King City Lions City

Flying Officer A. K. Sheppard, second in command of the RCAF station at Barrie was the speaker at the King Lions dinner meeting May 15.

F.O. Sheppard was introduced by Lion J. Langdon, who is a member of the Royal New Zealand Air Force. In 1949 he joined the RCAF and became a member of the permanent force when fighting started in Korea. The topic of his address was the Ground Observer Corps in Canada, which he helped form.

When it was started, F.O. Sheppard stated, there were only 24 stations across Canada. Now there are 6,000 posts and 72,000 observers. The traps in the North-West Territories can notify the authorities three hours ahead of radar.

The Ground Observers assist especially where there are low flying aircraft. In searching for lost aircraft the RCAF has a million dollar organization in operation and quite regularly observers locate the planes before they are shot down.

There are 150 posts in this area, half of which are south of Muskoka. The village of King City is covered 24 hours a day. These observers come out at a minute's notice to help locate missing or strange planes. With atom bombs in use, F.O. Sheppard commented the term 12-day war is often used, the reason being the enemy would not have to return home to recruit as all could be lost in that short time.

Lion Bill Heaslip thanked the speaker for his interesting address. Six Ground Observers were guests of the Lions.

Oak Ridges Employee

Alert Bank Teller Aids Police In Trapping Wanted Racketeer

Quick thinking on the part of Mrs. M. McLeod, a teller at the Oak Ridges Branch of the Bank of Nova Scotia has led to the apprehension of a much-sought racketeer. Angus J. Forsythe, 56, a former R.C.M.P. officer was arrested last Friday by OPP from the Vondorf Detachment after he purchased some money orders. P.C. Charles Case took Forsythe into custody after a coast to coast search.

Commends Teller
Bank Manager L. H. Ellins said that Mrs. McLeod deserves a great deal of credit for her alertness. Bank employees had been alerted earlier to be on the lookout for a man purchasing money orders. When Forsythe came into the bank to order the money orders, Mrs. McLeod became suspicious and reported the man to the manager.

Over 30 Charges
Toronto police said they have upward of 30 forgery and uttering charges against him. Bank money orders bought for \$1 were raised to \$100, police said. He is also wanted in Port Credit, Oakville, Fort William, and cities across the west. Police said they were able to track his movements from last fall by reports of raised bank orders.

Banks Alert
Bank employees have been alerted to watch for a man who purchases four or five \$1 money orders at a time. Forsythe had cashed orders in Newmarket stores before he was arrested. Police said six raised orders were found in one of his socks.

The orders were bought in small towns where banks make them out by hand. Police said the writing was erased and the amount raised by use of the cheque writing machine which made the order "seem more genuine than it was before."

King City United Church Celebrates 85th Anniversary

Rev. George Dorey, D.D., L.L.D., moderator of the United Church in Canada and abroad was the preacher at the anniversary services at King City United Church on Sunday, May 20. It was the 85th anniversary of the church.

Rev. George Dorey had served for almost 32 years as superintendent of Missions for Southern, Saskatchewan, then for a very brief period following the death of Dr. Sisco, acted as General Secretary of the United Church. In September 1954, he became moderator of the United Church.

The Confusion of Life with Jesus Christ, the Hope of the World was the text of his sermon at the morning service. He spoke of the communist philosophy and of the terrific strain and uncertainty under which we are living today. "To those of us who are professing Christians," he stressed, "it is our duty to live out the teachings of Christ in politics, in business and every aspect of daily life."

Rev. George Dorey spoke of his visit to the Orient where he recently spent six weeks in Japan and Korea. Of the 86 million people in Japan, he stated, only a very small number are professing Christians. However, 15% of the members of Parliament are Christians.

Rev. Mr. Dorey and his wife will be visiting England, Czechoslovakia and Russia this summer. **Special Music**

Mission Service Extended A Week

The Presbyterian Mission which was to have its final service in Wells Hall, King City, on Sunday, May 20, is being continued for another week at the request of many who found the services during the past week to be of rich spiritual profit.

Rev. J. E. C. Shepherd who is the preacher at the mission services gave forthright, stirring and inspiring messages throughout the week to folk present from the churches of the area and those also from quite a distance who faithfully attended one, some or all the mission services. Rev. G. Hart of Bethel Baptist Church, King City and Rev. D. C. H. Michell of All Saints Anglican Church, King City were present at some of the services leading the gathering in prayer.

Rev. Shepherd is expounding the gospel according to the enemies of Christ, pointed out there is no such thing as a No Man's Land between Satan and Christ. There is no such thing as fence sitting when it comes to a vital principle. The danger of self assertion were stressed when there is nothing but self to the exclusion of everything else. The big letter I is in the centre of sin, spite and pride. When we think we are looking through a window at the faults in others we are really looking through a mirror at ourselves.

Coming Sermons
The sermon themes for the last three services on Thursday, Friday and Sunday of this week will be on texts inspiring to everyone.

An ideal spot," says Scoutmaster Roots, "as there is plenty of space for the boys to romp and have fun, and handy for me as I can't always get away to camp because of the pressure of business."

The Scouts are also making their own furniture. **Appoint Assistant**
