### Maple Community Centre Committee The Community Centre

Committee which has recently had a new executive has been meeting quite regularly to tie up many items of business and acquaint the executive with the organization. At the last regular meeting, held last Thursday, October 27, a partial executive was present and the decision was made to erect a sign on the Community Centre hall. A committee of two, consisting of Bruce Langille and Harold Miller, was appointed to look after the details. It is planned that the letters of the sign be made of enamelled plywood.

A number of bills were passed for payment and a motion was made that the regular monthly meeting night of the committee be the last Wednesday in each
