## THANK YOU!

To my colleagues on council, members of the municipal staff and the citizens of Richmond Hill, I wish to express my most sincere thanks for the presentation and expressions of good will at the testimonial dinner last week.

It has been a great honour and privilege to have served on council for twenty years and for your often expressed confidence I extend my heartfelt thanks. If in even a small way I have contributed to the betterment of Richmond Hill I am more than repaid for my efforts.

To one and all at this festive season my sincere wish for joy and real happiness at Christmas and health and prosperity all through the coming year.
