we believe, the first opening of a business offering Chartered Accountant's services in the village, which marks one more step in the progress and development of rapidly growing Richmond Hill.

Born in a small Western town in Saskatchewan, where he re-

PHILIP SWAN

ceived his early education and later moving with his family to Pt. Arthur, Philip, who is 29 years of age, served in the R.C. N.V.R. during the last war, entering the University of Toronto, following his discharge, from where he graduated in 1949, with the degree of Bachelor of Commerce.

Associated with the well-known prominent firm of Thorne, Mulholland, Howson and McPherson, Chartered Accountants, from 1949 to 1954, Philip received his final degree as a Chartered Accountant in 1952. In September of last year, Philip opened his own practice at his Toronto office, 1041 Avenue Rd., and even prior to that time was intensely interested in the potential development of the Northern suburbs and particu-

larly that of Richmond Hill Village. An attendant of Deer Park United Church, he is a member of the Deer Park Men's Association, as well as an usher during services.

Philip is a member of the Toronto Board of Trade, the Toronto Granite Club and the Canadian Progress Club, as well as many other community organizations.

An ardent golfer and badminton enthusiast, Philip expresses some doubt as to his possible free time in the immediate future while establishing his new practice.

An enthusiastic booster of the many desirable attributes of Richmond Hill Village and the continued desirable development of the area, Philip is welcomed by us all, as well as all the local businessmen, who wish him well. Mr. Swan has taken up residence at Yonge and Vaughan Road in Richmond Hill.
