

THIS YOUR INVITATION TO SHOP IN

RICHMOND HILL

This page is a special invitation from Richmond Hill merchants to visit their stores. You are assured of a warm, neighbourly welcome and you will find shelves well stocked with choice merchandise, and the prices right.

Richmond Hill and district is well served by a variety of retail stores. There are up-to-date food stores, drug stores, flower shop, stores for men's and ladies' wear, variety and hardware, in fact stores to cater to your every need.

A pleasant and profitable place to shop, however, means more than an attractive building and well-stocked shelves. Of great importance is the personal element — the storekeeper and his staff. Here again Richmond Hill is fortunate in being served by merchants who know their own business and who are interested in the welfare of the village and community.

IF YOU BUY A NORGE DRYER
★ You don't freeze your fingers hanging out your washing.
★ You save so much time — cuts ironing down a third. It takes a lot less time to put the clothes in a dryer than it does to hang the clothes on a line and then take them off.
★ Any day can be washday, rain or shine.
★ Makes washday a pleasure.
★ Beautifies your back garden — you can take that clothesline eyesore down and also that ugly looking pole.
★ Your clothes last longer. There is less wear on your clothes.
★ Your clothes are dried cleaner and smell fresher.
Only Norge Dryers dry in four different ways.
