The bride, given in marriage by her father, wore a long length gown of white satin with portrait neckline and long sleeves. Layers of Chantilly lace formed the flounce and the front panel of the skirt. Her three-quarter length veil was held by a pearl-trimmed cap. She carried a bouquet of red roses.

Miss Margaret Rowe, Demorestville, was bridesmaid. She wore a waltz length gown of white lace and blue nylon net over blue taffeta with blue net stole and mittens and blue flow-

ered headdress. She carried a bouquet of pink roses. Mr. Donald Creasy, brother of the bride was groomsmen. Ushers were Robert Brown and Harold Creasy. A reception was held on the lawn at the home of the bride's parents. The bride's mother wore a corsage of flowered navy sheer with dress of pink roses and poms. Mrs. S. Freethy, matron at the LTB & Orange Home, has just returned from a ten-day holiday trip during which time she visited her two daughters, Mrs. R. L. Reeves of St. Catharines and Mrs. John Sproule at Deep River, Ont.

Mrs. Frank Gardner's many friends in this community, especially the women of the 1st Jefferson Scouting Group, and others Auxiliary, were sorry to learn she is confined to bed as the result of illness and trust it will not be too long before she is up and about again.

Mrs. Ross Kerwin and children, David, Judy and Stephen, returned home Monday from their cottage at Big Bay Point, where they spent the summer holidays.

Mr. and Mrs. S. Elliott, Elgin Mills, are entertaining Mr. Elliott's brother and his wife, Mr. and Mrs. Joseph Elliott of Melbourne, Australia. This is the first reunion the brothers have had in 40 years.

Mr. and Mrs. Jack Passmore and children are home again after enjoying a month's vacation at Bon Echo, Ont.

Mr. and Mrs. E. Sprague, Elgin Mills, enjoyed a pleasant two week's tour of eastern Canada last month, visiting first at the home of Mrs. Sprague's brother, George Crampton, Innisville. Innisville is the fishing centre of Lanark County and Mrs. Sprague's home town. At Ottawa they stayed with Mrs. P. Flanagan before going on to Smith's Falls and the home of Mr. W. Crampton. Visiting Al-

xander Bay in the Thousand Islands they met cousins they haven't seen for some years. 1st Jefferson Cubs & Brownies The Fall season for the 1st Jefferson Brownies got under way at the old Jefferson school last Tuesday. **Bereaved**  
On behalf of this community we would like to express deepest sympathy to Donald S. MacPherson, and his family in the death of his wife, Carrie Birdsall MacPherson, last Tuesday, August 30.

Mr. MacPherson, who is principal of Maurice Cody School, Toronto, is also the principal of the Orange Home School. Sincere sympathy is extended also to Thos. Dick and his family, with the sudden loss of his brother, Jack Dick, on Friday, September 2.

Jack Dick had just reported in to work when he was stricken with a heart attack and died before he could be removed to hospital. A nephew of Mr. Dick's, Jack Anstey, who worked for the ambulance company which answered the call for assistance, did not know it was his uncle who had died, until after he arrived at the scene. The funeral was held at Port Credit on Monday.

**Orange Home Visitors**  
Three Worshipful Mistresses of the L.O.L. visited the Orange Home last Sunday afternoon with a party of friends from Hamilton, Windsor and Buffalo, — brought by Mrs. Beth Harvey, Deputy Mistress of the Grand Lodge, Ontario West.

While this party was enjoying tea in the bright and colourful dining room, five other visitors arrived. They were former wards at the Orange Home, who had brought their wives to see their former home, and we felt this was indeed a tribute to the fine 'family' atmosphere which is so much a part of the Home.

## Fire Fighters THROW OUT RED

No—not a Communist, but the fire-engine red that goes with clanging bells, screaming sirens and racing fire trucks.

The Kent Fire Brigade, in England, has gone against tradition and now uses vehicles of aluminum—for three good reasons: No more painting. Less gas... we mean petrol. And better roadability and handling because of the lighter-weight aluminum bodies. We'd guess there's a further premium that the Kent folk enjoy: pride in their fire brigade when it flashes by in its gleaming new dress. Few materials can match aluminum for its fresh and lasting good looks.

## MEMO TO ADVERTISERS

**Q. What are the 3 most important rules for profitable newspaper advertising?**

- A.**
1. Your advertising message should be newsy, friendly, informative, easy to read. Give facts and news about your merchandise and service.
  2. Advertise regularly. Make your advertising do what successful salesmen do—call on customers and prospects consistently.
  3. Insist on audited circulation reports that give you the FACTS about the audience that your sales messages will have when you buy newspaper advertising.

**Q. Is there a measure for the value of newspaper circulation to an advertiser such as the standards a merchant uses in buying merchandise—for example, like STERLING on silver?**

**A.** Yes—in the well known circulation standards of the AUDIT BUREAU OF CIRCULATIONS.

**Q. What is the A.B.C.?**

**A.** The A.B.C. is a cooperative, non-profit association of 3,450 advertisers, advertising agencies and publishers in the United States and Canada. Organized in 1914. Brought order out of advertising chaos by establishing a definition for paid circulation, rules and standards for measuring, auditing and reporting the circulations of newspapers and periodicals.

**Q. What does A.B.C. do for me?**

**A.** At regular intervals one of the Bureau's large staff of experienced circulation auditors makes a thorough audit of the circulation records of each publisher member. The results of each audit are published in an easy-to-read A.B.C. report for your use and protection when you buy newspaper advertising.

**Q. What are the FACTS in A.B.C. reports?**

**A.** A.B.C. reports tell you how much circulation, where it goes, how obtained and other FACTS that help you buy advertising as you would make any sound business investment—on the basis of known values and audited information.

**Q. Are all publications eligible for A.B.C. membership?**

**A.** No. Only those with paid circulation. This is important to advertisers because it is evidence that the paper is wanted and read.

**Q. Is this newspaper a member of the Audit Bureau of Circulations?**

**A.** Yes. We are proud of our circulation. We want you to know the FACTS about the audience your selling messages will have when they appear in these pages. Ask for a copy of our latest A.B.C. report.
