Midgets Meet Friday

Thornhill Midgets will hold an organizational meeting this Friday night, November 11 at 7.30 p.m. at Trinity Anglican Church. All boys between the ages of 14-16 as of October 1, 1955, are welcome. Season's passes for the games will be sold again this year. The lucky draw on these tickets which will be held next month, will be for a \$50. prize.

CANADA'S MISTER HOCKEY

Foster Hewitt doesn't need any introduction to Canadians. Enough to say that he's on hand once again to broadcast the National Hockey League games every Saturday night — a weekly assignment he's had since the Maple Leaf Gardens opened in 1931. Hewitt holds a world's record for length of service in

broadcasting; he started in 1923 when he was 18, and shortly afterwards made the first broadcast of a hockey game in Canada. Ever since then he's been so closely associated with the game that he is as well known to hockey fans as any of its greatest players. While in college he was an undefeated boxing champion, and has written many books on hockey.

Bantam Team To Be Backed By Rams Club Aims To Develop Player Pool

The coaching staff of Richmond Hill Rams has announced the club will back the Bantams (under 14 as of August 1), with the long range view of developing a player pool.

It was previously announced there would be a Midget team but it was found that players of this age level were scarce, hence the change in category. Most of the Junior O.H.A. team will be around next year and the present Bantam team will move up to Midget, therefore, in a few years the over-all hockey picture will look very bright. The Pee Wees, now over 200 strong, will provide top hockey material for future years.

At last report, the Junior O.H.A. team will be in a group which includes Aurora, Stouffville, Unionville, Orangeville and Brooklin. The Rams will have to work hard as Richmond Hill has been minus organized 'big time' hockey for quite a few years. The team at present has been cut down to 22 players, and since only 12 players per game can be dressed the boys will have to fight for a position in the starting line-up.

John Almond and Jim Cottrell, former Unionville Jets, have looked good during workouts while Stevens and Shepherd are two players who will shine this

season. Coach Mack Clement has been working the team in scrimmages in order to make his cuts and at the same time to help put the team in condition. By the end of this week he should be ready for the more technical side of the game.

Next week's Liberal should have the O.H.A. schedule appearing on this page as the coaches and managers will be getting together at Aurora for this important job. Richmond Hill will be playing most of its home games on Friday night with the odd game being played on Wednesdays. The club's uniforms will be patterned after the Barrie Flyers with green and white with black trim as the colours. The Junior Rams will have basically green uniforms while the Bantams will be mostly white.

At the beginning of this season it was announced by the Arena Association that hockey team sponsors would be very welcome. No one came forth to sponsor any team with players above the 12 year age. This meant that Richmond Hill, with artificial ice for the first time, wouldn't have any hockey, of a competitive nature, with other towns. The Arena Association was not in a financial position to operate

a team or teams, therefore the President of the Arena Association contacted various Association members and they decided to give Richmond Hill a chance to see good hockey.

The Richmond Hill Rams Hockey Club has as its executive the following: President, Dr. John Wynne, 1st Vice-Pres. T. Thomasson, 2nd Vice-Pres. G. Chassie, Secretary R. Snider, Treasurer C. Bowden, Public Relations W. Ellis.

Bantam or Junior players who wish to try out for a team are asked to contact the Arena office.

Maple Badminton Club A Success

The Maple Badminton Club, although only in its second year of operation can well be proud of the increased membership and interest being shown by residents of Maple and King City.

Organized in 1953 by Mr. John Page and Mr. and Mrs. Al Godfrey, the club was given its start by John Perry who donated the nets. From this initial start, the club has grown steadily with 15 members at present and more joining steadily. The club meets every Monday and Wednesday evenings at the Maple Community Centre and the courts are in constant use. Social parties and weiner roasts are also held throughout the year by the organization.

Dr. Phil Macfarlane, treasurer of the club reports that a large volume of the new members are young married couples from the new subdivisions in Maple and King. He added that the first hour of each meeting night is open to free playing by teenagers in the community who are interested in badminton.

New members this year are Mrs. Mary Hood, King City; Wm. Drinkwater, King City; Hugh Drewbrook, Maple; Mr. and Mrs. John Belknap, King City; and Mr. and Mrs. Bruce Prentice, Maple.

The executive for this year consists of Al Godfrey, president; Margaret Bailey, secretary; Jean Godfrey, press secretary; Don Hodge, vice president; Mrs. Phil Macfarlane, vice president; and Dr. Phil Macfarlane, treasurer.

Diamond & Jensen Slash Their Way To Victory

Tuesday night's semi-final at Thornhill Market saw Bobby Davies score an upset over Ron Ronescu in a two out of three fall match.

Ronescu's villainery tactics came to no avail against Davies' speed and science. In the second bout, Teddy Turner won when Chivo Ward was disqualified for using illegal tactics.

Jim Hopkins pinned Bob Roberts in four minutes of the opening bout.

Slash Way To Victory

The main event featured Rocky

Bowley and "Scissors" Joe Greenfield against Jack Diamond and Alex Jensen in a tag-team match.

Greenfield got the first fall with a body scissors on Alex Jensen.

The second fall saw Jack Diamond pin Rocky Bowley with a series of body slams.

The win/loss fell went to Alex Jensen and Jack Diamond with a cobra hold.

Greenfield suffered slashes to the head from a tack picked off the mat by one or the other of the Hamilton Riot squad.

Hilltop Sports

By Bob McCurry
Last Monday was the first day of the season at the local arena. The whole time (1.30 to 3.30) was given over to an ice party with free admission for all students which resulted in a large turnout.

The first event was a race between the colour teams. This was a close race between the Red and Orange teams, but the Orange team with a burst of speed won the round.

A hockey game between the boys and the girls were refereed by Principal V. Morrow. The girls used hockey sticks in the regular manner while the boys

turned them around and manoeuvred the puck with the stick handles. Jim Pollard led the scoring for the boys and Carole Mansbridge for the girls. The final result was 4-3 in favour of the boys.

Monday's skating was free, but this is the only time it will be. There is still a chance for anyone who wishes to buy their ice card as they are still on sale in the break-periods at \$2.00. More parties are planned; the next one is on the last skating day before Christmas which will be in about a month.

Hockey started on Tuesday between the colour teams.

17 Bush Fires In Simcoe Area

With the 1955 fire season now officially over, forest protection staffs are busy completing fire reports, checking over equipment and completing as much work as possible on improvement projects before winter weather sets in.

Some 17 fires were reported in the Lake Simcoe Fire District since April 1, burning over an area of approximately 580 acres. Carelessness on the part of campers and smokers was the cause of 11 fires and the greatest part of the acreage burned. Other fires were attributed to settlers, road construction and lightning. Fortunately, very little mercantile timber was affected, although less obvious damage in injury to soil covering and young growth cannot be minimized.

Hazard conditions were unusually high during the past season and particularly during the months of May, June and July, when all but three of the fires occurred.

Outside of the fire district, the Reforestation staff also had an equally busy time on extinguishment of fires which threatened County Forests and plantation areas.
